TESTIMONIES FROM THE PREVIOUS EDITION

Dear brothers and sisters, you will be very amazed by the relevance and length of the testimonies that will follow. They are all authentic, given for a part 9 months after the event and for another part during the event. We have many other very glorious and relevant testimonies that we have not given because of the lack of space to write. This is to give glory to Jesus and boost your faith, so that you can also experience yours as you follow this program. Be richly blessed!

MIRACULOUS CONCEPTIONS

1. Delivered from sterility after 7 years of marriage

My niece (the daughter of the older sister) got married 7 years ago without children. His mother took her to the native doctors to find the solution to his conception, without success. Having seen this, I asked her if she would agree to give her life to Jesus Christ, and she said yes. She renounced native doctors, she converted by accepting Jesus Christ as her Savior and Lord. She began to follow the teachings of the pastor on Friday. At the last edition of the Healing University last year, I asked her to connect via YouTube, to the program, since she lives in Douala. She did it for the five days, the following month, she conceived. Currently, she is the mother of a pretty little girl. Since then, my family calls me «Mama Pasto», because of the good hand of God in the life of my niece. I give glory to the Lord. (CHEMBO Désirée, Yaoundé)

2. Delivered from sterility after 8 years of marriage

I was at Healing University last year. After the first day, I remembered my daughter who lives in Douala and who had not given birth after eight years of marriage. She had already done in vitro fertilization which had cost her 2 million FCFA, without success. I called him to present the opportunity and ask if she could come. She spoke to her husband, who consented without objection, and took the road to come the next day. As soon as she arrived, she entered the room when the evening session had already begun. At the very moment, the man of God declared that there

is a woman in this room, she comes from Douala, she is barren and the Lord visits her with triplets. Having heard this, she was amazed that as soon as she entered, she was located by the Holy Spirit. After Healing University, she returned to Douala and became pregnant. She gave birth to a boy and this day, in the hospital, she received the visit of more than 200 people to see this miraculous baby. Everyone was amazed. After that, the enemy tried to attack the baby, because when he was sucking, the milk came out through the head. But the Lord has once again powerfully glorified himself by healing him completely. We give glory to the Lord for the Healing University. All the glory and honor belong to Jesus Christ who restored joy to us. (**Zangue yvonne, Yaoundé**)

3. Delivered from sterility after living together for 11 years

I come by this testimony to share what the Lord, by his grace and mercy, has done in my home. In fact, before we could experience this grace, my wife and I already had 11 years of living together, including 5 years of engagement and 6 years of marriage. It is true that in the engagement, since we were not yet taught, we did not live according to what God asks in his word, we already shared our intimacy. So five years of sin, and six years of marriage. I want to say that in those 11 years of relationship, we didn't have children. The doctors had diagnosed and stated that it was almost impossible for us to have any, given the disease they had detected on me. This disease is called varicocele. Everyone asked me if I had ever had children, I said NO. And people nodded only to say it's serious. And I remember that the man of God, during my follow-up, went to meet an experienced gynecologist who confirmed that it was almost impossible for me to procreate. I would also like to recall that when I had the doctor's diagnosis, I had already had the grace to meet Pastor Calvin, and to be in his parish. My wife and I had resolved not to take any treatment, since we believed that the Lord was able to act and give thanks. We had benefited from the prayers and guidance of the man of God, but also from the programs we had taken in addition to the Healing University. I cannot know exactly the program in which the Lord visited us, but I know that one day I received the call from Pastor Calvin very early in the morning. He said, The Lord has given you what money cannot buy. Some time after this message, my wife and I were happy to see that she was pregnant, for the very first time after 11 years of living together. This news shocked many who believed it was impossible. God being gracious, the child

was born and he grew up wonderfully. By this testimony I bless the Lord, I thank him and all my gratitude. I also bless the Lord for his servant through whom he passed to bless us. (**Y. Gislain, Yaoundé**).

There are several other cases of conception. You will have the opportunity to see the children live or by following the program online.

MIRACULOUS CURE FROM CANCER

4. Healing from throat cancer

I was diagnosed with throat cancer. I was told that my throat had to be operated on and this surgery was so expensive that my husband and I were desperate. That's when I went to Yaoundé to meet the man of God. During the Healing University week, it was not possible to touch him. I stayed in prayer in the parish with all the beloved in Christ. After Healing University, I went back to the hospital, we ran the tests and found out the cancer was gone. The Lord Jesus had totally restored me. We repeated the tests at the Centre Pasteur and my healing was confirmed. I give glory to the Lord Jesus for this great wonder. I pray for someone who was as desperate as me, and I ask him to put his trust in Jesus Christ so that he may also act in his life. (Name borrowed Nathalie, Moungo).

5. Both breast and eye Cancer healing (Online Healing via Oil Anointing)

I thank the Lord Jesus for my healing. I was suffering from breast cancer after long years of chemo therapy, I still have not recovered. So the cancer reached the terminal stage and the doctors decided that both breasts should be removed. I was invited to the Online Healing University from North Cameroon for the past edition. On the last day of the program, the father blessed the anointing oil and ordered us to anoint on the sick parts and I did. A few days later I went to do a mammogram. After examination, it was discovered that the cancer had disappeared. I come to bless the Lord for the grace of life he has still bestowed and his anointed that He used to heal me. (Charlene-Northern Cameroon).

Nothing is impossible to God, and Everything is possible to those who believe*

Arrived Healing University 2022 after prayer, Jesus cured me of blood cancer? In January, I again fell ill with thrombosis, after the prayers Jesus healed me again. Then I had a very serious kidney failure, after the prayers with the man of God, Jesus healed me again without taking the medicines. To close, the file of my daughter for immigration Canada which was blocked without ever having a favorable outcome, was unblocked by the Holy Spirit, and she obtained the VISA on July 20, 2023. I give infinite thanks to Jesus and thank him for his servant and this wonderful program of the healing university. (**Mangoula Family**).

7. Healed of malignant cancer tumor

I was healed of a malignant tumor, it's cancer. I bless the Lord Jesus Christ for my healing and infinitely bless Pastor Joseph Calvin TSESSIDE (**Mengang Julie**).

8. Healing of vaginal tumour (via oil anointing)

I give back to God for the healing he gave me during the 3rd edition of the Healing University. I had a vaginal tumor for a while that required surgery to cure it. During the Healing University, I remember well the fourth day of the Healing University where the pastor prayed on the oils and asked us to anoint on the parts that have problems. I went home, and I did like the pastor said. The next day which was the fifth day I found that the ball had completely disappeared. I even went to the hospital to redo the exams and the doctors saw nothing. I give infinite thanks to God and Dad. (**Tchouantche Marceline**.)

SURGICAL OPERATIONS CANCELLED

9. Third surgery cancelled

I thank God because I was visited on Tuesday (2nd day of Healing University) when the pastor was praying. That day, the Pastor had announced that the Lord would instantly heal a woman in the ward who was suffering from kidney disease, and who had already been operated on. As a result, I felt concerned because I had undergone a double postpartum surgery and since the last surgery three years ago, I still had kidney pain and derogatory bleeding. I even hesitated to switch to another surgery for the third time. That's how I connected to the pastor's statements. On my return that day, even before arriving home, I noticed that the pain had disappeared. I told my husband that I was no longer in pain and that the pain had completely disappeared. In addition, we found that the bleeding that accompanied the pain had miraculously

stopped. I give thanks to the Lord Jesus Christ for my healing, and I bless the Lord for the Healing University and His servant. (**Berthe name borrowed, testimony visible online Yaoundé**)

10. Healed of appendicitis, operation cancelled.

In 2020, my husband suffered from appendicitis, an emergency operation was needed, I called the pastor on the phone, he prayed for my husband and he healed instantly, even the doctors were very surprised and the operation was cancelled. (**NJOYA-Yaoundé Family**)

11. Cyst Healing, Surgery Cancelled

She suffered from a cyst to the point where the surgery was scheduled. After a prayer program with the pastor, the next ultrasound no longer presented the cyst, and the operation was canceled. And my children became very brave in school, and yet they couldn't get by, but the Lord broke the veil that was on their intelligence by the hand of His servant. She gives thanks to God for her many blessings in her life. (**MAGNY Lucie Solange.**)

12. Healed of chronic back pain, operation cancelled

I had been suffering from chronic back pain for years and at the hospital I was told I needed surgery. I consulted my brother who is a doctor and he advised me not to accept this operation. He prescribed me medication and I started taking it. Then I was told about Pastor Calvin and Healing University. That's how my family brought me here, and I started following the Bible teachings of Wednesday and Friday. As I followed these teachings, I felt the pain lessen. During the Healing University that I attended, I was powerfully visited. My stomach started to heat up on the day of opening and I vomited a lot. I felt a lump rise up my throat. For the first two days, the ball was still strong in my throat. But on the third day when I came home, I realized that the ball had disappeared and the pains too. I could walk normally and make movements that I could not do for many years. I give glory to God. (**LEWANG Edith, Yaoundé.**)

13. Healed of pustule

Jesus healed me of pustules after 03 unsuccessful operations. Indeed, it was a disease that caused the stool to come out through the urinary tract. Jesus gave me a miraculous healing after three failed operations. I greatly thank his servant Pastor

Joseph-Calvin, who allowed himself to be used by the Lord. Follow Jesus, he is the only true God. (**Magne St. Irene**).

DELIVERED FROM SEXUAL IMPOTENCE AND SIMILAR PROBLEMS

14. Cured of sinusitis and sexual impotence

I have been sick for more than 7 months of sinusitis, I lost my sense of smell, my husband also had a sexual weakness for years, and after the Healing University, my husband was cured of impotence and I of sinusitis. We give infinite glory to Jesus for these miracles. (Yakana couple)

15. Issued from Grandfather Urinary Disease

Since my childhood, when I was urinating, the urine simply fell, without any pressure on my feet, despite all my efforts. And it's been that way since I was little. My parents took me to a lot of fetishes looking for solutions, without success. Everyone did their part, but no results. We were in hospitals and despite the therapies I received, nothing changed. A urethral swab was even done to try to detect the problem, but the doctors found no urinary tract infections or anything that could explain this lack of pressure. People have told me that it is the disease of grandfathers, which affects only the elderly. Others told my mother it was a mystical prostate. I'm barely 20 years old. During Wednesday's prayer (third day of Healing University), I insisted a lot on my healing, and the Lord fulfilled my desire. I was really visited. Net after the prayer, I wanted to urinate and I went out. To my surprise, the urine came out with such pressure that I myself jumped. It was extraordinary! I say thank you to Jesus Christ for my healing. (Fotso Moïse, Yaoundé)

16. Cured of sexual impotence, hepatitis, diabetes and nerves

I suffered from sexual impotence, diabetes, tension, hepatitis and nerves. After teaching and praying with Pastor Calvin in early 2023, I was totally healed. Jesus is so wonderful, thank you to his servant who led us on the way, helping us to come out of idolatry to follow him (**Njiké Jean**).

OTHER RESTORATIONS AND TESTIMONIES

17. Restored home

Nothing is impossible to God, and Everything is possible to those who believe*

I give thanks to the Lord for the Healing University. I was visited on the second day when the pastor delivered the message on «the mysteries of the Logos for your healing». I was in deep despair because my home was very bad. When the pastor was passing the message, I understood that I had truly turned away from the way of God. I regretted and repented, because I had just come to understand that I had trampled on the hierarchy of the power of speech in my home. In fact, in 2020, in a vision, the Lord Jesus Christ had promised me that he would restore my home that had been boiling until then. But instead of focusing all my attention on this precious promise, I was always concentrating on my husband's infidelities, criticizing him, talking to him in any way, no longer respecting him, and defending myself very much. The message on the Logos touched me deeply and I resolved to follow the instructions to the letter, with the help of the Holy Spirit. Today I give thanks to God because my home has been restored and my husband and I have begun to live harmoniously by taking the word of God as our compass. Love and peace have returned to our homes. I say thank you to the Lord Jesus Christ, and may all glory return to him. (NZALLE Josianne Claire).

18. Holistic promotion (marriage, healing, work...)

I attended the previous edition of Healing University, and I had a lot of good things in my life during this year 2022. I came to glorify the Lord of hosts, because after the program I met my soul mate and we got married. In the same order, I had the professional promotion where I left simple employee to a position of company executive. As this fourth edition unfolds, my wife and I are expecting a lovely baby. Still after the healing university, I was cured of an inflammation of the leg. Today, the Lord provides financially in my family, and therefore, we do not lack food or enough to pay our bills and finance our projects. Me and my family are really fulfilled and I give thanks to God for all his benefits in my life. Glory to Jesus Christ. (N. Christian, Yaoundé).

19. Delivered and healed from Turkey (Online on youtube)

I live in Turkey and I followed the program of the University of Live Healing. During yesterday's prayer (third day) led by the pastor after teaching, I was in my room praying online. Suddenly, I was seized by a force which overthrew me and my whole body began to tremble I started to scream while this force agitated me. My neighbor who heard my cries came running and found me on the ground being mistreated by this force that made me spill everything around me. Meanwhile, the

prayer kept ringing in my ears and the demon was stirring me up. Finally, he let go of me all of a sudden and I gradually regained control of my movements. I suddenly felt that the disease I had been dragging since my childhood had disappeared and I found my recovery. I sent you the video of the scene for testimony. I give glory to Jesus Christ and I say thank you to God for my Healing. (**Sylvie (name borrowed)**, Turkey).

20. Delivery of drugs and delinquency

My son was very stubborn and smoked Mbanga (drugs). I tried everything to bring him back without success. When I came to Healing University, I thought to myself, "I'm trying too." On Friday (last day) during the prayer, the pastor made statements about the case of a sister's child which was similar to my son's. I took the opportunity to connect. During the school exams, I took the anointing oil and prayed with my son. Then I anointed him following the instructions that the man of God had given. At the end of the day, my son had his exam, and his behaviour has completely changed. He's already open, yet he wasn't open before. I say thank you very much to Jesus Christ. (**Sorelle TATSAP**).

21. Healed of eye trouble and marriage

I was healed of an eye ache during the third edition of the Healing University. My eyes were sore and I was wearing glasses. In September 2021, I went to the hospital for a check-up. After the tests, the ophthalmologist detected an infection in my left eye and changed my glasses. But during last year's healing college, the man of God blessed the anointing oil and asked to anoint the sick parts of the body, which I did. I put on my eyes and instantly the ill disappeared. To this day I no longer wear glasses. I give thanks to God. I had been living with a man for over 11 years. After the healing university, he formalized our marriage under a monogamous regime, after so much dismissal and persecution. I give all the glory to God. (**Mrs NGOUNOU Falone**)

22. Caesarean section delivery cancelled

In 2021, the doctors told me that I had to give birth by cesarean section. I was so scared and I thought only of the worst. But when I was brought to see the pastor, he said that I would not go through the cesarean section, that I had to give birth normally and that everything had to go well. Thus, on September 29, 2021, I gave

birth to a beautiful little boy by the grace of Almighty God. (**YEPMO Maïva, Yaoundé**)

23. Freedom from persecution and insomnia

Last year, I was so persecuted to the point where I had lost sleep. One night, I had a dream where my parents, my sister and I were at a traditionalist's house, and some people from the neighborhood were going to church singing, and we hid because we were ashamed. A few days later, I was told about Healing University. My mom and I came here and the teachings transformed us. We have put into practice the many instructions we have received and to date, I sleep without problem. Thank you, Lord Jesus Christ, for your servant whom you never cease to use powerfully to make us grow in faith. (**SIMEU Marguerite**).

24. Healing of rashes in the cervix

I had noticed the presence of small buttons at my collar and it was taking volume. At last year's healing university, I participated in the anointing oil dedication prayer. Upon my return home, I applied it on my cervix following the instructions that the man of God had given and the buttons disappeared. Everything has become normal again. I give thanks to God for having healed me. (**TEFANG Hyacinth**).

25. Healing of heart problems over 30 years

Ever since I was a kid, I had a heart condition and I suffered so much. I spent all my childhood going to many fetish houses with my parents for this problem that did not find a solution. I then went to the hospitals with my parents, and we didn't find a solution either. But last year, during Healing University, I came home from work here in Dubai where I live, and I logged in to follow the program. While I was following the prayers, there were statements from the man of God and that's how I found my healing. Since then I have been totally healed, I have been freed from this problem that has tormented me for many years. I give glory to Jesus Christ and thank him for what he has done in my life. I will always be faithful to him. (**TAGNE Jean Bosco, Dubai**)

26. Healing from 18 years of madness

My second testimony is that of the healing of my 18-year-old brother of madness. Indeed, my older brother was mentally ill for many years, he lived locked

up. He walked down the street and practically ate from the garbage. He did not recognize anyone; he was totally unbalanced in his consciousness. My family tried everything in fetish houses and hospitals without finding a solution. But after the Healing University, when we went home, they administered the anointing of oil as the man of God recommended. Immediately, the power of God was manifested, we began to have the first signs of his healing. This is how he was taken to a health centre, where he was treated. Today when I speak to you, my big brother is totally healed. He now recognizes the whole family, he himself remembers all the names, everyone and everyone. I bless the Lord infinitely for this immense miracle in our family. **(Bosco, Dubai for KANGA Desire my big brother)**

27. Asthma cure and financial breakthrough

I thank the Almighty Lord for healing me from asthma and spinal pain. And for unblocking my file which was blocked in the public service for a long time. **(Fouetio Germaine)**

28. Financial Restoration

I do chicken and pig farming. My cattle died all the time, I had problems with my spouse, and nothing was going in my home, the children were sick all the time and I didn't know what was going on. I participated in the prayer program and three days after a COBRA was exposed in the middle of my breeding, in my house. He was killed and business started again, health peace returned. Thank you, Jesus Christ. You are wonderful. **(Kenmogne Claudia Stephanie).**

29. Miraculous healing of an evil that the hospital could not heal

I arrived at the Healing University, suffering from a gastric illness, on the 4th day of the event, during prayer, I felt at the level of my left side heart, something that rose like a glass and came out through the ear in the form of gas. Since then, the ill has disappeared. Before that i had gone everywhere, fetishes, hospitals and other, without solution. **(Mrs Mandoum Adeline epse Tamko)**

30. Delivered from the spirit of suicide and total restoration

I envied people very much, I felt disgusted and I was just waiting for the moment of my death. I also had breathing difficulties. The Lord JESUS proved his love to me and totally restored me. I regained the taste for life. The Lord also gave me my vision. I am now in a school of agronomy and BTS I was 7th major national

and the 1st in my school. I am a businesswoman today in agro-pastoral entrepreneurship. I give infinite thanks to God for everything! (Jeanne, first name borrowed).

31. Healed of epilepsy

My first son had epilepsy and was acting like an animal. He was struggling at school and had to write his school exam. As soon as I participated in the prayer program by father Calvin, my son was healed and he had his exams. I give glory to the Lord Jesus Christ for His goodness (Noubissi marie Thérèse).

32. Delivered from 10 years of illness

For 10 years I was sick, and almost died several times. I had headaches, and sinusitis, blood was running through my nostrils. A month after my participation in the program, the Lord Jesus completely restored me. (MEKUI Ginette).

33. Miraculous Healing

I suffered from a cough that choked me at the chest, back pain, a lump in the spine I was cured of these diseases during the editions of the healing university. Thank you, Jesus Christ. (**Mother Madeleine**).

34. Family restoration

I give thanks to Almighty God. My family life was in disarray thanks to prayers I found peace and life in my home. My son was held captive by familiar spirits, and my house was also taken hostage by evil spirits. During Healing University 2022, My son and my house were delivered and I regained the serenity, the faith that had died. Thank you, Jesus Christ. (**Soh Jean family**).

35. Marriage and Family deliverance

I give thanks to God because before I came to programs all my daughters were not married and had already given birth at home. From the time I participated in prayer programs, after receiving Jesus Christ and changing their lives, they all got married, until one of them moved to Canada. Glory to Jesus!

Brothers and sisters, there are still many other testimonies, which we cannot follow up on the lack of space to write them. You can go to our website www.youtube.com -IWTM TV-Healing University 2022. You will see how the paralytic walked, the deaf heard and signs and wonders occurred. Before completing this program, you will also testify in the name of Jesus Christ. Just be born again and decide to follow Jesus with all your heart and you will begin to experience the supernatural.

GENERAL CONDITIONS OF PRAYER

The Healing University is in its fifth edition and has enabled by the grace of God to win many souls to the Lord (more than 1,000 new converts recorded for the past edition), while giving a smile to many desperate individuals and families. The testimonies of healing are moving. The infertile who gave birth, the cured cancers, the paralytic who walked instantly in large numbers, the deaf who heard in large numbers, the corrected anomalies in the bodies, the cancelled operations, the weird diseases cured, incurable diseases cured, miraculous financial breakthroughs, unsealed vocations, restored homes and many other wonders of the Lord. May all glory be given to Jesus Christ alone, the author of all these wonders.

We Celebrate His greatness and love once again for us because this year 2023, he will do even greater wonders. We are convinced that everyone will be visited in the name of Jesus Christ.

What is Healing University?

The Healing University is not a four-walled Campus in which healing is taught and graduated. It is, in fact, a prayer program in which participants are taught what the Bible says about healing, in order to stimulate their faith and bring them to receive their healing. The Bible says that faith comes from what one hears and what one hears comes from the Revealed Word of Christ (Romans 10:17). When the people have the revelation of the Lord about healing and the miraculous, they easily manifest themselves. That's the first dimension of this program, that's why the Holy Spirit wanted it called Healing University, because it's Divine Healing training first. The second dimension of this program is practice, because not only do we encourage participants to experience on their own lives the power of the Word of God, but also, we encourage them to go to others to deliver them from the power of satan and convert them to the Gospel, because the Lord did not say that He gave power only to pastors, prophets, apostles, evangelists and teachers. Instead, he said "These are the miracles that will accompany those who have believed." Therefore, anyone who accepts Jesus Christ already has from the day of his conversion all the power of God necessary to perform any kind of miracle. Isn't it extraordinary! This is the practical phase for us because a good university is theoretical and practical. This is real spiritual LMD system!

FAST IF POSSIBLE

It is advisable to take the program in fasting (from sunrise to 6pm) and set prayer times during the day. However, if you cannot fast, strictly follow the times of prayer, and the Lord will act powerfully in your case. It may even happen that the Holy Spirit asks you not to fast, despite your desire to fast, in this case obey His voice and establish a rigorous prayer program that you will respect.

We advise you to start with prayers every day at 4 a.m. or before. You can pray with family or through WhatsApp. Then join us at 07:00 for the online prayer, morning session.

During the day, take other moments of prayer as the Holy Spirit leads you.

You can fast dry or drink water during the day before breaking up in the evening. Set prayer times that you will respect.

Read all the comments before beginning the prayer. Do not read prayer topics as a simple recitation, but take time for each topic. Increase your personal prayer subjects and those the Holy Spirit will inspire.

Specificity of the 2023 programme

The particularity of this year as we have told you is the prayer online every morning from 06:30 on Youtube at: YOUTUBE IWTM TV Healing University

Have faith in Jesus Christ and He will hear you.

Send us your testimony during or at the end of this program to the addresses at the bottom of the page. Testimony has great power.

You could send the names of your loved ones who suffer from chronic diseases so that together we implore the grace of God on their lives. Don't underestimate yourself, go and get the sick and heal them by the name of Jesus Christ.

Some will get their healing the first day, some will get the second day, and so on. However, we have faith that Jesus Christ will heal everyone, because He is the same yesterday, today and forever (Hebrews 13:8).

CHAPTER I: SIX REAL EXPERIENCES WITH ANGELS

When we talk about the ministry of angels or read their manifestations in the Bible, we always tend to believe that it is an ancient phenomenon, far from our time. And yet, angels are more real today than ever, for the resurrection of Jesus opened heaven and what was reserved just for one category of person became a grace for all who confess His name. The experiences that we will address in the following lines will give us insight into the ministry of angels in this season, in order to stimulate the faith of each reader to make him experience such grace. The Bible says it well: «Make the Lord your delight and He will give you what your heart desires» Psalms 37:5. If from the bottom of your heart you desire to experience beyond what will follow, it will be done to you according to your faith.

I- Experience 1: An angel speaks to him audibly in the middle of the night

In my book entitled «*Comment Écouter la Voix de Dieu*», I tell a mysterious story that had been counted to me by my dad who is today a child of God, full of fire. He had described to me how, when we were little, he always liked to return at very late hours of the night. But one day, when he had just entered the house at more than one o'clock in the morning, he heard a deep voice say to him aloud and intelligible voice in our dialect the Bapa: "What are you always looking for outside at night? He jumped and understood that a mysterious hand had guarded him, had preserved him from danger in the middle of the night: This is called the ministry of angels. They are mysterious beings from heaven who accompany us in our daily lives. They are with us, usually intervene spiritually for our safety, and when cases or circumstances are critical, they sometimes intervene physically. I declare that it will be someone's portion now in the name of Jesus Christ.

II- Experiment 2: An angel appears to his little brother in a dream and cancels the surgical operation.

Another fabulous experience comes from the beginnings of my ministry in the city of Yaoundé, political capital of Cameroon. I had at the time been affected by the hierarchy of my church in a very small community in the city located in the suburb of Nkozoa. I then organized a teaching program on the ministry of angels. A beloved and son in the congregation named Thierry, had his little brother bedridden, for he had been the victim of a fatal accident, and had been rescued by the grace of God. He was to undergo arm surgery in the days following our teaching program. After my presentation on the ministry of angels, I clearly presented to the assembly with examples based on Sacred Scripture the mystery that the angels could intervene to grant us and our loved ones divine healing. At the time of prayer, this brother believed and begged the Lord Jesus Christ to intervene in the situation of his little brother, although the latter was not a believer. Back in his home, he gave thanks to God and fell asleep. In the morning, while he was preparing to go to the hospital for the operation, his little brother made him understand that in his dream, he saw a sublime being dressed in white come to touch his arm. When they arrived at the hospital, after the preoperative examination, the doctor declared that everything was fine and that he had never said that this arm should be operated on. He began to shout at his staff for organizing the operation of a patient who was rather healthy. The nurses tried with all their strength to tell him that , what they executed was from his orders, but he did not accept. In fact, they didn't understand what happened at night. An angel intervened. I declare that this is also your portion in the name of Jesus Christ. The holy angels of the Lord will intervene in your situation in the name of Jesus Christ.

III- Experiment 3: Reverend Raoul Wafo, an angel takes his image and the saving of death

The Reverend Raoul Wafo, a Cameroonian pastor practicing in Côte d'Ivoire tells a story according to which during the Ivorian crisis in the 2010s, people of bad faith went to lie about him to the rebels saying that he supports Laurent Gbagbo,

former Ivorian president, deposed through coup by Ouattara supported by France. This news irritated the rebels who decided to go to Pastor Raoul in order to take his life. When they inquired about his home, they met his neighbour opposite and asked him if they knew where the pastor's house was. The neighbor replied that it is the house opposite, but only yesterday, the pastor came knocking on his door to tell him that he was traveling to another city in the Ivory Coast and was not to return until a few days later. The rebels became discouraged and turned back because of their heavy criminal agenda (brother and sister, never want war for our nation, because its atrocities and wounds are immense). In the afternoon of that day, the Reverend Raoul Wafo went out of his gate for a walk, and his neighbor surprised to see him begin to ask him if he had canceled his trip, because yesterday evening, he came to say goodbye to him since he had to travel to another city of the country. The surprised pastor told him that for several days he had not even left his house. The neighbor began to insist on telling him that he came and clearly said goodbye. The pastor again made him understand that he had not left his house for several days. The neighbor almost went crazy, because not understanding anything, He then told him that the rebels came looking for him and inquired about his home and he simply made them understand that the pastor said goodbye to him yesterday because he was moving for another city. The latter, given their busy evil agenda, simply continued their way. It was then that the pastor realized that it was an angel who had taken on his appearance to protect him from what was to happen the next day. Glory to Jesus Christ. You see here that the angels are very mysterious and are not limited only to the metaphysical dimension, but also physically intervene in our world. They are permanently with us and even take the different human or animal appearances.

IV- Experiment 4: Angels can take animal form to help you

Doctor of Mathematics Adeboye, Nigerian pastor of the world's most populous church, and nominated several times among the fifty or hundred most influential people in the world according to the rankings; recounts how he had lost his way in the countryside and suddenly saw a small dog that he began to follow according to the inner voice that had asked him to follow the animal. The little dog led him to his parents. And once he arrived, he no longer saw the animal. This mysterious event left him stunned, later, when he became a Christian and was taught

about the ministry of angels, he understood that it was an angel who had taken the form of an animal. Wow! Isn't that wonderful! This is what you will experience while you follow this program of prayer and supernatural intervention of angels.

V- Experiment 5: An angel saves a lady

Let me tell you approximately this true story that was reported to us during a training. A sister in Christ had gone to an agency to travel. After paying for her ticket, while the bus was about to take off, she went out for some amenities. Back, a very gracious woman had occupied her seat. The chargers and the officials of the travel agency made every form of intervention and threat so that the fat lady could free the seat of the entitled, but this extremely belligerent lady, insisted and refused to leave. The sister, irritated and disappointed by the naughty character of the grace lady, was forced to pay a ticket at another travel agency. By the time the bus took off, the fat lady was gone. Everyone is outraged that this woman had done all this to not even travel. They looked for the sister to ask her to take her seat, but she had already left to take the ticket elsewhere. So she was replaced with another person. Unfortunately, this caused an extremely fatal accident. When the sister in Christ saw that it was the car she was to take that caused a catastrophic accident, she began to give glory to God who had sent an angel who had taken the form of a fat lady to save her life.

VI- Experience 6: My personal experience: I saw a gigantic angel

In 2011, I had a very difficult time walking with God because I had been separated from my family, especially from those who had greatly contributed to my conversion. Following a number of events, those who had encouraged me to respond to God's call asked me to leave theology to return to the business world where I had had a better take-off before completely stopping to devote myself to the service of the Lord. This experience was for me the most painful and terrifying I had ever experienced. For it came from the people I considered and loved most, though my love for them today has not always changed, if not, that it has grown. This was more terrifying, to the extent that a pastor of a revival church had given them a revelation

that I was an incarnate child, born of the immaculate conception, from the planet sun. He said how I can be so young and know the things that happened many years before I was born. Oooooh my God, it still makes me shiver when I write it! This is how many churches divide families. Be careful, you who like to entrust yourself to the prophets and revelations of brothers and sisters in the Church! I am not saying that God does not reveal Himself and that there are no authentic prophets, but what I am explaining is that deviations from the prophetic ministry have sometimes caused disasters in lives and families. However, I declare that if this is your case, the Lord Jesus Christ will restore you with your family as He did for us in the name of Jesus Christ! Faced with these great emotional wounds, I had begun to doubt my identity and my humanity at the time . I suffered greatly and didn't even have a place to sleep, as I sometimes slept in churches or in the classrooms after classes. It was during this very difficult moment that I saw the intervention of the angels. First, while I was sleeping on the floor on the slab under construction of the EEC parish of Nlongkak, I saw around two o'clock in the morning while I had risen to put myself at ease a great bright light in the middle of the night surrounding me. And I laughed and exclaimed, Lord, you are here with me! And then, the next day, there was a character dressed in a long white dress, about fifty meters in height of author, who had crossed hands and looked at me from above my head. He was placed at a distance that I cannot assess. He did not move and was present with me wherever I went. When I fell asleep, when I woke up, I realized that he had the same position and watched over me with his eyes. It should be noted that before that, I had never slept under outside of a house, it was for me, a very difficult and unacceptable thing. This angel stayed with me several days and accompanied me everywhere. When I began to find inner healing, self-confidence, and a place to live, I could no longer see it. Alleluia! I relied on the Word of God, to declare that any person who suffers from emotional wounds and is in the process of going through this work, now receive divine healing in the name of Jesus Christ!

It must be said that this experience has strengthened me a lot, and since then, I do not fear adversity, because the size of the angel who accompanied me was greater than a ten-level building built on 500 square meters. Even if a crowd of 1,000 advance against me, only a backhand of this angel will exterminate them.

“And it came to pass that night, that the angel of the LORD went out, and smote in the camp of the Assyrians an hundred fourscore and five thousand: and when they arose early in the morning, behold, they were all dead corpses.” (2 Kings 19:35)

I understood from this experience that I am not alone. You also, know that you are not alone. As soon as you give your heart to Jesus Christ, the ministry of angels takes effect in your favor and you can begin to live extraordinary experiences.

CHAPTER 2: WHO ARE THE ANGELS

I- Who are the angels really?

The five stories are not new because several times in the Bible it is clearly described the wonderful ministry that these divine creatures render to men from the Lord. They are servants whose mission is to work on our behalf in all areas: spiritual, health, material, academic, financial and other. The Bible clearly says about them:

“And to whom did angels ever say, Sit at my right hand, until I make your enemies your footstool? Are they not all spirits in the service of God, sent to minister to those who are to inherit salvation?” Hebrews 1:13-14.

We see that angels are spirits in the service of God, sent by God to those who belong to Him. They are beings who depend on God, and whose mission is to work for believers and even non-believers that God in his foreknowledge seeks the way to convert them.

II- Can men give orders to angels?

“And to whom did angels ever say, Sit at my right hand, until I make your enemies your footstool? Are they not all spirits in the service of God, sent to minister to those who are to inherit salvation?” Hebrews 1:13-14.

Men cannot give orders to angels, for they are servants of God, whom He has placed to minister for believers. This means that in order for them to intervene, they must be invited through the name of Jesus Christ. Indeed, they are like the servants of a rich man whom he has placed at the disposal of his children. When the children need something, they simply ask the father to send one of the servants to do it. And the father, naturally out of love for his children, sends them to perform the task. However, if the child wants to give orders directly to his father’s servants, he can do so in his father’s name. To say that if you want to give orders to the angels, you can do it by relying on the name of Jesus Christ or the LORD

For example, declare:

- I invoke the angels to intervene in my situation in the name of Jesus Christ;
- I command the angels to act now in the name of Jesus Christ;
- Eternal, let Your holy angels act now in my behalf in the name of Jesus Christ;
- Angels of the living God, scatter my enemies in the name of Jesus Christ.
- I send the angels of the Lord to act in my concession now in the name of Jesus Christ.

Take a moment now and invoke the angels of God to intervene in your situation in the name of Jesus Christ (pray intensely and you will see something happen now).

III- Can men worship angels?

*“And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God. **And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.**”*
(Revelation 19:9-10)

John in Patmos Island, receives a vision in which an angel appears to him. Faced with this glorious presence, he prostrated himself before the mysterious angel to worship him. But the angel rushes to tell him, "Beware, I am your companion in service ... Worship God." Because angels are not worshipped. It's an aberration and it's even demonic. It's like leaving the creator to worship the creature. It's like leaving God to worship a man, an animal, a tree, an object. It's a demonic activity. Many were blocked or possessed by demons by prostrating themselves before statuettes, images of angels and others as it is written.

Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Wherefore God also

*gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: **Who changed the truth of God into a lie, and WORSHIPPED AND SERVED THE CREATURE MORE THAN THE CREATOR, who is blessed forever. Amen.** (Romans 1:22-25)*

Ces choses bloquent votre guérison et votre percée financière, car les versets lus disent bien que ceux qui adorent les anges, les arbres, les roches, les ancêtres ou parents c'est-à-dire des créatures de Dieu, déshonorent leur propre corps. Ils provoquent des maladies et malédictions contre eux. Peut-être c'est là la porte d'entrée du mal dont vous souffrez. Demandez pardon et abandonnez ces pratiques pour revenir à de bonnes pratiques.

IV- Angels are our servants and we are superior to them

If we read the Holy Scriptures very carefully, we will see that angels admire men and would like to be in their place. Peter describes it in these words:

*Unto whom it was revealed, that not unto themselves, but unto us they did minister the things, which are now reported unto you by **them that have preached the gospel unto you with the Holy Ghost sent down from heaven; WHICH THINGS THE ANGELS DESIRE TO LOOK INTO.** (1 Peter 1:12)*

The angels would like to be in our place. As a powerful and rich man who has servants in his hyper-crowded residence. Certainly, the servants are strong, experts in cooking, in lingerie, powerful guardians, able to fire thieves and secure the house, children and those who live there. Whatever they are honored and respected by all because they are at the service of a powerful and influential man in the world, this does not make them the legitimate sons and heirs of man. It is the children of this man who are the legal rights holders and to tell the truth, each servant would like to be in their place. This is the case between God (the rich and influential man), the angels (the servants) and the legitimate children of God (who are those who confessed Jesus Christ). Asshhhh! What a privilege! No matter the rank of a servant, even if it is he who accompanies, educates and disciplines the child of the boss, he will never occupy the place of this child. It is the son who remains the heir and the servants of his Father are at his service, through the authority of his father, because it is his father who recruited them and who pays their wages, so that they take care of him and his children. Wow! In one word, the angels were formed by God to serve

Him and His children that we are. That is why we are above them and therefore we must not worship them. That is why they admire and envy us. However, they are proud to serve us, because that is how they accomplish the purpose of their existence. The angels know that one day we will reign perfectly with Jesus Christ.

V- We will judge the angels

The Bible clearly tells us that we will judge the angels:

Know ye not that we shall judge angels? how much more things that pertain to this life? (1 Corinthians 6:3)

Paul here explains to the people of Corinth the wonderful privilege we have to be children of God, for we will judge the angels and even satan who is simply a fallen angel with those who followed him: "For if God has not spared the angels who have sinned, but has thrown them into the abyss of darkness and set them aside for judgment," 2 Peter 2:4. This is how we will judge satan and his angels. It will be impressive, because after the verdict, here is what will happen:

“And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season”. (Revelation 20:1-3)

Once we have judged and condemned satan, a single angel will come down to catch him and will go alone chain him to hell for eternity. You see how strong and terrifying angels are. And I would say that if only one angel can bind the leader of demons, diseases and sorcerers, why are you still afraid of demons and sorcerers? A single angel is enough to solve all the problems of your family. Moreover, we will see it later. But before that, I declare in the name of Jesus Christ, that a divine angel is rising now to exterminate this disease in your body and this problem that persists in your family in the name of Jesus Christ! Repeat with faith seven times: Lord Jesus Christ by your glorious name, now send a mighty angel to exterminate all the occult

forces that disturb my life, my health, my fulfillment, my growth, my prosperity and that of my family.

VI- We do not give orders to angels

Allow me to return to this point with more details and biblical verses so that we may be rigorously built and effective in your prayers. James says, "You ask and do not receive, because you ask badly" James 4:3a. God is the one who gives orders to the angels about us according to what is written:

*There shall no evil befall thee, neither shall any plague come nigh thy dwelling. **FOR HE SHALL GIVE HIS ANGELS charge over thee, to keep thee in all thy ways. They shall bear thee up in their hands, lest thou dash thy foot against a stone.** (Psalms 91:9b-12)*

In the face of plagues, that is, diseases, God is the one who orders the angels to carry, preserve, heal and deliver those who put their trust in him. If you put your trust in the native doctors, the fetishes, the idols and come again to God to ask for the solution, when he will send His angels to intervene in your favor and they will see that you have not made the Lord your high retreat, they will be forced to return without completing the mission. If this is your case, repent now and make the Lord alone your high retreat through His Son Jesus Christ and you will experience the intervention of the angels right now. Amen!

Satan himself knows that it is God who gives orders to the angels. That is why he will say to Jesus in the desert:

***For it is written, HE SHALL GIVE HIS ANGELS CHARGE OVER THEE, to keep thee:** (Luke 4:10)*

Since satan knows this biblical truth, he will constantly urge you to pray to the angels or invoke them to make your prayer ineffective. Therefore, you must have the great wisdom to invoke the angels by relying on the name of Jesus or simply asking the Lord to send them to intervene on your behalf, for they are under their orders

“BLESS THE LORD, YE HIS ANGELS, that excel in strength, THAT DO HIS COMMANDMENTS, hearkening unto the voice of his word.” (Psalms 103:20)

And it is up to Daniel to say:

“MY GOD HATH SENT HIS ANGEL, AND HATH SHUT THE LIONS' MOUTHS, that they have not hurt me: forasmuch as before him innocency was found in me; and also before thee, O king, have I done no hurt”. (Daniel 6:22)

The Lord now sends an angel to shut the mouth of every lion, enemy, satanist and spirit sent against you in the name of Jesus.

VII- How do angels manifest themselves?

Angels take several forms that we will list by specifying that they cannot be exhaustive

1- Angels take the form of Light:

“And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.” (Revelation 18:1)

If you see a light invading your room, house, office, dealership or business while you are following this program, do not panic. Whether in the physical world, in vision, in spirit or in dream, do not panic. On the other hand, I would like you to insist by asking the Lord to make appear an angel to operate your miracle now in the name of Jesus. Do not doubt, for nothing is impossible to God, everything is possible to the believer.

2- Angels can take the form of men

And the LORD appeared unto him in the plains of Mamre: and he sat in the tent door in the heat of the day; And he lift up his eyes and looked, and, lo,

three men stood by him: and when he saw them, he ran to meet them from the tent door, and bowed himself toward the ground, ... (Genesis 18:1-8)

You'll see they're men like you and me. Reading up to verse eight, you will see that Sarah will feed them and they will eat well and yet they are angels who were sent to destroy Sodom and Gomorrah. They will later bless Abraham and Sarah with the fruit of the bowels. Sometimes they can happen to you to see men appear out of nowhere to rescue you or visit you in extremely difficult conditions. Sometimes they're angels in the form of men. That's the case with the woman on the bus in the previous chapter. How do you know they're angels? Usually, while they are intervening, you are just amazed, and then you look for them, you no longer see them. They're mysterious. Nobody gets together and you can ask where the man who was here or the woman— A sister told how her car caught fire in the middle of the Obilli crossroads in Yaoundé-Cameroon, and a man came to stop this fire in a very professional way in front of an admiring crowd and when he finished, no one in the crowd knew how he left. This is the ministry of angels. You who listen to me, perhaps you have already met an angel without realizing it, and it is now that the memory will come to you. Glory to Jesus Christ!

3- Gives voice to animals

And the LORD opened the mouth of the ass, and she said unto Balaam, What have I done unto thee, that thou hast smitten me these three times? (Numbers 22:28)

It is still possible today. Sometimes, if it is not audible, you will sometimes see animals or birds giving you signs to convey a divine message. It is up to you to be attentive to understand. In any case, some of the many readers among you have testimonies in this sense. If so, be sure to share it with us and with others.

4- They sometimes operate like wind or fire

And of the angels he saith, Who maketh his angels spirits, and his ministers a flame of fire. (Hebrews 1:7)

Angels can sometimes assist you like winds or flames of fire. The angel that appeared to Moses was in the form of fire.

5- They sometimes take on their heavenly faces

At this level, you will know that it is really an angel. This is the case of Mary:

And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women. (Luke 1:28)

There is a plethora of forms that angels can use to intervene in the lives of believers. Let us say that the form does not matter, what interests us in this program is that, we want to see the angels at work in the life of the people of God. Thank you, Jesus Christ, because you will.

Now that the stage is set and the basic principles of the ministry of angels are known, let us begin to experience the great power that our God has made available to us through the glorious ministry of angels.

- 10- Angels of God who accompanied Samson in ancient times, wake up and come to destroy the assembly of philistines who plot against me in the name of Jesus Christ;
- 11-Angels of fire, rise now and circulate in all heavenly places, forests, depths and in all the planets to catch and destroy the demons that hid there to afflict my health, my finances, my joy in the name of Jesus.
- 12- Let every reason, height, dignity, majesty, authority, dominion that opposes my healing be struck down by the fire of the Holy Spirit right now in the name of Jesus;
- 13-Lord God, You who split the Red Sea and crossed your children of Israel, Deign to release the same angels operating in my favor today to create the path of my salvation, my healing, my restorations, my prosperity, my social and professional success in the name of Jesus;

14- Father, by Your great power, let the Red Sea now swallow up the demons that are chasing me to afflict me and I never see them again, as You said in Your Word: The Egyptians you see today, you will never see them again;

15-Father, by Your mighty hand and the action of Your holy angels, You crushed the heads of the sea monsters, You shot down the offending crocodiles and reptiles. Today, Jehovah, may Your holy angels invade every place where the totems and beasts of ill omen were that made me sick in the name of Jesus Christ;

16- (Put your hand on your head and declare) By the fire of the Holy Spirit, purge me of all sickness and foreign presence in my body now, now, now, now, now, now in the powerful name of Jesus Christ;

17-By the fire of the Holy Spirit, I invoke the power of God to visit my bowels now and those of my family members and loved ones who have difficulty conceiving.

18- By the power of the holy angels of the Lord, I break the power of barrenness in the name of Jesus Christ, I break the power of barrenness in the name of Jesus Christ, I break the power of barrenness in the name of Jesus Christ, I break the power of barrenness in the name of Jesus-Christ;

19-I declare fire on my being now and the power of God break the evil actions that prevented me or my family members from being biologically or financially fruitful in the name of Jesus

20-I now proclaim on myself as a prophet or prophetess of the Lord that I am fruitful, I carry in me a multitude like Sarah and Abraham in the name of Jesus;

21-I declare that as the angel said to Sarah: At this same time next year you will bear a child, at this moment I invoke the action of this angel in my life or that of my brother or sister and I appropriate this same prophecy to believe and accept that next year, at the same time, I would carry triplets in my hand in the name of Jesus Christ. Amen!

CHAPTER 3: WHAT ARE THE TASKS OF ANGELS IN THE LIFE OF BELIEVERS

God is not the God of fantasies, because if He created the angels, it is for a specific purpose. Therefore, we will see the missions of angels in the lives of believers. I only recommend you to be attentive, and whenever you discover through these writings a new mission of the angels in the life of believers, rise up and take the blessing. Ask, beseech God to do the same in your life. And he will act, for nothing is impossible to God and everything is possible to the believer.

I- Angels give us terrible victories in battles

The ministry of angels usually intervenes in situations that determine the life of a person or people. They usually arrive when the situation is critical. That is why their interventions are often terrible for the enemy. Let us take as an example the country of Israel, in the time of King Hezekiah and the prophet Isaiah. The king of Assyria in his power and effervescence terrified and subdued the surrounding nations to his kingdom. The power of his army gave him uncontested success. In his folly of greatness, he sent to the king of Israel:

“Thus shall ye speak to Hezekiah king of Judah, saying, Let not thy God, in whom thou trustest, deceive thee, saying, Jerusalem shall not be given into the hand of the king of Assyria. Behold, thou hast heard what the kings of Assyria have done to all lands by destroying them utterly; and shalt thou be delivered? Have the gods of the nations delivered them which my fathers have destroyed, as Gozan, and Haran, and Rezeph, and the children of Eden which were in Telassar? Where is the king of Hamath, and the king of Arphad, and the king of the city of Sepharvaim, Hena, and Ivah?” (Isaiah 37:10-13)

When people come to the point of mocking the God we serve, if you rise violently in prayer, the angels will intervene immediately. God will not come to him, he will send his servants to shut the mouth of the enemy. To say to the enemy: You insult me and you are not even able to stand in front of one of my servants! This is

what he will do to the king of Assyria. Ooooooh, what will follow will be tragic! The angels of our God are terrifying my brothers and sisters. Look what one angel did to the Assyrians.

Then the angel of the LORD went forth, and smote in the camp of the Assyrians a hundred and fourscore and five thousand: and when they arose early in the morning, behold, they were all dead corpses. (Isaiah 37:36)

One angel killed a hundred and eighty thousand men at night. Ooooooooh, my God! Some angels like this exterminate the population of a country in one night. May they intervene now in the same way in the face of this disease and these demons that threaten you in the name of Jesus Christ. When a people, a family is threatened with extermination and the name of the Lord is insulted, it paves the way for angelic intervention if you effectively cry out to God. Rely on the people who have said, “Where is your God, so that sickness may strike you, so that infertility may last, so that financial problems may continue, so that there may be no promotion in your life and in the goods of others.” Take this opportunity today to say to God, don’t let Your name be outraged. Father, intervene now, release the ministry of angels in my favor. I declare that heaven will grant it to you while you pray in the name of Jesus Christ!

II- Angels give Divine healing in the face of incurable diseases

Beloved, do you know that angels are so powerful that they can heal you from incurable diseases? They are powerful and capable of extraordinary achievements. Let’s see a very popular example in the Old Testament that you have often read without perhaps realizing the angelic revelation hidden behind.

There shall no evil befall thee, Neither Shall Any PLAGUE come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways. (Psalms 91:10-11)

These two verses of the popular Psalm 91 express such great power that you could not imagine. He specifies that no misfortune and plague will come to the one who puts his total trust in the Lord and the members of his house (dwelling here is synonymous with house), because He will give orders to his angels to keep you

against the author of any disease namely satan. The word “scourge” in ancient Hebrew is translated as “Nega”. Nega which in turn is literally translated as: plague, disease, wound, wound, leprosy. The word «keep» contained in this verse comes from the Hebrew «Shamar» which still means «save life (Jehovah Shama = The Eternal who saves lives)». So these two verses can still be dynamically translated as follows:

There shall no evil befall thee, Neither Shall Any (DISEASE, WOUND, WOUND, LEPROSY, PLAGUE) come nigh thy dwelling. For he shall give his ANGELS charge over thee(to save your life), to keep thee in all thy ways(whether in the good or the bad area). (Psalms 91:10-11)

It is still called the ministry of angels. Through this powerful mystery, the Lord saves, heals and delivers his children from diseases of all kinds; from wounds, leprosy or incurable diseases. Indeed, at that time, leprosy was a deadly disease, because it had no possible medication. Like HIV today, diabetes and other. If this is your case or that of a relative, I inform you now that there is a type of supernatural beings called angels, for whom curing these diseases is a game. Simply invoke them with faith and insistence by the Lord, asking him to send them to intervene on your behalf, and you will see what will happen. We will now talk about this disease in the past.

III- Angels reveal hidden and unknown things to you

The Lord says in the Holy Scriptures, "My people are destroyed because they lack knowledge." Hosea 4:6. The expression knowledge here, of the Hebrew «da'ath» is also translated by «design» which means among other things: knowledge of things to come, knowledge of the future, knowledge of hidden things, revelation about satan's designs against you, revelation about God's purposes for you. Sometimes it happens that problems in life or family persist, just because we do not know the origin or source. For example, there are sometimes diseases that enter the bodies after the families have drunk the *cadi*, or following the proclamation of the words of curse by an ancestor or a family situation of injustice or fetish (get the 3rd edition University Healing Book on Curses). When this is so, for the negative person or

family foundation to be destroyed, the problem must be revealed and prayer becomes effective at this time.

IV- A testimony

My godfather often told me this true story that took place in a sister country, where there was a young person who suffered from a rice allergy. He could eat everything but rice. And if he forced himself to, he had to get terrible abdominal pain. Despite numerous prayer sessions with anointed men of God, he could not find a solution. This lasted until the day when God revealed to the pastor of the young man the story of a stolen bicycle that had to be returned for the young man to recover from the rice allergy. Then the young man remembered that his father had stolen their neighbour's bicycle, so he bought a bicycle and returned it. It was then that the neighbor informed him that on the day the father of the young man had stolen the bicycle, he had declared that the children of the one who had made it would never eat the rice. The young man returned to his pastor and a simple prayer made him receive his total deliverance. That is why the Spirit says, without revelation, his people run towards loss. There are many individuals and families who suffer from similar problems due to the fact that they do not know the spiritual origins of their problem, therefore still encounter delays in answering their prayers. Now, the angels are able to reveal to you these hidden things so that your deliverance and breakthrough may come to manifestation. Paul also had to detect the spirit behind the possession of the young lady of Acts 16 so that her deliverance would be immediate (cf Acts 16:16-18).

“...Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words. But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia. Now I am come to make thee understand what shall befall thy people in the latter days: for yet the vision is for many days.” (Daniel 10:2-14).

Daniel, a faith which he began fasting, was granted by God, but when the angel Gabriel sent to give him the revelation on the origin of the problems of Israel set out, a powerful demon called king of the Persians came to block him. Just because he didn't want the angel to give the revelation to Daniel. Now, in this text, God sees revelation as the answer to prayer. Indeed, when you know the spiritual origin of your problem, everything becomes like clockwork for your answer. Therefore, I encourage you to beg the Lord to send his angel to reveal to you the origin of your difficulties and what to do to find a solution. The angels are able to reveal to you the future and the hidden things. I invoke this mystery now in your life in the name of Jesus Christ! May an angel appear to you now to reveal to you the hidden things and the key to solving your problem in the name of Jesus Christ!

The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John: (Revelation 1:1)

Angels are messengers that Jesus Christ may decide to send to reveal Himself to you. They are a powerful key to your miracle and to the dominion of your future.

VI- Angels give life to bodies exhausted by life's circumstances

*And he looked, and, behold, there was a cake baken on the coals, and a cruse of water at his head. And he did eat and drink, and laid him down again. **And the angel of the LORD came again the second time, and touched him, and said, Arise and eat; because the journey is too great for thee.** And he arose, and did eat and drink, and went in the strength of that meat forty days and forty nights unto Horeb the mount of God. And he came thither unto a cave, and lodged there; and, behold, the word of the LORD came to him, and he said unto him, **What doest thou here, Elijah?** (1 Kings 19:6-9)*

Elijah, fleeing the wicked Jezebel, had found himself hungry and weak in the wilderness to the point where he desired death: "**Then he sank into the wilderness. After walking for a whole day, he sat down in the shade of an isolated broom and asked for death: It is too much, he said...**" 1 Kings 19:4. But suddenly an angel appeared to him to intervene in his distress: "He lay down and fell asleep under the broom. **“Suddenly an angel touched him and said, Get up and eat!”** 1 Kings 19:4.

It is through this meal that he will then find form or health, for it was a spiritual meal that was nothing but a prefiguration of the body and blood of Jesus. You know that fatigue is taken as a form of illness. People can suffer from it by being hospitalized. But the angel of the Lord healed him through a divine touch.

You who read this anointed book, perhaps you are exhausted because of the difficulties of life or an illness that persists to the point where you want to abandon everything to ask God to make you die like Elijah. I want to tell you that an angel will appear to intervene and heal you in the name of Jesus Christ! When you are sick and discouraged, ask the Lord to act in your situation through the ministry of angels. Raise your level of faith and every time you read in the Bible what the Lord has done for a person, ask the same for you, for Jesus is the same yesterday, today, and tomorrow (Hebrews 13:8). You may even be financially exhausted. Ask the Lord to intervene through the ministry of angels.

It is important to note that Elijah had eaten angelic food as this text of Psalm tells us:

And had rained down manna upon them to eat, and had given them of the corn of heaven. Man did eat angels' food: he sent them meat to the full. (Psalms 78:24-25)

Now, the ancient Greek version of the Bible speaks of the «bread of angels». To say that it was a mysterious meal eaten only by the angels. Whenever you are before Holy Communion, insist that it be an angelic meal for you. Ask the Holy Spirit to turn it into a meal of angels. You'll have extraordinary results. The Holy Spirit through this meal will do a total check-up of your body to detect anomalies and heal them. Alleluia!

Even the Lord Jesus, in stress and anguish on the eve of the crucifixion, was strengthened by the angels: "*An angel came from heaven and strengthened him.*" Luke 22:43. When you are depressed or suffer from memory-related illnesses, the Holy Spirit through the ministry of angels is able to intervene. Just ask Him for help.

Now that you understand the angels' mission about Divine healing, proceed to the application with bold faith.

Therefore, I cry out loud and clear, I have no connection with the dead, I refuse to see you in my dreams and I send the fire of the Holy Spirit to destroy the power that uses these images to attack me in the name of Jesus.

14- No, I will not die, I will live and I will tell the works of God. This is my portion in the name of Jesus Christ. That is why I confess about myself and my children longevity in the name of Jesus Christ;

15- Let every agent of satan who has made a sacrifice against me and my children be struck down by our guardian angels in the name of Jesus Christ;

16- Whoever has sent a sickness to hasten my departure from the earth will be confused to see me again in very good health in the name of Jesus Christ;

17- I immerse my life and that of my family members in the blood of Jesus Christ;

18- I receive my miracle right now and my mouth is full of songs of joy, I will tell the wonders of Jesus Christ, I will proclaim His goodness, and the world will witness the written and visible power of God over my life in the name of Jesus Christ;

19- Holy Spirit, through the ministry of the angels, reveal to me the origin of every problem that was affecting me in my family and give us total deliverance now in the name of Jesus;

20- I prophesy on myself a stability and a life surrounded by angels constantly that will make me experience the miraculous in the name of Jesus every day;

21- Like Elijah, I receive from the angels of the Lord a new energy, a new force, a new anointing, a dimension of new financial grace, overflowing joy from the angels of the Lord in the name of Jesus Christ.

CHAPTER 4: HOW TO PUSH THE MINISTRY OF ANGELS TO INTERVENE ON YOUR BEHALF

(Get a bottle of olive or other oil)

The purpose of this chapter is to provoke the intervention of angels in your life. It is possible, it is possible.

I- Hezekiah's Prayer: A Powerful Catalyst for Angel Intervention

Through the Study of Isaiah 37, we will study, discover and put into practice the scheme that King Hezekiah followed to push God to send the angel who exterminated 185,000 Assyrian soldiers in one night. Indeed, Sennacherib, king of Assyria, powerful nation at that time wanted to conquer Israel. He sent his emissaries to announce it to the king of Israel. Hezekiah, aware that his country could not face Assyria militarily, appealed to the Lord, who in turn sent a terrible angel to intervene on behalf of Israel. Let us follow step by step the steps of King Hezekiah's prayer:

1- Humiliation before the Lord

And it came to pass, when king Hezekiah heard it, that he rent his clothes, and covered himself with sackcloth, and went into the house of the LORD. (Isaiah 37:1)

When you are told difficult news, such as an incurable illness of which you are victims, do not begin to lament to men or to weep about yourself. Go to God and cry. It is a secret, because men can pretend but God is always faithful and your only true friend who will never disappoint you. This is what Hezekiah did, he tore his clothes, covered himself with a sack, and went to the house of God. He just saw the greatness of his problem and ran into the house of the Lord to find refuge. This is a first step, when we want to see the angels intervene. Do not run first to the native doctors, the doctors or your supports, run first to the Lord.

2- He sent to meet the man of God

The fact that he goes to the man of God Isaiah shows that he believes in his ministry and sees him as a representative of the living God, and a bearer of a divine anointing. This second element strengthened his prayer. King Jehoshaphat in war had said to the children of Israel:

*And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me, O Judah, and ye inhabitants of Jerusalem; **Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper.** (2 Chronicles 20:20)*

I am not talking about letting you be manipulated by people who will take the title of man of God to swindle your money under the pretext of praying for you or healing you. This is not Biblical. I am talking about the servants of God whose relationship with God is genuine to you. The men of God were established by God to declare powerful words about the people in times of trial in order to provoke divine or angelic intervention.

3- He recognized the superiority of his enemies

Recognizing that your enemies are stronger than you is an important thing when you desire angelic intervention, for God is the one who stands beside the weak. Hezekiah knew this principle and went to humble himself before God to tell him if you leave me, this giant Assyrian must grind me with your people as someone who grinds the bones of a farm chicken thigh with teeth in tomato sauce. Sincerely recognizing that there is only God to deliver you from this disease will attract you divine favor and the ministry of angels.

4- Don't have a plan B

Do not look to God as an option, but rather as the only option. He has to feel that He is the only one to deliver and help you. Hezekiah did that, and God heard him. You too, stop praying and say, I'll see how it goes and if not, I'll go see my native doctor or my fetishist. To do so is to become an obstacle to one's own recovery.

5-Remind the Lord that the other gods are inferior to Him

Hezekiah also had the great wisdom to make a comparative study between the God of Israel and the other gods in his prayers, drawing the conclusion that it is the

Eternal who is God and no god is like Him. It is a powerful form of worship that cannot leave God indifferent when you do so in all sincerity:

Of a truth, LORD, the kings of Assyria have laid waste all the nations, and their countries, And have cast their gods into the fire: for they were no gods, but the work of men's hands, wood and stone: therefore they have destroyed them. (Isaiah 37:18-19)

Learn to name the names of the gods of your enemies and the gods of your villages if you know them and compare them with the name of the Lord by reminding the Lord that these gods are inferior to Him. Pray with insistence and the Lord will manifest Himself.

6- Take advantage of the mistakes of your enemies to attract divine grace.

When people begin to insult our God, take it as a reason for prayer. It will quickly push God to react. King Hezekiah, for example, grasped the error of the king of Assyria, who insulted the Lord and presented this to God as an argument for prayer. He knew that God does not like the ungodly to tread upon His glory on the ground. Here is what the king of Assyria sends to king Hezekiah:

Thus shall ye speak to Hezekiah king of Judah, saying, Let not thy God, in whom thou trustest, deceive thee, saying, Jerusalem shall not be given into the hand of the king of Assyria. (Isaiah 37:10)

Here is how Hezekiah uses this in prayer to push God to intervene:

Incline thine ear, O LORD, and hear; open thine eyes, O LORD, and see: and hear all the words of Sennacherib, which hath sent to reproach the living God. (Isaiah 37:17)

He will continue by saying:

Now therefore, O LORD our God, save us from his hand, that all the kingdoms of the earth may know that thou art the LORD, even thou only. (Isaiah 37:20)

At some point, we have people saying to us things like, Since you've been praying, what has already changed in your life? Here, we ask you to go and do the traditions and see the native doctors, you refuse under pretext that you pray, where are the results of this prayer? It feels like the more you pray, the more your problems increase and it's always us who help you, you never have anything...

Nothing is impossible to God, and Everything is possible to those who believe*

When people say such things to you, turn it like Hezekiah into prayer arguments to ask for the intervention of the Lord. Indeed, a wise enemy will persecute you without insulting your God, because by insulting the Lord of hosts, if you know how to use it to pray, your answer will be accelerated. Look, for example, at the Lord's response to Hezekiah's prayer:

“Then Isaiah the son of Amoz sent unto Hezekiah, saying, Thus saith the LORD God of Israel, Whereas thou hast prayed to me against Sennacherib king of Assyria”: (Isaiah 37:21)

The Lord continues by saying:

“Whom hast thou reproached and blasphemed? and against whom hast thou exalted thy voice, and lifted up thine eyes on high? even against the Holy One of Israel... Because thy rage against me, and thy tumult, is come up into mine ears, therefore will I put my hook in thy nose, and my bridle in thy lips, AND I WILL TURN THEE BACK BY THE WAY BY WHICH THOU CAMEST.” (Isaiah 37:23-29)

And this is how the prayer of Hezekiah will first kill the king of Assyria. Hummmm, people who sometimes attack us and insult our God at the same time are still alive, just because we have sometimes decided to mercy them like Jesus on the cross, or for some people because they don't know how to turn these prayers against the wicked! When Hezekiah returned this prayer, immediately the death sentence of this wicked king was sealed without counting what you will read in the following.

Testimony of prayers of the Ezechias type

A lady who was tormented by a family member and business partner came to see me in 2021. She walked with a crutch and was possessed by very wicked demons. She had walked from church to church to seek the solution, but without success. What is funny is that whenever she went to a church to ask for deliverance, her executioner who controlled her with a mystical mirror called her to tell her the church she had gone to by reminding her that no one could deliver her from her hands. He made fun of the pastors' churches and by that of their God. One Wednesday, the lady came to meet me at the parish of Nkozoa. At noon, during the prayer, the power of God came down and she began to jump like a ball. She began to walk without a crutch, glory to Jesus! Then the Lord Jesus by my mouth declared that if this executioner does not repent, in a week, he will only be spoken of in the

past. That day, on her return, the powerful executioner who was her uncle no longer called her to tell her where she was. A week later he died suddenly. The angel of the Lord had shot him down! Be careful to insult the God we serve. To do so is to be foolish. That is why I declare that if the evil you are suffering from comes from a human being, receives not only your deliverance now, but also that this disease returns upon him at this very moment in the name of Jesus Christ!

7- Coming down of the Angel

As soon as the prophet Isaiah had finished speaking, the Lord suddenly sent a mighty angel down and killed 185,000 Assyrian soldiers:

Then the angel of the LORD went forth, and smote in the camp of the Assyrians a hundred and fourscore and five thousand: and when they arose early in the morning, behold, they were all dead corpses. (Isaiah 37:36)

My brothers and sisters, one angel killed 185,000 people overnight. It's extraordinary and terrifying. This means that one angel is enough to kill all the viruses that are in your body, all the parasites that harm your children, all the carcinogenic genes that can exist in a body. Alleluia! Let it be the portion of someone in the name of Jesus Christ! Even if your enemies are per thousand, one angel is enough to exterminate them. One angel is enough to open all closed doors to you. Glory to Jesus Christ!

II- The other catalysts for involving angels

The prayer of Hezekiah is sufficient to trigger the intervention of the angels. But, we will bring complements by the ministry of angels in the lives of several other biblical characters.

1- Daniel's key

Daniel saw an angel in chapter 10 appear to support him. But what happened so that he would receive this visitation. Three things can be noted:

- Daniel and his companions refused to eat the food and food sacrificed to the idols. This greatly pleased God, as it is written:

Nothing is impossible to God, and Everything is possible to those who believe*

“But Daniel purposed in his heart that he would not defile himself with the portion of the king's meat, nor with the wine which he drank: therefore he requested of the prince of the eunuchs that he might not defile himself.” (Daniel 1:8)

*“And at the end of ten days **THEIR COUNTENANCES APPEARED FAIRER AND FATTER IN FLESH THAN ALL THE CHILDREN WHICH DID EAT THE PORTION OF THE KING'S MEAT.** ... God gave them knowledge and skill in all learning and wisdom: and Daniel had understanding in all visions and dreams.” (Daniel 1:15-17)*

You see how God here gave very good health to the four young men compared to others. Flee idolatry, skull worship, foods from funerals, ceremonies developed by priests of traditional religions, sects, festivals of other religions such as Islam, Ngondo, Ngouen, to follow Jesus Christ. When you eat these foods, it opens the doors to the spirits that can regularly come to give you night meals, meats and drinks in sleep to affect your life. On top of that, following Jesus by developing an intimate communion with God through prayer, Bible reading and fasting will rejuvenate you and provide you with good health. This will make you smarter and more creative in your studies and/or businesses. This is a way to activate your angel to intervene on your behalf (see next chapter).

- Daniel and his companions refused to bow before the king's statue as written:

*“Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: **Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;**” (Exodus 20:4-5)*

It is a way of showing your dependence on God and stimulating God to send His angels to heal you, to deliver you, to watch over you and to pull you out of dangers such as illness, poverty, suffering, witchcraft: "the angel of the Lord encamped around those who feared him, and took them from danger" Psalm 34:7

Nothing is impossible to God, and Everything is possible to those who believe*

- **Daniel bore a great burden for the deliverance and salvation of Israel.**

Indeed, whenever you care for the good of your family, village, city, country and others, you become a person of great interest in the kingdom of heaven according to what the Lord says: "I heard the voice of the Lord, saying, Who shall I send, and who shall walk for us? I said, Here I am, send me." Isaiah 1:8. Intercessors for the nation and revival will have much easier encounters with angels than those who are content to limit their lives to their own needs. Daniel lamenting for the country was visited by powerful angels. Please, too, pledge now to pray for your family and others. You will testify.

2. Powerful worship

"And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them. And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed." (Acts 16:25-26)

The powerful praise of Paul and Silas led to the opening of the prison gates by supernatural beings. You too, by praising God greatly, the ministry of angels will become a permanent reality for you and you will experience strange things. For when you praise God in truth and in the Spirit, the angels also come to praise Him with you. Now when they're around, they'll do things supernaturally, bringing freedom to the captives and healing to the sick.

3- The intercession of the Church

When the church gathers to pray for people like in this Healing University program, angels are usually at work and manifest themselves in signs and wonders. That is why you will also see and experience many miracles and strange things from God for His glory in this program. We have an example of the action of the angels following the prayer of the brothers and sisters in the Bible:

*Peter therefore was kept in prison: but prayer was made without ceasing of the church unto God for him. And when Herod would have brought him forth, the same **night Peter was sleeping between two soldiers, bound with two chains: and the keepers before the door kept the prison. And, behold, the angel of the Lord came upon him, and a light shined in the prison: and he smote Peter on the side, and raised him up, saying, Arise up quickly. And his chains fell off from his hands. And the angel said unto him, Gird thyself, and bind on thy***

sandals. And so he did. And he saith unto him, Cast thy garment about thee, and follow me. And he went out, and followed him; and wist not that it was true which was done by the angel; but thought he saw a vision. When they were past the first and the second ward, they came unto the iron gate that leadeth unto the city; which opened to them of his own accord: and they went out, and passed on through one street; and forthwith the angel departed from him. (Acts 12:5-10)

Thanks to the prayers of the Church an angel appeared physically to deliver Peter from prison. One of my spiritual sons told how he and his brother had made the accident and he had nothing wrong, but his brother was crushed and was in a mortal state. Far from the city, there was no one in this rural hospital to take care of them and the doctor was absent, as it was late at night. In the hospital where they were, they saw a priest come to the hospital to pray for their brother and lay hands on him and the situation improved. In the morning they went to Douala with the accident victim who healed normally. They returned to the hospital a few months later to say thank you to the priest who was their benefactor, and the Catholic priest of the area never acknowledged having been out at that time of the night in a hospital. By hint of reflection, they understood that it was the ministry of the angels. Now, this is a time when this brother had just joined the church and we prayed a lot for our lives and families. Just to tell you that your intercession releases the angels for special interventions in the lives of your loved ones. When James was arrested, the Church did not pray for him and he was killed. But the same Herod stopped Peter, the Church prayed and an angel came to deliver him. Some things or misfortunes that we attribute to the Lord, are in no way his will, it is sometimes the absence of prayer that is the cause. The angels are there, available to intervene, but they are just waiting for you to set them in motion through prayer through Jesus Christ. Amen

4- Holiness, like Mary

Mary was a maiden who kept her virginity. It was a privilege for her to be the mother of the world's saviour. But before that she received the visitation of a glorious angel named Gabriel:

*And in the sixth month the **angel Gabriel was sent from God unto a city of Galilee, named Nazareth, To a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. (Luke 1:26-27)***

Nothing is impossible to God, and Everything is possible to those who believe*

We encourage anyone who reads us and has not yet destroyed his or her glory (virginity) to continue, for this is a powerful key in the spiritual world for a visitation of angels. The four daughters of Philip were still virgins at the age of 64, prophesied with power:

*And the next day we that were of Paul's company departed, and came unto Caesarea: and we entered into the house of Philip the evangelist, which was one of the seven; and abode with him. And the same man **had four daughters, virgins, which did prophesy.** (Acts 21:8-9)*

Now in the prophetic ministry angels have a great place in revelation. Abstaining from sexual immorality gives you a great predisposition to be in contact with angels. For those who are already engaged in sexual immorality, ask forgiveness from Jesus Christ, abandon this life and return to the master and He will give you grace.

5- In extremely difficult times (Jesus, Paul, Peter)

When you serve God faithfully, you may have very difficult times. But in those moments, the Holy Spirit is usually closer to you than ever and can delegate an angel to assist you permanently. My testimony in the first chapter can tell you better. But, since the only true book of authority is the Bible, let's go back to Scripture to see some examples.

- Jesus in full panic in the face of the ordeal of the cross, needed encouragement, because it was the only moment by which the world was to be saved. He even wanted to give up, but immediately the Lord sent an angel to strengthen him:

***“And there appeared an angel unto him from heaven, strengthening him. And being in an agony he prayed more earnestly: and his sweat was as it were great drops of blood falling down to the ground.”** (Luke 22:43-44)*

- Paul and the people on the ship were about to sink into the sea, discouraged and seeing their lives come to an end. An angel appeared to Paul to strengthen him. Sometimes, in case of danger of death (accident, catastrophe, fatal illness...), do not be surprised to see the appearance of angels. Here is the experience of Paul.

“For there stood by me this night the angel of God, whose I am, and whom I serve, Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee. Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me.” (Acts 27:23-25)

- Daniel also had a similar experience where an angel of God closed the mouths of lions.

“My God hath sent his angel, and hath shut the lions' mouths, that they have not hurt me: forasmuch as before him innocency was found in me; and also before thee, O king, have I done no hurt.” (Daniel 6:22)

6- Hospitality can draw angelic visitation

Be not forgetful to entertain strangers: for thereby some have entertained angels unawares. (Hebrews 13:2)

Hospitality, kindness with all, poor and rich can trigger an angelic visitation. In the Old Testament, it was a very regular practice. Namely, angels who came in human form to visit people. Thus, Sarah and Abraham were delivered from barrenness, for the men who had visited them were angels. Because of their kindness, they decided to prophesy about Abraham. Thus, they recovered their good health and became fruitful and parents of multitudes:

Let a little water, I pray you, be fetched, and wash your feet, and rest yourselves under the tree: (Genesis 18:4)

Be generous men and women to all, this is a great blessing that opens heaven to angelic intervention. Note that these angels can visit you physically, in vision, in a dream or without your knowledge. Wow!

15- (lay your hand on the sick places while you make these proclamations) Any disease that has penetrated my body by night poisons, sex in dreams, demonic injections, mystical arrows, evil massages, demonic touches and palpations, mystical washes are cancelled and release my body now, now, now, now, now in the name of Jesus, in the name of Jesus, in the name of Jesus, in the name of Jesus (insist, even if vomiting comes, insist, insist...);

16- I drink the blood of Jesus Christ, to wash and purge my body of diseases and satanic attacks thrown against me now. I declare my body purified by the blood of

Jesus Christ, by the victorious power of the cross where Jesus Christ bore all my diseases, my difficulties, my sorrows and pains...

17- I invoke the fire of the Holy Spirit to burn the equipment of the evil nurseries who all the time come against me in the name of Jesus Christ;

19-I invoke fire on my objects, clothes, underwear, borrowings, sweat, hair, spits that the enemy collected from me or my children to harm us. It takes fire, fire, fire, fire, fire, fire now in the name of Jesus, in the name of Jesus, in the name of Jesus (insist);

20- I reject the sexual sin, the lie, the sexual immorality that the devil may want to set me up as a trap in the name of Jesus Christ. I decide to walk in purity like Daniel and Mary in order to have permanently at my disposal the angels for my service. I am anointed to shine in my generation and nothing will prevent me in the name of Jesus Christ;

21- I thank Jesus for my answer and my testimony which will be permanent in the name of Jesus Christ.

CHAPTER 5: ANGELS OF BELONGING, THE ANGEL OF THE ETERNAL AND THE ANGEL OF BETHESDA

(Plan a sacrificial offering for the program)

This chapter is strategic in the spiritual warfare and growth of the believer. I will tell you here about two groups of angels that God has attributed to humanity to reassure themselves that men have permanent victory over satan. These are on the one hand the angels of belonging and on the other hand the Angel commonly called in the Bible «the Angel of the Lord».

I- Angels of Belonging

These are specific angels that God attributes to all His creatures to ensure their protection, good health blessing and prosperity. This can be for a person, a family, a village, a country and an organization or church.

1- Every child or person has their angel

It is not sin to know that every person on earth has his angel. When you are born, God assigns you an angel to watch over you and help you accomplish the purpose for which He creates you. This angel works for you as a guardian angel, a provider, a shield. It is a commando and servant placed at your side by the Lord Jesus Christ. The more you are aware of his presence, the more this angel is strengthened and will intervene for you. Here are some biblical references that prove that each person has a special angel at his disposal placed by the Lord at birth.

As Jesus spoke to the people of the children in Matthew 18, he subsequently said:

Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven. (Matthew 18:10)

With these words of Jesus, it becomes clear that every child has an angel in heaven who watches over him and intercedes for him with the Father. But, Jesus

speaks of children and why not adults! Simply because the children are innocent and saved, but as soon as reason comes, if the child of yesterday rejects Jesus, then his guardian angel is weakened and no longer has full authority over his life. But, all the same, he continues to intercede for his salvation hoping that he will return to the path so that the angel will fully carry out God's plan for him. Nothing is difficult to understand, because God can assign an angel to a person and he refuses in order to ask for the protection of the god of his house. God will not impose on you, but this god or demon with whom you have made a covenant will constantly refuse that your angel intervene in your favor. Therefore your angels will be weakened, not because he has no strength, but because you reject his services by choosing another protector outside the Lord of the armed.

But, however, your angel will not give up, and the more people will pray for your salvation, the stronger your angel will be in the fight to snatch your soul from the devil, and the day it succeeds, you will see the person convert. Hallelujah! If you have understood me correctly, pray constantly that the guardian angel of the pagans of your families be strengthened to tear them from the hands of demons who hold their hearts. Note that in many cases, where you even see sorcerers being unable to reach some pagans or yourself when you were unconverted, it was because of your guardian angel or theirs. They watch over every person hoping that one day they will convert. And once you accept Jesus Christ, your angel acts fully in your favor and operates with full power and fulfillment. This is the case of Peter, who was certainly delivered from prison by his angel as described in this text:

And when she knew Peter's voice, she opened not the gate for gladness, but ran in, and told how Peter stood before the gate. And they said unto her, Thou art mad. But she constantly affirmed that it was even so. Then said they, It is his angel. (Acts 12:14-15)

You see they said, "It's not Peter, it's his angel", simply because your angel can take on your appearance. He can take your image, your voice (remember the case of pastor Raoul Wafo in the first chapter). But reading Acts 12 from the beginning, one realizes the angel who went to prison to free Peter. Everything shows that it is his angel. When sometimes people say they saw a pastor pray for them and heal them in a dream at night, it was usually the angel of the pastor who went to do it. Indeed, when you give your life to Jesus Christ, your angel can act in place of

your physical and spiritual person. Wouaouuuuh! In the same way that Peter was released from prison physically not his angel, you too can be released from the prison of sickness on your bed by your angel. You will believe that it is a doctor who entered your room to give you care and yet, it will be your angel in the name of Jesus Christ! As you follow this program, the spiritual and physical manifestation of the angels will be a true reality for you in the name of Jesus Christ!

2- Here's what you can do with your angel

Sometimes, if you have a high communion with God, you can ask the Lord to send your angel to intervene somewhere on your behalf. Hmmm! Where else command by the name of Jesus Christ your angel to act in one place on your part, visit the house, watch over the children and others. This may shock you to hear me say so, but what I say is scriptural and does not concern spiritual babies. As sons of God, you have angels at your service and especially your main angel. However you will commission them in the name of the Lord Jesus Christ and in accordance with the scriptures and the will of God, they will go. Glory to Jesus Christ! Try now and you will testify. But, know that for this to work, you must be fully child of God and that you serve him in all truth and fidelity having abandoned the world to make of Jesus Christ only your passion. A mother who has an abnormal feeling for her child far from her, can pray thus saying: "Lord Jesus, by your name, I send my angel to look at the situation of the children and come back to inform me. You will see that a few seconds later he can reassure you or ask you to put yourself in prayer or to intervene physically. Jesus is too good! It's supernatural! In a procurement room, you can send him to be your negotiator, during an exam, he can reveal the questions and show you which chapter you need to insist on for a good preparation! I have so much to tell you about this, that we will come back to it in a future book.

3- Each church has an angel

And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God; (Revelation 3:14)

Do you know that every church has an angel? This is the case of the message to the seven churches in the apocalypse of John where God sends the letter to the angel of each church. And the latter was to be responsible for transmitting it to the Church. The level of glory and power in a church depends on how you honor the

Lord. The more pleasing praises you raise to God, pray, fast and honor the altar, the angel of the Church is strengthened and God can use it to act in an extraordinary way. When you hear about the church dedication ceremony, it's actually a ceremony to set up and activate the angel of that church to take office. Note that angels can only intervene on earth if a man authorizes them. If you want to see the angels of your church or your family act, it is up to you to invoke them by Jesus Christ.

4- General

In generalities, we will say that every family, village, city, province, country, sub-region, continent has an angel. When you dedicate your Christian organizations and undertakings to the Lord, an angel is assigned to them by heaven. This is the key to the success of successful Christian entrepreneurs. They are found more in West Africa and the English-speaking area. I am not talking about Christians who are said to be prosperous in the francophone area, people who have one foot in the church and another in traditional religions and western sects. They occupy the first places in the Churches and the pastors and the people call them with great reverence «dad», ready to bow down to them because of some soiled notes they give them. When I speak of the prosperous Christians here, I mean the people whom the Lord has prospered and everyone has seen. People whose growth and prosperity depend only on the Lord. All this is described in the Bible and we will return to it in a future book by the grace of God.

5- How to reinforce your angel's actions

It is through the construction of altars that you can strengthen and empower your angel. By doing so, you can summon new angels to join yours for a greater level of elevation, grace and anointing. One of the problems of the Church today is that the Church is more aware of the presence of demons and sorcerers than of the presence of angels. How to understand the principle? Look for example at your houses, villages and regions and countries. You will see that there are demons or sacred place in the family concessions, then the great sacred place of the village, then the great sacred place of the region, then the great place of the country. Note that at each of its levels reigns a spirit or demon that commands the person, family, village, region or country. The devil just copied it into the kingdom of heaven. Indeed, each before his birth has an angel, each family has an angel to watch over the children of the house, each village to an angel, region and country. These angels do not operate often, because you ignore them and never invoke them. Besides, you

don't even know that every person has an angel to watch over them, that's the problem. For example, by dedicating your family, house, village, region or country to the Lord Jesus, you activate the angels assigned by God for the happiness and prosperity of these peoples and they can begin to act on your behalf. Hallelujah!

As soon as you call yourself MVODO and found a family in which you have with your wife and nine children, God grants the MVODO family an angel in charge of watching over the nine children and the grandsons and great grandsons MVODO. Therefore, it is good to marry in the Lord and in the Church, for normally this angel is attributed to the family on the wedding day, but God also grants exceptions for our parents who have not had the opportunity to know the Lord and have embarked on polygamy. In this case, on the day when the Father or mother of the family comes to Jesus, the angel of the family takes full effect. He had been there since, but as not having taken office and practising in hiding. But a real conversion of the father of the concession will activate this angel. This is one of the reasons why the children of God should not flee the succession. You must accept it, but change God by saying that from now on, it is Jesus who reigns in your family line. For this purpose, you must eliminate the altars of the other gods in the concession to build an altar to Jesus Christ by invoking an angel or more precisely the angel predestined by God to watch over your concession, but that the devil prevented from acting because your ancestors had instead dedicated your family line to other gods. You, returning to the holiness of God to dedicate the family line to him, the angel of the Lord will take office and God will use it to glorify himself in the family line.

6- How to put your angel on a mission against the diseases of the family

One way to make the angels work is to build an altar of power to allow them to move like in Bethel. Once the altar is built, you must give names to your altar according to what you want the angel to accomplish in your life, house, concession, village or country. If, for example, you see that every two months children are sick, or that after a certain period of time people catch certain delicate diseases in families such as cancers, hypertensives, hepatitis and others; You must build the altar and assign for mission to the angel of the family to eradicate this pathology from the family. That's what he'll do next. As you intensify your prayers and obedience to God, the Holy Spirit will further strengthen the strength of your angel, and your angel will free the family from financial, marital, or academic ailments. We will come back to this in depth in a future book. For now, apply this. You will see that

many children in the family will sometimes tell you that they have seen an angelic person with a certain form help them in vision or in dreams. When they describe his clothing and his trial, you will realize that it is the same character. Yes, it is the angel of the house, concession or family that you activated. Know also that when you activate for example the angel of a family concession, he will act and watch over the children of God of the family and the pagans until the day of their conversion. He will heal the sons of the family and open many doors for them. That is why I invite you to build an altar of God now for your healing, that of your family or village.

7- Here's how to build a family altar to activate your angel

First of all, it is important to note that all teachings about altars is essentially based on angels. Indeed, it is the angels who constitute guardians and the actors on the altars. So this is how you can build an altar of healing.

- Being born again: Rejecting native doctors and fetishes to surrender only to Jesus
- Ask God for forgiveness for your failures
- Take a moment of worship to celebrate, elevate the Lord
- Ask the Holy Spirit to reveal to you the problems of the house or family, their origins, the spirits that operate and make people sick or in difficulty...
- Pray to invoke the blood of Jesus Christ to sanctify and purify the place (Get rid of all the bark and protective tools that the native doctors, parents or grandparents gave you)
- To invoke the blood of Jesus and the fire of the Holy Spirit destroy every family altar that sustains sickness, suffering, hatred, poverty, failure...
- Build from the anointing oil (consecrated) or from the word an altar in the house or concession by declaring that Jesus is now the Lord and master of your house and concession.
- Give names to this altar by declaring that it is called, name this altar as healing, joy, respect, fear of God, elevation, prosperity and others. Assign him the mission to eradicate the diseases, problems and difficulties and curse that oppressed the family and threatened the family. Give also to this altar the

mission to watch over your health, give a victory to the children and a special grace for you and the children of the family.

-Call this altar an answer, miracles and oracles of the Lord in the name of Jesus Christ (Say all the words of blessing that the Spirit of God will put at your heart about your angel and the angels who will henceforth reign over you and your family, or your church)

- Take a moment of worship to celebrate the Lord who established an angel in your home, concession, village, or region

- From now on, worship constantly on the altar, praying and worshipping Jesus Christ constantly in the house, also obeying Him. This will strengthen the angel of the Lord who works on this altar.

- From now on, focus only on Jesus Christ and in your prayers, regularly ask for the assistance of His angels.

You can follow this same pattern to build an altar in your church or business so that angels accompany you in your ministry, business or organization. Whenever you are even as a pastor assigned to a place, you must thus pray for your new community in order to experience the assistance of angels in your daily life.

II- The angel of the Lord and the angel of Bethesda

1- The Angel of the Lord

He is a different angel from all the others present in the Old Testament and also the New. Its characteristic is that when it appears, it always presents itself as the Eternal and yet it is well said in the text that it is an angel. Here is just one example:

*Now Moses kept the flock of Jethro his father in law, the priest of Midian: and he led the flock to the backside of the desert, and came to the mountain of God, even to Horeb. And the **angel of the LORD** appeared unto him in a flame of fire out of the midst of a bush: and he looked, and, behold, the bush burned with fire, and the bush was not consumed. And Moses said, I will now turn aside, and see this great sight, why the bush is not burnt. And when **THE LORD SAW THAT HE TURNED ASIDE TO SEE, GOD CALLED UNTO HIM OUT***

OF THE MIDST OF THE BUSH, AND SAID, MOSES, MOSES. AND HE SAID, HERE AM I. And he said, Draw not nigh hither: put off thy shoes from off thy feet, for the place whereon thou standest is holy ground. (Exodus 3:1-5)

This angel is Jesus Christ, who sometimes played this role with God the Father since ancient times. It is clear to the extent that as soon as the ministry of Jesus began, the Bible never again mentioned the Angel of the Lord. This angel is the most formidable of all. If you have it, you have everything with you.

2- The Angel of Bethesda

You will notice that in the pool of Bethesda, with the presence of Jesus, the angel who came down waving water to heal a single sick person will no longer come, for greater than he was on the scene:

Now there is at Jerusalem by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches. In these lay a great multitude of impotent folk, of blind, halt, withered, waiting for the moving of the water. For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had. (John 5:2-4)

Now in Bethesda there will be thousands of healings without limits, for wherever the Lord Jesus was, all the sick were healed:

When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick: (Matthew 8:16)

Jesus healed all the sick, not one a year, for Bethesda was the sign of the old covenant, but the New Bethesda is the sign and symbol of the new covenant. This is why Jesus went there for a real paradigm shift.

3- Relationship between Jesus and Bethesda

Bethesda meant a place of charity, a place of blessing. Jesus also presented himself as the water of life:

Nothing is impossible to God, and Everything is possible to those who believe*

“Jesus answered and said unto her, If thou knewest the gift of God, and who it is that saith to thee, Give me to drink; thou wouldest have asked of him, and he would have given thee living water.” (John 4:10)

Jesus presents himself here as a water of life and of definitive healing. His presence in Bethesda changes the waters of Bethesda into waters of life. He is therefore the true water of Bethesda and the true angel of the Lord who this time does not give healing to a single person, but to a multitude. He goes on to say:

“But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.” (John 4:14)

Jesus, unlike Bethesda, who brought the outer solutions, also brings the inner solutions of reconciliation with God and eternal life for the world to come. But, He does not limit Himself there, He makes of those who drink it, therefore receive it «wells of water», which means that He not only heals you, but also sends you to heal other sick people. With Jesus Christ, we will witness a revolution in Bethesda, you just receive Him and begin to manifest the Glory of Divine healing. Like Jesus, who is the living water of charity and happiness of Bethesda, receive Your divine healing. Bethesda was the shadow of things to come.

Now accept Jesus Christ fully and let yourself be healed by Him and let Him use you now to heal others.
