TESTIMONIALS FROM THE PREVIOUS EDITION

We remind you that these testimonies cover the latest edition of the Healing University to date. Some names have been changed for privacy reasons. These testimonies represent not even a hundredth of all that the Lord has accomplished, but they are a few selected elements to strengthen and boost your faith. May the Lord bless you abundantly, and we look forward to sharing your own testimony with you soon.

Without a uterus, she marries and gives birth.

My sister lives in Canada. She experienced a lot of rejection from almost everyone. Men wouldn't approach her, and on top of that, she was getting older. She came to Cameroon to meet the pastor who prayed and prophesied over her. Afterward, I sent her the prayer links for each morning, encouraging her to pray. Then the Lord showed his grace, and a man approached her and married her. She, who despite her great beauty had been rejected by everyone. On the wedding day, our mother came to tell us, "Do you know, she had had a problem with her stomach in childhood, and her uterus had been removed? She said she wouldn't be able to have children." We replied, "The God who made this marriage possible will also provide the babies." We saw the testimony from the Healing University, 6th Edition, where a woman had given birth without fallopian tubes, and we connected with that testimony and prayed. And the living God, who works during the Healing University, showed grace; she became pregnant and gave birth. Today the child is four months old. Glory to Jesus! I pray that the miraculous Lord who gives children at the Healing University will continue to do so for all who come this year. Amen!

FROM ISLAM TO CHRISTIANITY: MIRACULOUS CURE OF TERMINAL TUBERCULOSIS

I had tuberculosis. At that time, I was working for a large local company, MTN. Because of the illness, I lost my job. My health deteriorated significantly, to the point where I was considered terminally ill. Many people were already thinking I would die. That's when I met a mother, the daughter of Pastor Joseph Calvin, who introduced me to the Jehovah Jereh Rapha Sabaoth online morning prayer service. This mother began praying with me online every day. I continued the online prayer sessions with Pastor Joseph Calvin. Day after day, we prayed with faith. Miraculously, the Lord Jesus Christ healed me. This illness, which the doctors had declared incurable, completely disappeared. When I returned to the hospital for checkups, the entire medical staff came to see me. The results clearly confirmed my complete recovery. After that, I traveled with my whole family from Yabassi to the Winners' Assembly in Yaoundé to give thanks to God for this extraordinary miracle.

Moved by what the Lord has done for me, I made a significant decision: I left Islam to give my life to Jesus Christ. Following this decision, my entire family and I converted to Christianity.

TESTIMONY OF A MIRACULOUS CURE FROM SICKLE CELL DISEASE

I give all the glory to the Lord Jesus Christ for the complete healing granted to my little girl. My little girl had sickle cell anemia. She was constantly ill, very fragile, as is often the case with children suffering from this disease. We suffered greatly in hospitals, without any real solution. One day, I decided to go and see Pastor Joseph Calvin with my child. When he prayed for her for the first time, we went home. That's when my daughter, who was less than three years old, told me, "I'm not SS anymore, I'm AA." I was very surprised. I couldn't understand how such a young child could speak like that. I began to rejoice, because I knew something had happened. I spoke to Pastor Joseph Calvin, and he asked me to first go to the hospital for confirmation tests. We returned a second time for prayer, and then we decided to go to the hospital for the medical tests, as the pastor had requested. To our great surprise, everything had changed. The results showed that the child's genotype had been transformed. The one who had been diagnosed with sickle cell disease no longer had it. The sickle cell disease had completely disappeared. Today, my little girl is fully healed and free from this disease, once considered incurable. I thank the Lord Jesus Christ infinitely for His blessings in my life and in the life of my child.

Heals during times of worship at the Healing University.

I had a serious car accident while driving a taxi. By the grace of God, none of the five people in the car were injured. But 48 hours later, a pain started in my chest. The pain was so excruciating that even teaching became very difficult for me, as I am a math teacher. After hospital visits and other things, it still wasn't easy. During the Healing University, I arrived early and took my seat. Unable to stand, I sat down. Then, during worship, when a song that I loved and that deeply moved me began to play, I desperately wanted to stand up to worship God. That's when I heard a noise, like something was moving in my chest, but because I was caught up in the joy of the song, I didn't pay attention. It was only much later that I looked and felt the pain disappear. And to this day, a year later, I have never experienced that pain again. I would really like to say that you shouldn't always wait for the shepherd to arrive before you begin to pray. The entire Healing University is dedicated to God, and your miracle can happen at any moment.

Rescued from suicide, travel, financial miracle, cancelled operations, joy of living

I was abused for 15 years, starting in my teens, by a close relative, and I was removed from that environment through marriage. It wasn't until 15 years after my marriage that I decided to open up, and it was at that time that I suffered such a powerful spiritual attack that I wanted to end my life. A spirit wanted me to commit suicide; I left home to do so, but thanks to Jesus, I was found by my husband and taken to Pastor Calvin, who delivered me, and the Lord completed the healing process during the 3rd edition of the Healing University.

So I fully committed myself to following Jesus and always contributing to the organization of the Healing University. At the 6th edition, after contributing as planned, the Holy Spirit asked me to take what I had set aside for a personal project and give it away. I resisted, because I had my own challenges, even though the amount wasn't enough to complete the project. Finally, obeying His instructions, I gave the money.

On the Saturday of the closing session of the Healing University, right after resting, I checked my phone and saw a large deposit: enough money to complete my project. Following this deposit, several more poured in throughout the week. Before the end of the month, I received an invitation to go to Burkina Faso, and the money to cover all the expenses was also released without any problem. Jesus enabled me to complete my project, and in addition, He enabled me to travel and showered me with many gifts in Burkina Faso.

During my stay, He again granted me the grace of sharing the Gospel with a woman who was scheduled for knee surgery. After praying for her and anointing her with the healing oil from the University of Healing, her knee was healed and the surgery was cancelled.

Jesus changed my life, and today my joy grows daily; I feel more and more fulfilled. I no longer feel rejected or useless. Jesus has made me understand that I am loved and cherished by him.

HIV/AIDS CURE

We give glory to the Lord Jesus Christ for the miraculous healing of one of our best friends, who was suffering from advanced HIV/AIDS. Her condition was very critical and had led her to withdraw into herself, to the point of cutting off almost all contact with the outside world. During the 2021–2022 Healing University, we invited her to participate, but she did not respond. Despite this, my husband and I decided to pray in faith for her

complete healing. After these times of prayer, she returned to the hospital and continued antiretroviral treatment. However, her condition seemed to worsen. She then consulted another healthcare worker who, after examinations, gave her surprising news: she no longer had HIV/AIDS. She was immediately advised to stop treatment. Today, four years later, she is completely healed by the power of Jesus Christ. She actively participates in the Winners' Assembly and leads a fulfilling life. We bless the Lord for this miracle and pray that He will do the same for many others.

MIRACULOUS CURE OF PIGS (SWINE PLAGUE)

I had an extraordinary experience with the Lord, and I want to give Him all the glory. One evening, when I came home from work, I realized that all my pigs were seriously ill. They had been attacked by swine fever. Among them was a pig I had already set aside as an offering for the church at the end of the year. Faced with this situation, I declared in faith, "My pigs will not die in the name of Jesus Christ." I prepared their feed, chose a specific time, laid my hand on them in faith, and prayed. Then I went to work. When I returned that evening, they hadn't eaten. Undeterred, I began to pray again, declaring that Jesus Christ, the One who heals people, also heals animals. The next day, I again carefully prepared their feed, but they still wouldn't touch it. On the third day, I persisted in prayer, reminding the Lord that a pig had already been set aside as the firstfruits and offering to Him. I implored His mercy for the healing of my pigs, and then I went back to work. When I returned on the evening of the third day, a miracle had occurred: the pigs had eaten everything, and the swine fever had completely disappeared. They were healed. I bless the Lord Jesus Christ for this miracle, knowing that swine fever is recognized as an incurable animal disease. But nothing is impossible for our God. Jesus remembered me, and He acted powerfully.

CURE FOR LEUKEMIA (BLOOD CANCER)

I give glory to the Lord Jesus Christ for what He has accomplished in my older brother's life. My older brother had been diagnosed with blood cancer, called leukemia. This news devastated him. He was discouraged, barely ate, and remained shut in at home, in a state of utter despair. When I learned of the situation, working in the medical field myself, I was deeply affected and profoundly frustrated. I consulted my colleagues, who simply told me, "You know how it is." Faced with this, I decided to turn to God in prayer. I chose to undertake a three-day fast to intercede for my older brother's healing. To my great surprise, at the same time, Pastor Calvin announced a three-day fast with online prayer. Without hesitation, I joined this three-day fast and prayer, and each morning I prayed with him. Without knowing me, without knowing where I was or what my situation

was, the pastor regularly spoke words of healing concerning leukemia. He proclaimed victory and healing through the power of Jesus Christ. After these three days of fasting and prayer, my older brother returned to the hospital for further tests. To the doctors' astonishment, the leukemia had completely disappeared. He was totally healed. I give all the glory to the Lord Jesus Christ for this miracle performed in my older brother's life. Blessed be His name.

THROAT CANCER HEALING AND SPIRITUAL RENEWAL

I want to give immense glory to the Lord Jesus Christ for my brother's healing and the transformation of my life. It all began when I learned, through our family group, that my brother in Canada was suffering from very advanced, almost terminal, throat cancer. This news led me to turn to prayer. My sister wanted to meet Pastor Joseph-Calvin. Being wary of churches, I went with her to reassure and protect her. Once there, the pastor asked if there was a prayer request. After a brief hesitation, I shared my brother's situation. He prayed with faith, affirming that my brother would be healed. And by the grace of God, some time later, my brother was indeed completely cured of throat cancer.

This experience has also transformed my own life. I had reached a point where I was no longer taking care of myself, discouraged and a little lost. But by joining the Winners family, I rediscovered fulfillment, I started taking care of myself as a woman again, and I am now able to pursue my dreams and God's plan for my life. I thank God for this healing and for the new joy He has brought into our lives.

HEALING AFTER 35 YEARS OF MADNESS

In my family, several of my brothers have been afflicted by the spirit of madness. Last year, during the Healing University, I made the decision to seek out my older brother, who had lived in this state for thirty-five years. I brought him to the Healing University in faith. After the five-day program, the Lord powerfully visited him. He regained his full lucidity and mental health. From that day until today, he is completely normal. What medicine and men could not do in thirty-five years, Jesus Christ accomplished in just a few days. I thank the Lord greatly for this glorious miracle. This year, I brought another brother. And I firmly believe that the same God who visited the first one last year will also grant His grace to this one. To Jesus Christ be all the glory.

MIRACULOUS DELIVERANCE OF HIS DAUGHTER FROM CHRONIC DEMONIC POSSESSION, ASSOCIATED WITH MEMORY LOSS

My daughter was doing well until one day, upon waking, she began seeing strange images and people, completely losing control of herself. We sought help from herbalists, fetish priests, and even some religious people, but no lasting solution was found. Despite prayers and significant expenses, the problem always returned. One day, I was advised to go and see Pastor Calvin. Although he was no longer in town, I learned that he was organizing a healing program at the stadium. So I took my daughter there. For several days, no improvement was visible. But finally, after the anointing with oil, a supernatural change occurred. That same day, around 6 p.m., my daughter fell into a deep sleep and slept all night, something that had never happened before. Since that day, she has been completely cured. Today, eleven months later, she is doing very well. I give thanks to Jesus Christ for this deliverance and, touched by His faithfulness, I have decided to become a member of the Congregation of the Winners.

COMPLETE RECOVERY AFTER A LONG ILLNESS

I was ill for a long time without finding a solution. Despite medical consultations and seeking help in many places, including my old church, I couldn't find it. In fact, after attending the funeral of a family member in the village, my health deteriorated so badly that I felt death was near. One day, I decided to go and see Pastor Joseph Calvin, who prayed with me. The next day, while I was getting dressed, I heard an audible voice say, "Dress well." I was frightened and ran out of the room (it was the audible voice of God). Arriving at the church one Sunday, I listened to a brother's testimony about how God had healed his pigs. I then said, "If God healed pigs, He can heal me too, because I am worth more than pigs." I accepted this testimony by faith, and the Lord completely healed me. Today, I am in excellent health, and all those who saw me sick are amazed to see me so well. I give all the glory to the Lord Jesus Christ for this miracle.

DELIVERANCE AND HEALING FROM HEAVY BLEEDING

Before, I wasn't a convert, and herbalists were our main source of support. At that time, I suffered from heavy and persistent bleeding. Every month, I lost so much blood that my life was seriously in danger. I went to many hospitals, but no solution was found. I also consulted several herbalists, without any results. One day, we went to another herbalist who gave us remedies, saying that we had to ask my husband's opinion before pouring

them down the toilet. When I told my husband, he reacted by saying, "So this herbalist says I'm the cause of your illness, since it's in the toilet? Go ahead, pour the remedy down the toilet." We did, but nothing changed (herbalists know how to divide families). My condition continued to worsen. I was very weak, almost dying, and the situation seemed completely hopeless. That's when I joined the community led by Pastor Joseph Calvin. After several months of prayer, he told me, "Your solution will come through receiving Holy Communion." I obeyed in faith. After receiving Holy Communion, a miracle occurred. The next day, I woke up without any bleeding. What had returned every month for so long had completely disappeared. Today, several years later, I am in perfect health. I give thanks to the Lord Jesus Christ for this extraordinary miracle. I will be grateful and faithful to Him all the days of my life.

RESTORATION OF FERTILITY (INFERTILITY BROKEN)

I give all the glory to the Lord Jesus Christ for what He has accomplished in the life of one of my best friends. He had been married for many years without being able to conceive a child with his wife. Faced with this situation, I decided to invite my friend to participate in the Healing University so that he could place his trust in the Lord with faith. By the grace of God, after the last Healing University session, his wife became pregnant. Some time later, they welcomed their child, filled with joy and gratitude to God. The last time we met, the couple was overjoyed. They were already asking me enthusiastically, "When is the next Healing University session?" I give glory to the Lord Jesus Christ for what He has done in the life of my friend and his family. To God alone be all the glory.

INSTANT CURE FOR GOITER

I give all the glory to the Lord Jesus Christ for the miraculous healing granted to my wife. My wife had suffered from a goiter for several years. Her neck was severely swollen, which became very embarrassing for her. Even when she had to move around, she used to curl her neck to hide the swelling because she was ashamed of how others would look at her. This situation had become very difficult to live with on a daily basis. Last year, she attended the Healing University. During one of the highlights, the pastor came down into the crowd. When he looked at my wife, he addressed her with authority: "If I am a man of God, let this lump disappear immediately." At that very moment, the goiter disappeared. The lump completely vanished before our eyes. From that day until today, my

wife is completely healed and delivered from the goiter. I give glory to the Lord Jesus Christ and thank Him immensely for this miracle. I believe and I confess that this edition of the Healing University will produce the same miracle in the lives of many other people.

MIRACULOUS TRANSFORMATION OF ACADEMIC RESULTS

After obtaining my English-language baccalaureate with a very good average, I faced a challenge: the program I wanted to pursue wasn't offered at an English-speaking university. I was therefore forced to enroll in a French-speaking one. Despite the language barrier and the difficulties of adapting, I was able to complete and pass my first two years. Following this, I took the BTS exam. When the results came out, I received a "*Average*" grade. Upon learning of this grade, I realized it didn't reflect my efforts or my plans for my future and social integration. I then remembered the testimonies shared by the pastor, where he had prayed and God had changed his grades at school... Strengthened by these testimonies, I turned entirely to the Lord in prayer, with faith, asking Him to change my grade. When I went to collect my HND diploma, my grade had become "*Fairly Good*". I give thanks to the Lord Jesus Christ for this academic miracle He has worked in my life. To Him alone be all the glory.

TESTIMONIAL OF MIRACULOUS EXAM SUCCESS (BLOCKAGE BROKEN)

My son is a twin, and for many years he suffered from a spiritual blockage caused by someone very close to us, who had declared that this child would never succeed. Despite all my efforts, my efforts, and my search for solutions with various herbalists, fetish priests, and churches, nothing changed. One day, while I was shopping in a store, I noticed a man's picture displayed by the saleswoman. I asked her who this man was, and she told me he was her pastor. However, during the night, I had seen this man in a vision, and a voice asked me to go and see him about my child's problems. I then tried to find out which church he officiated at, and it was directed to me. I went there with my son. When I arrived, the man of God did not pray for my child. He simply looked at him and said to me, "*If I serve the living God, this child will pass his exam this year.*" "*Madam, go back with your child.*" I was very disappointed, as I had expected a direct prayer. But since it was the word of a man of God, I chose to believe. On Monday, the first day of the exams, great difficulties arose. I couldn't find a taxi to take me there. Time was passing, and I finally begged a motorcycle driver to take my child to school. Despite their best efforts, they couldn't find the exam center in time. It was already 2 p.m., and my child hadn't taken the core subjects for the first day, which is the most important day for English speakers. Logically, it seemed hopeless. Despite this discouraging situation, I kept the faith. The next day, my child

continued the exams and took the remaining days. To everyone's great surprise, my son passed his exam, even though he hadn't taken the core subjects or the first day of the exam. I glorify the name of the Lord Jesus Christ for this extraordinary miracle.

MIRACULOUS CURE OF ATROSIS AND OPERATION CANCELED

For over two years, I suffered from excruciating back pain. Despite medical consultations and everything the doctors tried, no solution was found. The pain was so unbearable that I couldn't even climb the hill leading to my house, let alone carry anything. I even traveled to another part of the country to meet one of the great prophets so he could pray for me, but again, there was no improvement. Meanwhile, some people suggested solutions, which I refused, hoping only for God's intervention. During the mid-year fast, I came to participate in the prayers. Initially, I had come to pray about a matter related to a trip. I returned home, and the next day, I realized that the pain had completely disappeared. I could once again carry things, climb the hill without difficulty, and do everything that had been impossible for the past two years. Everyone around me was surprised by this sudden change. Without surgery, without a lumbar belt, Jesus healed me.

TESTIMONY OF A DOUBLE SURGERY CANCELED BY THE POWER OF GOD

I came to the Congregation of Winners on the recommendation of one of my neighbors because of serious health problems I was experiencing. I was scheduled to undergo my first foot surgery due to a life-threatening illness. The doctors had already planned the procedure. It was in this context that I arrived at the Congregation of Winners during a time of Holy Communion, as part of the mid-year fast period. That day, I received Communion with faith, fully believing in the body and blood of Jesus Christ. I placed all my trust in Him. After this communion, the power of God was instantly manifested in my life. When I returned to the hospital for a follow-up appointment, the doctors informed me, to their great surprise, that the scheduled foot surgery was canceled. The tests revealed that the illness was gone: I was already healed. Hallelujah. It must be said that this first operation was to be followed by a second surgical procedure due to another health problem, namely urinary incontinence from which I suffered. Imagine a mother like me who was constantly wetting herself. Again, surgery was considered the only solution. But after that same Holy Communion, I realized that the incontinence had completely disappeared. I no longer wet myself; it was all gone. Today, I am fully healed, without any surgery. I now attend the Winners' Assembly and I give all the glory to the Lord Jesus Christ for what He has done in my life.

INSTANT DELIVERANCE AND CURE FROM MADNESS

We had left Douala with our son to attend a wedding in Yaoundé. After the ceremony that same evening, our son suddenly began to rave. He no longer recognized me, no one else, spoke incoherently, and became completely uncontrollable. The situation was very worrying. On the advice of family members, we took him to the Winners' Assembly. There, the intercessory prayer team prayed intensely for him, under the pastor's guidance. Later that evening, the pastor also laid hands on him. On the way home, a change occurred. My son started eating again, something he hadn't been able to do before. Little by little, he calmed down, regained his full lucidity, his memory, and his health. He was completely healed. We have come to give all the glory to the Lord Jesus Christ for this powerful miracle He performed in our son's life. To Jesus Christ be all the glory.

SUMMARY OF TESTIMONIES FROM THE HEALING UNIVERSITY

Through the University of Healing, we have collected many powerful testimonies, fruits of the grace and faithfulness of our Lord Jesus Christ over the years, up to this day.

Among these testimonies, several beloved individuals received jobs instantly. Others, who had lost their jobs, now testify to a complete restoration of their livelihoods, with salaries reaching several million CFA francs, both in African countries and internationally. In the administrative and immigration fields, numerous miracles have occurred. Visas have been granted seemingly miraculously, and one particularly striking testimony recounts obtaining eleven visas in a single day.

We have also recorded numerous cases of healing: women who had been infertile for a long time conceived, so-called incurable diseases were cured, and several people were delivered from complex medical and spiritual situations. In addition, there are previously unpublished testimonies and, above all, many genuine conversions, testifying to the profound work of the Holy Spirit in hearts.

All of this leads us to give glory to Jesus Christ, the author and accomplisher of all these works. We thank Him infinitely. To Him be honor and glory, now and forever, in the name of Jesus Christ. We invite you to dare to participate in this edition of the Healing University, to believe with all your heart, for Jesus Christ will do for you what He has already done for so many others.

May it be your turn to share your testimony.

Shalom Elohim.

GENERAL CONDITIONS OF PRAYER

The Healing University is now in its 7th year, and by the grace of God, it has helped win countless souls for the Lord, while also bringing smiles back to the faces of individuals and families who had lost all hope. Testimonies of healing and the visitation of the Holy Spirit abound worldwide: infertile women have conceived, cancers have been cured, surgeries have been cancelled, bodily abnormalities have been corrected, diseases declared incurable have disappeared, HIV has been cured, one or two sickle cell patients, to my knowledge, have been cured (genotype change), extraordinary financial opportunities have opened, jobs have been renewed to the tune of millions per month, extraordinary business contracts have been secured, vocations have been revealed, homes restored, lives redirected... All glory be to Jesus Christ alone, the Author of all these wonders! Hallelujah!

This new edition of the Healing University is part of this continuity of grace, but it also marks a new spiritual dimension, with a particular emphasis on the action of the Holy Spirit in healing, deliverance, restoration and breakthrough, as well as on the biblical use of the spiritual mantle (handkerchief) and anointing oil as points of contact, without ever falling into idolatry.

WHAT IS THE HEALING UNIVERSITY?

The University of Healing is not a campus with buildings, lecture halls, and academic degrees. It is a program of prayer and spiritual training, during which:

1. We teach what the Bible says about divine healing, deliverance, and breakthroughs, in order to strengthen the faith of the participants: *"Faith comes from hearing, and hearing through the word of Christ."* Romans 10:17
2. We put these teachings into practice through prayer, the laying on of hands, declarations of faith, the biblical use of aids of faith, such as oil, cloaks (consecrated handkerchiefs), and sending participants out as channels of healing for others.

The University of Healing is therefore a school of the Holy Spirit, both theoretical and practical. Each person is called not only to receive their own healing, but also to become an instrument in the hands of the Holy Spirit for the healing of others.

Jesus did not say, *"These are the signs that will accompany the shepherds ..."* but rather, ***"And these signs will follow those who believe: ..."*** Mark 16:17

Thus, every born-again person who believes in Jesus Christ has already received within themselves, through the Holy Spirit, the ability to pray for the sick and to see God's hand at work. It's extraordinary!

CREATE PLACES OF PRAYER AND WHATSAPP GROUPS

We encourage you to experience this program in a group as much as possible:

- Create prayer spaces in your homes to break the fast together in the evening, if you are far from our local community.
- Form small prayer groups with your family, friends, colleagues, and neighbors.
- Create WhatsApp groups (or other platforms) to share prayer topics, teachings, verses, guidelines, and especially testimonies.

With the advance of digital technology, the world has become like a small village: even at a distance, we can pray together, encourage each other and follow the program in the same spirit online.

INVITE THE SICK AND YOUR ACQUAINTANCES

Don't keep this program to yourself. Invite others:

- the sick,
- discouraged people ,
- those who are affected by chronic or so-called incurable diseases,
- those who need a spiritual, family, or financial breakthrough.
- those who have immigration problems

Even if the case is said to be hopeless, Jesus Christ has no impossible case. What He has done for others in previous years, He can still do for you and through you. You can share the digital version of the program and the book, *Receive Your Healing Through the Holy Spirit* , with your contacts so they can follow it alongside you.

FASTING AND TIMES OF PRAYER

If your health allows, it is advisable to follow this program while fasting, for example:

- fasting during the day (until 6pm),
- or another rhythm according to your strength and the guidance of the Holy Spirit.
- If you cannot fast (illness, treatment, pregnancy, age, etc.), do not feel guilty: the essential thing is to faithfully respect the times of prayer and to commit yourself with all your heart.
- Start each day of the program with a time of prayer (Start at 4am or early morning and find us on the JJRS program on IWTM TV at 06:00 every day).

- Add times of prayer during the day, as the Holy Spirit leads you.
- In the evening, participate in prayer times (in person or online) to seal the day.
- Write down your revelations, your prophecies, and above all, share your testimony.

You can fast with dry food or by drinking water, according to your ability. The important thing is to remain at peace, obedient, and attentive to the Holy Spirit.

HOW TO USE THIS BOOK DURING THE PROGRAM

This book, *Receive Your Healing Through the Holy Spirit*, is a training and faith tool to accompany the Healing University:

- Read each chapter prayer after prayer, taking the time to meditate on the verses.
- Transform the teachings into declarations of faith about your life, your health, your family, your projects.
- Record your revelations, dreams, visions and testimonies throughout the program.

Do not read the topics and prayers as a recitation, but as a living dialogue with the Holy Spirit.

SPECIFICITY OF THIS YEAR

This year's distinguishing feature is twofold:

1. The Holy Spirit leads us to a deeper and more lasting relationship with Jesus Christ: not just receiving a miracle, but walking with the God of miracles. That's why we've gone to chapters 6, 7, and 8 to allow you to explore this further. This book is truly a pocket guide that will edify you and accompany you in your catechetical teaching. Alleluia!
2. He places particular emphasis on the spiritual mantle, used as biblical supports of faith for healing, deliverance and breakthrough, while warning against idolatry, fetishism and abuses.

During the program, a prophetic time will be devoted to the dedication of the anointing oil on Thursday, and the handkerchiefs/cloaks on Friday, which everyone will have brought, as points of contact of faith, in order to go and anoint the sick and place these safe cloaks:

- the sick,
- the homes,
- companies ,

- the projects,
- the houses,

According to the guidance of the Holy Spirit. But, be patient and receive the teachings and instructions described in the last chapters before you begin.

FAITH, TESTIMONIES AND HOPE

We encourage you to:

- to keep the faith until the end of the program,
- to send your testimonials (during and after) to the designated contacts,
- to pray also for others , and not only for yourself.

Some will receive their healing on the first day, others on the third, and still others at the end of the program. But we firmly believe that Jesus Christ will visit everyone, for: ***“Jesus Christ is the same yesterday and today and forever.” Hebrews 13:8*** . However, the reality is that many testimonies will take place on-site, and many more will be given at home .

INTRODUCTION

The Healing University is a prophetic season of divine visitation where Jesus Christ powerfully reveals Himself through the work of the Holy Spirit. Beyond physical healings, this program is also a time of supernatural solutions: exceptional financial breakthroughs, complete deliverance, unlocked immigration cases, royal appointments, restorations of destinies, and profound encounters with the Holy Spirit. More than just a program, it is an open door to a complete life transformation and, most importantly, to a personal encounter with Jesus Christ for the salvation of your soul—He who is the Author of all true healing, breakthrough, and elevation. Expect a visitation that will change your story.

CHAPTER I : WHO IS THE HOLY SPIRIT, THE AUTHOR OF YOUR HEALING? (1)

Dear readers, dear friends, we are about to embark on one of the most extraordinary adventures in human history and Christian literature. We will study the Holy Spirit, who is, in reality, the most powerful and important person in the world. Indeed, the Old Testament was governed by God the Father, who reigned unequivocally from the creation of the universe until John the Baptist (the last and greatest of all the Old Testament prophets). Then came the era of transition, dominated by God the Son, Jesus Christ, also called Emmanuel (God with us or God himself on earth). His time on earth was filled with holiness, healings, miracles, signs, and wonders. Humanity was comforted by his presence, for in his time, all his contemporaries could live without sickness or premature death. All who met him were healed, regardless of the illness (wow!). Unfortunately, or perhaps fortunately, he was suddenly crucified at the age of 33. The hope of the world collapsed; the world and the disciples who had found security with him lamented, saying, “We are now orphans...” It was at this moment that the words that would change the course of human history came from Jesus’ mouth. For a new being, possessing powers of healing, miracles, and wonders identical to those of Christ, was about to enter: the Holy Spirit.

“But when the Helper comes, whom I shall send to you from the Father, the Spirit of truth who proceeds from the Father, He will testify of Me. And you also will bear witness, because you have been with Me from the beginning.” John 15:26-27

Indeed, the Holy Spirit, for it is He who is being spoken of, is the third person of the Trinity, fully God, working today in the hearts, lives, healing, and deliverance of believers, in the Church, and in the world. He is not an impersonal force, but a divine person who thinks, speaks, teaches, comforts, guides, and acts with power. Let us explore Him in detail. As you grow, you must pray, asking the Lord for something new.

I-THE HOLY SPIRIT IS GOD

The line we are about to cross will prove to us that the Holy Spirit is God. Now, we know that *“nothing is impossible with God” (Luke 1:37)* ; therefore, nothing is impossible for the Holy Spirit. Your healing, your deliverance, your miraculous breakthrough are possible for Him. Here are some reasons why the Holy Spirit is God.

1- HE IS ETERNAL

"how much more shall the blood of Christ, who through the eternal Spirit offered Himself without spot to God, cleanse your conscience from dead works to serve the living God? Hebrews 9:14

The Holy Spirit is called "the eternal Spirit." He has neither beginning nor end and shares the same divine and eternal nature as the Father and the Son. That is why He can deliver you from death. Indeed, as soon as you have the Holy Spirit within you, you have eternal life within you. Hallelujah!

2- HE IS OMNISCIENT

"But God has revealed them to us through His Spirit. For the Spirit searches all things," 1 Corinthians 2:10.

If the Holy Spirit can fathom even the depths of God, we must understand that He knows all things perfectly: human thoughts, the future, and divine mysteries. He knows what is needed for your healing. He knows the thoughts of your business partners. He knows what to say and what not to say to secure a contract or a deal. Being omniscient means that He is present in every consciousness at the same time.

3- IT IS OMNIPRESENT

David declares, “ **WHERE CAN I GO FROM YOUR SPIRIT?** Or where can I flee from Your presence? If I ascend into heaven, You are there; If I make my bed in hell, behold, You are there...” **Psalms 139:7-8.** The Spirit of God is present everywhere, working simultaneously throughout the world. That is why we can pray online, and He reveals someone’s case in China, the USA, and elsewhere. Wherever the evil that troubles you is hiding, He is there. He can you come help if you Call him .

4- HE IS ALL-POWERFUL (OMNIPOTENT)

"The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. (Genesis 1:2)

He participated in the creation of the world and manifests unlimited power. He accomplishes what is impossible for humans. If He created the world, He can recreate your organs; He can replace the defective organs in your body. This is possible ! Hallelujah!

TESTIMONY

A family came to see me with their daughter who had sickle cell disease (SS). We prayed, and I begged the Holy Spirit to change her organs and her genotype. Some time later, she went to the hospital for tests, and the child no longer had sickle cell disease. I

have the results of the tests done at the Pasteur Center in Yaoundé on my phone. Hallelujah! This is what God can do for those who dare to believe in His omnipotence, through the Holy Spirit.

II. THE HOLY SPIRIT IS A PERSON

The Holy Spirit is the greatest wonder and revolution the world has ever known. He is not a force or an energy, as many believe. He is a person like you and me, for He speaks, He teaches, He intercedes for the Church, He can be grieved, He gives commands, He guides decision-making, and much more.

1- THE HOLY SPIRIT SPEAKS

*As they ministered to the Lord and fasted, the **HOLY SPIRIT SAID, "NOW SEPARATE TO ME BARNABAS AND SAUL FOR THE WORK TO WHICH I HAVE CALLED THEM."***

(Acts 13:2)'" Acts 13: 2

After an intense period of prayer and fasting, the Holy Spirit asked the apostles to set apart Paul and Barnabas for the work to which He had called them. You see, here He is the one who made the decision, because He is God and He also spoke clearly. Truly, truly, you can beg the Holy Spirit to say a word about your health or your project. You can call upon Him, and He will answer you audibly. Try it now by speaking to Him about your situation... Speak, even if you have to cry, laugh, dance before Him, do it with the conviction that He is listening to you, and the outcome will amaze you! Yes, yes, the outcome will amaze you. I heard the audible Voice of God a month after my conversion.

2- THE HOLY SPIRIT TEACHES

*"But **THE HELPER, THE HOLY SPIRIT**, whom the Father will send in My name, He **WILL TEACH YOU ALL THINGS**, ..." John 14:26*

He recalls and explains the Word, dreams, visions, exercises, diagnoses... He teaches economics, chemistry, political science, medicine, physics, business, cooking, household management... He acts like a scholar who illuminates the spiritual and physical intelligence of humankind. Dear friends, ask Him questions and He will answer you. Don't limit yourselves to biblical matters, but go beyond them: He will enlighten you as He did Daniel and Joseph, so that you may become experts, even without formal training.

TESTIMONY

LeTourneau explains how, after his conversion at the age of 32, the Holy Spirit taught him how to build heavy machinery similar to today's Caterpillar machines. He had dropped out of school at 13 because he couldn't understand anything. Even more

concerning, his parents had recognized his intellectual disability from birth and named him " LeTourneau ," meaning "the idiot." But look how the Holy Spirit transformed this uneducated "idiot" into one of the most formidable scientists of his time. The American government awarded him contracts for the most powerful machines capable of moving mountains. He delivered 70% of the machinery to the Allies during World War II. The Holy Spirit taught him what the intellectuals of his century couldn't grasp. Hundreds of engineers from the École Polytechnique came to train under him, sent by the prestigious engineering schools and the government. He owned four private jets, which he and his teams used to travel to preaching destinations every weekend, as he worked Monday through Friday and then went to preach Jesus Christ in various countries and states. A university was founded in his name. This is what the Holy Spirit can do. He is the best teacher. Let Him teach you.

If you are called an idiot, a nutcase, or if you have a brother, a sister, or children who are mentally retarded, invoke the Comforter, the Holy Spirit, so that He may intervene on their behalf, and the turn of events will surprise you.

LETOURNEAU ET QUELQUES UNES DE SES REALISATIONS

3- THE HOLY SPIRIT INTERCEDES

*“Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, **BUT THE SPIRIT HIMSELF MAKES INTERCESSION FOR US WITH GROANINGS WHICH CANNOT BE UTTERED.** Now He who searches the **HEARTS KNOWS WHAT THE MIND OF THE SPIRIT IS, BECAUSE HE MAKES INTERCESSION FOR THE SAINTS ACCORDING TO THE WILL OF GOD.** “ (Romans 8:26-27)*

The Holy Spirit prays for us when we don't know how to pray, expressing God's perfect will. That's why you must always hold onto hope as long as you breathe. You are

not alone. The Holy Spirit intercedes for you. This illness will not overcome you in the name of Jesus.

To make the Holy Spirit's intercession for you more effective, it is good to pray often, because the more you pray, the more you set the Spirit in motion, and the greater His intercession for you becomes. Speaking in tongues will be a great support to you. Indeed, when you speak in tongues, you allow the Holy Spirit within you to pray for you according to God's perfect will, and your prayer becomes more effective. Even when you pray for someone who is sick or for any other problem, activate the power of speaking in tongues.

TESTIMONY

Kenneth Hagin testifies how, in the 1950s, while traveling for a campaign, he was moved by the Holy Spirit to spend a long time praying in tongues. Two weeks later, he returned to town to check on his family, as there were no cell phones in those days. Once there, he learned that his older brother had been dying two weeks earlier. Clinically speaking, he was unable to be cured, but against the doctors' expectations, he miraculously recovered. When Kenneth Hagin checked the day and time of his healing, he realized it had occurred on the same day and at the same time the Spirit had moved him to speak in tongues. He then understood that the Holy Spirit had unconsciously used him to pray for his brother through speaking in tongues. Speaking in tongues proves to be very powerful for personal growth. spiritually.

4- HE MAY BE SADDENED

“ DO NOT GRIEVE THE HOLY SPIRIT OF GOD , by whom you were sealed for the day of redemption.” Ephesians 4:30 .

Just as a person can be frustrated, so too can the Holy Spirit be frustrated by one's attitude. Indeed, He is a sensitive being: He can be grieved by sin, words, and bad decisions. Let us return to our text through these verses to see precisely some of the things that can grieve the Holy Spirit:

"Let the thief steal no longer, but rather let him work, doing honest work with his own hands, so that he may have something to share with anyone in need. Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. Do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness, wrath, anger, clamor, slander, and every form of malice be put away from you. (Ephesians 4: 28-31)

The text states that the following elements grieve the Holy Spirit:

- stealing
- Lying: even small lies frustrate the Holy Spirit

- Bad words: saying bad words about yourself or others frustrates him.
- Bitterness drives away God's power and blocks healing and miracles. Be positive.
- The animosities: disrespect and brutality
- Anger: Elisha and Moses saw the Spirit of God depart from them
- The clamor: disloyalty and disputes frustrate the Holy Spirit
- Slander: it brings a curse upon yourself.
- Evil: it's those who destroy and do evil.

In addition to these, there is also impurity, uncleanness, debauchery, and other such things. You must abandon all these things to allow the Holy Spirit to manifest Himself powerfully.

5- THE HOLY SPIRIT GIVES ORDERS

“THEN THE SPIRIT SAID TO PHILIP, “GO NEAR AND OVERTAKE THIS CHARIOT.” So Philip ran to him, and heard him reading the prophet Isaiah, and said, “Do you understand what you are reading?” Acts 8:29-30

The Holy Spirit guides believers in practical actions and divinely orchestrated decisions. As you read this book, be sensitive to the voice of the Holy Spirit: He may give you an instruction to follow, and you must obey Him, for that is how you will receive an answer to your prayers.

In 2013, I was praying for my academic godfather, Reverend Professor Lekunze F. Edward, for his healing. After spending an entire night in prayer for him with my prayer partner, we saw a sick young man in the morning, abandoned and alone. The Holy Spirit instructed us to give him the money we had and take him to the hospital as a sacrifice for my godfather. After this act of faith, the miracle occurred, and my godfather was healed, while everyone expected him to die. To this day, he is alive, and I am sitting with him at the table as I write this testimony. Glory to Jesus! Be responsive to the guidance of the Holy Spirit.

6- THE HOLY SPIRIT GUIDE

“For as many as are LED BY THE SPIRIT OF GOD, THESE ARE SONS OF GOD.” Romans 8:14

He leads those who belong to Christ and shows them the way. For your life decisions, read this verse and draw closer to the Holy Spirit. He is able to guide and direct you in your choices. I have seen people die because of misdiagnoses or medical errors. When the Holy Spirit guides you, He spares you from mistakes and misdiagnoses. Many people have lost enormous sums of money simply because they lacked guidance. Your life

then takes on its full meaning. The Spirit will guide you in your business, your projects, and your endeavors. In your home and family, you need His guidance to go far.

POWERFUL PRAYERS: RECEIVE YOUR ANSWERED PRAYER WHILE YOU PRAY

***Here is how to pray:** take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if there are any, take authority over the environment, make the prayers not like a recitation, but persist... If you fall or your body heats up and other things, do not stop, persist, do not neglect your dreams and visions.*

Continue with your personal topics and those that the Holy Spirit will reveal to you.

CHAPTER I: WHO IS THE HOLY SPIRIT (Part Two)?

III- THE HOLY SPIRIT IN THE WORK OF SALVATION: THIS IS THE INITIAL SCHEME OF ALL HEALING AND BREAKTHROUGH

The initial blueprint for all deliverance and healing is breaking with Satan by accepting Jesus Christ into your life as your Savior and Lord. Accepting Jesus Christ is simply changing your god. It's moving from the insignificant god you served to the glorious God revealed in Jesus Christ.

1- THE HOLY SPIRIT CONVINCED OF SIN

*"And when He has come, **HE (THE HOLY SPIRIT) WILL CONVICT THE WORLD OF SIN, AND OF RIGHTEOUSNESS, AND OF JUDGMENT:***
John 16:8

The Holy Spirit opens spiritual eyes and prompts us to recognize our sin and our need for a Savior. You need to receive Jesus to experience your miracle. If you hear His voice asking you to abandon witch doctors, fetishes, and witchcraft altars, then convert. Abandon sexual immorality, adultery, and fornication to turn to Jesus, who is eternal life. From that moment on, you activate the power of God within you. Hallelujah!

2- IT PRODUCES NEW BIRTH

*" ... **UNLESS ONE IS BORN OF WATER AND THE SPIRIT**, he cannot enter the kingdom of God. " John 3:5-6*

After conviction of sin, the Holy Spirit brings about the new birth. He regenerates the spirit of man and imparts to him the life of God. It is not church membership that saves, but birth by the Spirit. When you sincerely receive Jesus Christ, the Spirit of God gives you new life. The old has passed away; the new has come (2 Corinthians 5:17). From there, your miracle can begin to manifest, for sickness, tumors, cancers, oppression, poverty, witchcraft, and possessions are among the old. You can now confess your new identity in Jesus Christ over yourself and see your healing and growth become effective. When the Bible says that the old has passed away, it is not only spiritual, but also physiological and physical. Hallelujah! If you do not see this physically, use the power of your tongue to confess it, and you will see it fulfilled (Proverbs 18:20-21). Hallelujah!

3- IT REGENERATES AND TRANSFORMS

*“not by works of righteousness which we have done, but according to His mercy He saved us, through the washing of regeneration and **RENEWING OF THE HOLY SPIRIT**” Titus 3: 5*

After the new birth, the Holy Spirit continues His work by transforming the character, thoughts, and way of life of the new convert. He removes bad habits, addictions, anger, hatred, bitterness, betrayals, and rebellion, and He establishes holiness. The more you walk with Him in prayer and obedience, the more His power works in your life. It is this inner transformation that attracts healing, deliverance, and great breakthroughs. Glory to Jesus! Regeneration is also cellular; your cells are transformed, the dead come back to life, and old, defective organs are regenerated. Believe and claim, and you will see it become real. You are young; refuse to accept sickness under the pretext of old age. Moses died at 120 years old, full of strength and vigor. His eyes were not diseased: **“Moses was 120 years old when he died; his sight was not dim, nor his strength failed.” Deuteronomy 34: 7.** Even in terms of his physical strength, he could still procreate. Hmmm ! In Christ, through the Holy Spirit, we become supernatural beings. Glory to Jesus!

4- HE DWELLS IN THE BELIEVER

***“OR DO YOU NOT KNOW THAT YOUR BODY IS THE TEMPLE OF THE HOLY SPIRIT** who is in you, whom you have from God, and you are not your own? 1 Corinthians 6:19*

When you receive Jesus Christ, the Holy Spirit doesn't just visit you; He comes to dwell within you. Your body becomes His dwelling place, His temple, His home. You no longer walk alone; God now walks with you. That is why you must flee from sin, impurity, and everything that defiles the body, for you now carry the presence of God within you. Sickness or a demon can no longer dwell within you, except if they exploit your ignorance. God cannot live in a sick body; therefore, confess His nature over you, commanding whatever is not of God in your life to be released in the name of Jesus.

You will see this come to pass. When God comes to dwell within us, it is to bring back into our being the life of Genesis 1 and 2 where everything God created was good.

IV. THE HOLY SPIRIT IN THE LIFE OF THE BELIEVER

1- THE HOLY SPIRIT FILLED

“And do not be drunk with wine, in which is dissipation; **BUT BE FILLED WITH THE SPIRIT**” Ephesians 5:18

The Holy Spirit continually fills the believer with power, joy, peace, and divine health. When He fills you, sadness recedes, weakness disappears, and confusion vanishes. Refuse to live an empty spiritual life. Ask the Holy Spirit daily to fill you, and you will

walk in victory. You can also ask for the baptism of the Holy Spirit, and the power of God will come upon you. It will release supernatural gifts within you, and you will become a different person. Hallelujah! We'll come back to that.

TESTIMONIALS

One day I was sick and had bought medication for my treatment. I was still at university and a Christian in the Soa parish. A woman called me to discuss her problem. It was so serious that I decided to help her before starting my own treatment. The moment I began praying with her, the prayer grew stronger and stronger. Suddenly, the Holy Spirit filled the space and resolved this mother's problems. I, too, was instantly visited and healed. I no longer needed the medication. Glory to God! Experience the fullness of the Holy Spirit.

I have regularly witnessed this in my calling, with people receiving miracles and healings after being filled with the Holy Spirit. I was leading the Wednesday noon prayer service one day when the Holy Spirit descended and seized a woman. She began running around the front of the church. After the service, the woman was about to go back inside to sit down when she started saying, "Where's my crutch?" She was now walking normally; she had been healed. Hallelujah! That crutch stayed at the church! A week later, the man who had been torturing her with witchcraft and controlling her with a magic mirror died suddenly. Indeed, everywhere she went, the man would call her to tell her where she was. When she went to a church for deliverance, as she left, he would call her on the phone to mock her, reminding her that no church could do anything against him. But that day, when she arrived at our place, Sabaoth, through the Holy Spirit, intervened, and the strong man fell. I declare this is someone's portion in the name of Jesus! I met with the sister just recently; she had changed so much. In the meantime, she has had much success in her family. Everything has been resolved. Some of the children have traveled, others have entered medical and engineering school, and there have been many other financial wonders. She was happy and had traveled from Eseka to come and share her testimony. Hallelujah! When the Holy Spirit fills you, He solves even problems you weren't aware of. He doesn't just solve the immediate problem you present to Him, but even those you can't imagine. Thank you, Jesus Christ.

2. THE SANCTIFIED HOLY SPIRIT

*“ I say then: **Walk in the Spirit, and you shall not fulfill the lust of the flesh.** ”*
Galatians 5:16

The Holy Spirit gives us the strength to overcome sin, the flesh, and evil passions. He helps us say no to evil and yes to God. Without the Holy Spirit, it is impossible to live a holy life. But with him, victory over sin becomes a daily reality. Glory to Jesus!

Many often say, “When I stop lying, stealing, and living a life of immorality, then I will convert.” This is a misunderstanding of the Gospel, for conversion takes place as we are, and the Holy Spirit does the rest by instilling in you a loathing for sin. It is He who transforms you. He does not seek the righteous, but sinners whom He will make righteous. I am not talking about sinners who will become righteous through their own efforts, but sinners whom He will transform into righteousness. Prostitutes like Mary Magdalene who will become evangelists; robbers who will become righteous; tax collectors who will become saints; idolaters who will become preachers of holiness... Come to Jesus as you are, and the Holy Spirit will do the rest.

A sister told me her story: how, even after her conversion, she still craved nightclubs. Before her conversion, she had been a regular at them. So, one day after her conversion, she went to a nightclub, bought half a bottle of whiskey, just like in the old days, and perhaps even had a cigarette. She started drinking and crying; the more she drank, the more she cried. What had once brought her joy had become a source of sorrow. Overcome with grief, she left the nightclub in shame, as if she were being chased, and went home. She repented, wept, and wept bitterly, regretting her actions. Today, she is a pastor. This is what is called the work of the Holy Spirit in the life of a believer. The Spirit within her could not bear the nightclub and became uncomfortable, very, very uncomfortable, and took away her peace.

One of my catechumens told me she used to steal 2,000 CFA francs from her boss's till every night. After her conversion, she still tried to steal the same 2,000 CFA francs, but she would be overcome with shame, as if the whole world were watching, and a voice would compel her to hand it over. Only after obeying did she find peace. This is the work of the Holy Spirit in the life of a believer.

When the Lord touches you, the Holy Spirit helps you to live in holiness. Come to Him now, just as you are. Don't put it off until tomorrow, for it is written: “...Today, if you hear his voice, do not harden your hearts...” Hebrews 3:15

3- THE HOLY SPIRIT REVEALED

“Now we have RECEIVED, NOT THE SPIRIT OF THE WORLD, BUT THE SPIRIT WHO IS FROM GOD, THAT WE MIGHT KNOW THE THINGS THAT HAVE BEEN FREELY GIVEN TO US BY GOD.” 1 Corinthians 2:12

The Holy Spirit unveils the mysteries of God, illuminates the Word, and reveals God's will for your life. When He reveals something to you, it is no longer a doubt, no

longer a supposition: it is a profound conviction. He opens your spiritual eyes. Hallelujah, Amen !

We have sometimes had extraordinary cases of healing. For example, someone attends prayer, and afterward, the ailment that had been sought but not found is discovered. Once it is found, healing becomes possible. Some, in whom the illness had gone undetected and who had spent millions, find their healing with just a simple medical prescription costing almost nothing. This is, in fact, the work of the cross, the Holy Spirit coming to their aid. Glory to God! At my conversion, the Holy Spirit revealed to me my family's history, covenants that had existed for decades and almost a century before my birth. These things had kept my family in death, sickness, poverty, and other hardships. He did not stop there; He revealed what needed to be done to be delivered. We did it, and the yokes were broken. Today, we give glory to God, for the family moves forward despite new challenges. The Holy Spirit is older than your ancestors; Come to him, ask him to reveal the hidden things about your life and your family, your projects, your business, and you will be amazed. He will speak and you will guide . Hallelujah !

4- THE HOLY SPIRIT GIVES THE GIFTS

“ There are diversities of gifts, but the same Spirit. ” 1 Corinthians 12:4

The Holy Spirit distributes spiritual gifts according to His will: healings, miracles, prophecies, words of wisdom, discernment of spirits, speaking in tongues, etc. These gifts are not for glory, but to edify the Church and manifest the power of God.

You too should aspire to spiritual gifts. Many of the people you see working in healing ministries today are former sufferers. Benson Idahosa had epilepsy and was thrown into the trash by his parents. Thunder awoke him, and he was miraculously healed. He became one of the pioneers of the great revival in Nigeria. Thousands of healings have taken place through his ministry.

Kenneth Hagin was so ill that a pastor was summoned to pray for his peaceful death , as there was no longer any hope for him. He refused the pastor's prayer and instead chose to believe in the Bible, specifically Mark 11:24 : *"Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."* He was healed by the Holy Spirit and became a powerful apostle of healing throughout the world.

I was so sick that my mother's pastor told her that her son was about to die. She came to see me to organize a prayer vigil for me, to see if God could do anything. But that same day, when I returned from campus, as I was about to kneel before my bed to pray, a bright light struck my eyes and a voice said to me in French and English, "You are healed. Your future is Bright = your future is bright." That's how I received my healing and the gift of healing.

Today, thousands of people are being visited through the healing ministry that the Holy Spirit manifests through me. Several of my sons who assist me in this ministry today are former patients. You who are also sick, you for whom there seems to be no hope, understand that Jesus has a glorious plan for you. Expect the manifestation of the Spirit of healing in your life.

The same is true for business, studies, projects, and many other areas where you are experiencing difficulties. Not only will God deliver you, but He will also lead you to deliver others! Even bankrupt businessmen and women, come back, and the Lord will raise you up even better than before, and you will be a great testimony.

5- THE HOLY SPIRIT PRODUCES THE FRUIT OF THE SPIRIT IN THE BELIEVER

“But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness” Galatians 5:22

The Holy Spirit doesn't just give power; He also transforms character. That is, in fact, the ultimate purpose of the gifts of the Spirit. Where there was anger, He brings peace. Where there was hatred, He brings love. It is by these fruits that the world recognizes the true children of God. If you let the Holy Spirit work, your life will become a living testimony. You will see that these are not just the fruits of the Spirit, but "the" fruit of the Spirit. This means that these eight virtues constitute "the" character of God. Now, because we aspire to be like Him, we must also put on His eight values with His help. If you lack love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control, you must ask the Holy Spirit for help so that He may transform you and impact you with these values of your God. In reality, from the day of your conversion, these 8 values are yours.

CONCLUSION

The Holy Spirit equips believers, distributes gifts according to His will, calls forth ministries (pastoral, prophetic, evangelical, etc.), guides the Church in its mission, brings unity, and testifies that we are children of God. He has worked through healing in this program since its inception. All the miracles you have already experienced and will experience as a result of this program are His work. He is God; He is a living person who dwells within us. He guides us, transforms us, teaches us, sanctifies us, and equips us to accomplish God's will. He manifests God's power and presence in the world today.

- 17- Through the Holy Spirit, may my story of illness, weakness, and failure be transformed into a powerful testimony for the glory of God, in the name of Jesus,
- 18- Holy Spirit, raise me up from all spiritual, emotional, familial, or financial bankruptcy, and make me an instrument to raise up others, in the name of Jesus.

- 20- May every character trait that grieves the Holy Spirit (bitterness, animosity, anger, slander, malice) be uprooted from my life and replaced by the character of Christ, in the name of Jesus.
- 21- I declare by faith: the Holy Spirit dwells in me, transforms me, heals me, delivers me, makes me grow and equips me to perfectly accomplish the will of God, in the mighty name of Jesus Christ.

CHAPTER 3: 10 MIRACLES OF THE HOLY SPIRIT IN THE OLD AND THE NEW WILL FOR YOU (1)

Before we delve into these ten miracles of the Holy Spirit in the Old and New Testaments, I want to invite you, dear reader, to read these pages not simply as biblical stories, but as prophetic keys to your own life. The same Holy Spirit who worked yesterday is alive today, and He desires to manifest the same wonders in your favor. As you read this chapter, pay attention, open your heart, and take these testimonies as examples of what God also wants to do for you. Where you recognize your situation, claim your miracle, declare your healing, your deliverance, your restoration, your breakthrough in the name of Jesus Christ. Don't just be a passive reader: become an active believer, appropriating by faith what the Holy Spirit has already accomplished and still wants to accomplish today. Hallelujah!

I- THE GREATEST GIFT OF ALL TIME

The Holy Spirit is truly the one who does everything in the Bible. He has been present since creation and has always worked alongside the Father and the Son, and today, the Father and the Son have made Him available to us. Indeed, He is the secret of the Father and the Son, the one who did and still does everything for them. The principle of working with Him is simple. When the Father or the Son gives a command, a declaration, or expresses a wish, the Holy Spirit is the one who comes to fulfill it. This is true, as Jesus declares:

“But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have told you.” John 14:26

This is the greatest gift of the century. It's like two people who possessed a great secret that made them powerful, respected, and formidable, and who decided to make it available to the public. This, in fact, is the work of the Holy Spirit in the life of a believer. It's unimaginable. The Holy Spirit is the secret of the Father and the Son. It is through Him that They have done all things since creation, and today, He has given it to us. What great love! So, we will explore the Bible to see how the Holy Spirit has operated in biblical history. What is essential for you is that you understand that just as the Father and the Son declared and the Holy Spirit acted, you too must declare, and the Holy Spirit will act for you. Exactly as He did for them. That is why it is written:

“Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father; and whatever you ask in my name, I will do it, that the Father may be glorified in the Son. If you ask me anything in my name, I will do it.” John 14: 12-14

Let us begin the great journey, and you, I repeat , rely solely on the name of Jesus to declare him as Father and Son.

II- THE MIRACLES OF THE HOLY SPIRIT IN THE OLD TESTAMENT

1- THE CREATION

Dear readers, it was the Holy Spirit who created the world on the material plane, for the Father's role was to speak and the Holy Spirit to execute. Here is what is said in Genesis 1:2:

*"The earth was formless and empty, darkness was over the surface of the deep, and **THE SPIRIT OF GOD** was hovering over the waters. **"GOD SAID, 'LET THERE BE LIGHT,' AND THERE WAS LIGHT. "***

The Spirit of God was moving over the waters. This is the Holy Spirit, for wherever the Father is, He is also. Here, the world is in chaos. A complete mess, a total disaster , without head or tail. God uses the power of the Word and declares, “ **LET THERE BE LIGHT!** ” Wow , that's all the Holy Spirit was waiting for. Instantly, He goes to work and creates the light. Hallelujah! God continued in this way, simply declaring, while the Holy Spirit carried out His declarations, until the work of creation was finished. God's role was to speak, and the role of the Holy Spirit was to execute, to bring to physical manifestation what God had declared. It is the same for you. Declare and redeclare what you want to see in your life, and the Holy Spirit will bring it to fruition. Hallelujah! He created organs; if you lack an organ, you can declare it and command it to appear. The Holy Spirit will create another one to come and give it to you. Hallelujah! He replaces organs, recreates tubes, and does unimaginable things. He is the one who created when there was nothing, so He can still do it for you.

Dear readers, it was the Holy Spirit who created the world on the material plane, for the Father's role was to speak, and the Holy Spirit carried out. Here is what is said in Genesis 1: 2:

*“The earth was formless and empty, darkness was over the surface of the deep, and **THE SPIRIT OF GOD** was hovering over the waters. And **GOD SAID, ‘LET THERE BE LIGHT,’ AND THERE WAS LIGHT .”***

The Spirit of God was hovering over the waters. This is the Holy Spirit, for wherever the Father is, He is also. Here, the world is in chaos, utter disarray, a complete disaster, without head or tail. God uses the power of the Word and declares, “**LET THERE BE LIGHT!**” Wow, this is exactly what the Holy Spirit was waiting for. Instantly, He springs into action and creates light. Hallelujah!

God continued in this way, simply declaring, while the Holy Spirit carried out His declarations, until the work of creation was finished. God's role was to speak, and the Holy Spirit's role was to execute, to bring to physical manifestation what God had declared. The same is true for you. Declare and re-declare what you want to see in your life, and the Holy Spirit will bring it to fruition. Hallelujah! Don't try to understand how it will happen; it is His work. He alone knows how He operates. Just ask in the name of Jesus, and expect the results of the Holy Spirit! Hallelujah!

He created organs. If you lack an organ, you can declare it and command it to appear. The Holy Spirit will create another one to come and give it to you. Hallelujah! He replaces organs, recreates tubes, and does unimaginable things. He is the One who created when there was nothing, so He can still do it for you. He can create an organ, money, an opportunity, a job, a blessing...

2- THE RESURRECTION OF DRY BONES

Dear Winners, it is once again the **Holy Spirit** who performs here one of the greatest miracles of the Old Testament: **the resurrection of dry bones** . Here is what is written in Ezekiel 37: 1-10:

“The hand of the Lord was upon me, and the Lord carried me out in the Spirit... the valley was full of bones... They were very numerous and completely dry... The Lord said to me, ‘Prophesy...’ So I prophesied... there was a noise, and behold, there was a rattling, and the bones came forward... the sinews came forth, the flesh grew, the skin covered them... Then he said, ‘Prophesy to the Spirit... O Spirit, come from the four winds, and breathe on these slain, that they may live!’ The Spirit entered them, and they came to life and stood on their feet.”

Here we see a picture of utter death: no hope, no strength, no life, no human possibility. Everything is dry, broken, scattered, without a future. But when the Holy Spirit intervenes, death becomes life! Hallelujah! God asks the prophet to speak, and it is once again the Holy Spirit who carries it out. Wow! Bones move, nerves appear, flesh forms, skin covers, and finally the breath of life enters. Hmm

This teaches us a great spiritual truth: where everything is dead in your life, the Holy Spirit can still raise the dead! Is your marriage barren? Are your finances depleted? Is your health ruined? Does your future seem destroyed? Prophesy! Speak! Declare! And the Holy Spirit will act! Hallelujah!

The dry bones also represent incurable diseases, dead organs, buried projects, blocked finances, and lost opportunities. But when the breath of the Holy Spirit enters, there is healing, restoration, resurrection, and even financial breakthrough. Hallelujah!

What was dead begins to breathe again. What was impossible becomes possible. What was broken is rebuilt. The poor are enriched by the power of God.

Don't look at the dryness. Look at the power of the Holy Spirit! The same Spirit who raised these bones can raise your business, your work, your ministry, your destiny, your health, your home, and your finances. Hallelujah!

As in creation, God still speaks today, and the Holy Spirit still carries out His work. Today, God has delegated this power to us, like the prophet Ezekiel before the dry bones, declaring life upon what is dead in your life, and expect a supernatural manifestation. The Holy Spirit is the master of resurrections! Amen!

3- THE WORK OF THE HOLY SPIRIT IN THE HEALING OF NAAMAN

The story of Naaman reveals to us once again the miraculous power of the Holy Spirit in healing. The Bible tells us in 2 Kings 5: 1-14 that Naaman was a great army commander, a powerful and respected man, but a leper. Outwardly, he had glory, honor, and wealth; but inwardly, he suffered from an incurable disease. Like many today: visible success, but hidden suffering.

God uses a simple prophetic word to trigger the miracle. The prophet Elisha doesn't even touch Naaman, he doesn't even see him (for the Spirit had shown him the general before he appeared at the gate). He only instructs his servant Gehazi to deliver the message: "Go and wash yourself seven times in the Jordan." Humanly speaking, this seems unnecessary, illogical, even humiliating. Naaman becomes angry, he hesitates, he resists. But the miracle wasn't in the water; the miracle was in obedience, and behind that obedience was the silent but powerful work of the Holy Spirit. Glory to God!

When Naaman finally went down into the Jordan and immersed himself, the hand of the Holy Spirit worked. Once... twice... six times, nothing was visible yet. But on the seventh time, suddenly, his flesh became like that of a small child. Hallelujah! The leprosy disappeared completely! What medicine could not do, the Holy Spirit accomplished in an instant.

This healing teaches us a powerful truth: the Holy Spirit doesn't only work in glory, He also works in simplicity. He heals through a word, through an act of obedience, through an act of faith. And like Naaman, your healing can be gradual or instantaneous; it can begin on the first day of the program and end on the third or fifth day. But what is certain is that the Spirit of God is intervening for you. Hallelujah! A mother testified how, after the anointing with oil on Saturday morning, her daughter, who was suffering from aggressive possession and experiencing mental illness, was delivered at home on Saturday evening at 7:00 PM. This is what we call the work of the Holy Spirit in the life of a believer.

Naaman was not only healed in his body, but also restored in his heart, in his faith, and in his destiny. His illness had prevented him from fully experiencing joy, but after crossing the Jordan, he left free, purified, and renewed. In the same way, the Holy Spirit does not only heal physical illnesses; He also heals inner wounds, traumas, failures, and frustrations.

And even more, Naaman's healing opened a path to financial restoration and advancement. He, who had wanted to pay for his healing, understood that God's miracle cannot be bought, but after his healing, his destiny and future were transformed. When the Holy Spirit heals you, He never restores you halfway: He restores your health, your faith, your destiny, and even your finances.

Even today, the same Holy Spirit who healed Naaman is alive and powerful. If you obey His voice, if you believe His word, if you go down into your "Jordan" of faith, your spiritual, physical, financial, or emotional leprosy will disappear instantly in the name of Jesus Christ. In this program, many barren women receive the fruit of their wombs each year. This is not the work of a man, but of the Holy Spirit. It will be your turn this year in the name of Jesus Christ.

Declare your healing, walk in obedience, and expect a supernatural manifestation. The Holy Spirit is the specialist in total healing and will do for you what He did for Naaman.

4- THE FIRE OF THE HOLY SPIRIT THROUGH THE PROPHET ELIJAH ON MOUNT CARMEL

Elijah the Tchisbite, an ordinary man, has become a symbol of faith for humanity. The event on Mount Carmel is a powerful call to repentance, to separation from idols, and to a complete return to God. The Bible recounts this great spiritual confrontation in 1 Kings 18:21-39. The people of Israel had fallen into compromise, divided between the worship of the Lord and the worship of Baal. They prayed to God on one hand and served idols on the other. Their spiritual life was barren, without fire, without power, without victory, like that of many today who mix their faiths.

Then Elijah stepped forward with a sharp word: *"How long will you waver between two opinions? If the Lord is God, follow him; but if Baal is God, follow him!"*

Wow! God doesn't tolerate mixing! God doesn't share His glory with idols, ancient cults, occult practices, orgies, lewdness, and all abominations. You can't serve Jesus and idols at the same time. Hallelujah!

The 450 prophets of Baal cry out, tire themselves out, mutilate themselves, and invoke their demons from morning till night... but no fire falls, no answer, no manifestation. Why? Because where the Holy Spirit is not honored, there is no fire, no life,

no power. There is only sickness, suffering, barrenness, curses, and poverty... The idols promise, but they can give nothing! Hallelujah!

Then came the time of Elijah, the man of God. Before even praying, he repaired the broken altar of the Lord. Ah, what wisdom! Herein lies the key: as long as the altar of God is destroyed in your life, the fire cannot descend. You must first abandon idols, break ancestral pacts, renounce occult practices, leave behind impurity, orgies, witchcraft, fetishes, and any alliance with darkness. Then, the altar of God will be restored.

Elijah then prepares the sacrifice, sprinkling it with water (symbolizing the water present at creation and the water that flowed from the ribs of Jesus Christ), again and again, until all human intervention becomes impossible. Yes, the Holy Spirit sometimes works in the opposite way; we expect fire, but He leads the prophet to pour water. Then he offers a simple, pure, sincere prayer, filled with faith... and suddenly, **THE FIRE OF GOD FALLS FROM HEAVEN!** Hallelujah! It consumes the sacrifice, the wood, the stones, the earth, and even the water. This fire was no ordinary fire: it was the fire of the Holy Spirit, the fire of holiness, the fire of deliverance, the fire of victory.

- He consumes the wood, to say that the Holy Spirit is above the spirits of the forests, idols, talismans, made of wood, mystical bark, chairs, thrones, dignities, authorities seated on all forms of thrones...
- He consumes the stones, to show that the Holy Spirit is above the spirits of the rocks, the mountains, and the idols...
- He consumes the earth, to say that the Holy Spirit is above the territorial, ancestral spirits that operate against you from your villages and places where you grew up or live.
- He consumes the poured water, to say that the Holy Spirit is above the spirits of the waters, husbands and wives of the night, spirits of stagnation and destruction.
- He consumes the animal on the altar, to signify that the Holy Spirit is above sacrifices, the mystical animals that work against you, the totems, and the spells they cast upon you. The Holy Spirit consumes these things in the name of Jesus.

After this demonstration of power, the people are broken, convinced, transformed. They all fall face down to the ground and cry out with one voice: *"The Lord is God! The Lord is God!"* Hallelujah, let me acclaim the Lord! This is what the fire of the Holy Spirit does: it destroys idolatry, breaks spiritual bondage, liberates territories, delivers from the powers of darkness, and turns hearts completely back to God.

Right after the fire, rain falls after three years of drought. Praise God! This means that where idols disappear, blessing returns.

- The fire falls first to purify.

- Then the rain falls to restore.
- Then prosperity returns.
- Diseases disappear because many diseases are caused by demons.

Abandon today idols, ancestral cults, fetishes, secret practices, orgies, immorality, corruption, and everything that defiles your life. Turn completely to Jesus Christ! He is the only true God, the only Savior, the only one who answers with fire and the power of the Holy Spirit. The only one capable of giving you complete healing.

When you completely renounce darkness, the fire of the Holy Spirit will descend upon your life:

- to burn away occult ties,
- to purify your heart,
- to restore your faith,
- to heal your body,
- to open your finances,
- to relaunch your destiny.

Even today, the fire falls! As on Mount Carmel, God is ready to manifest Himself powerfully in your life, if you give Him your whole heart, without reservation. Hallelujah!

Declaration of faith :

“Lord Jesus, I renounce all idols, all ancestral worship, all abomination, and I turn completely to You! May Your fire fall upon my life now! To purify, heal, and restore me.”

And expect a visitation from the Holy Spirit. The fire of God is consuming today everything in your life that does not come from Him! Hallelujah!

5- THE OPENING OF THE RED SEA BY THE POWER OF THE HOLY SPIRIT

The figure of Moses remains a true legend in biblical history. His parting of the Red Sea is one of the greatest miracles of deliverance in the entire Bible. This miracle reveals the power of the Holy Spirit, who opens paths where there seems to be no way out. The Bible recounts this in Exodus 14:13-31, after ten terrible plagues that God, through the Holy Spirit, inflicted upon the Israelites.

The people of Israel are trapped. Before them: the sea. Behind them: Pharaoh's army. To the right and left: the desert. It's all over, there's nothing left to do, logically, there's no solution, no escape, no possible way out. Death seems certain. Fear grips the

people. Cries rise. Murmurs begin. Many think it's all over. Some say to Moses (I'm paraphrasing): *"You would have wearied us in Egypt by making us die in the arms of Pharaoh and his army."* Exodus 14:10-12 . But where man sees a dead end, the Holy Spirit sees a way out! Hallelujah, let me smile before I continue!

God then gives Moses a simple instruction: *"Why are you crying out? Tell the children of Israel to move forward!"* Wow! There again is the same spiritual law as in all the miracles we have been exploring from the beginning:

- God speaks first, and the Holy Spirit executes afterward.
- The order is given, and the power is set in motion.

This is what you must do, instead of spending your time whining. When Moses stretches out the staff, the Holy Spirit blows all night (indeed, every time you see the wind blowing in the Bible, it is a symbol of the Holy Spirit). The sea parts. The waters rise up like walls on the right and left. A dry path appears in the midst of what was impossible. Hallelujah! The people walk on the sea on dry land. The sea becomes a road. The prison becomes a passage. The trap becomes an escape. Cancer, HIV, hepatitis, tuberculosis, tumors, infertility, agony, coma, arthritis become a springboard. This is the power of the Holy Spirit!

But this is not just a physical miracle. It is a spiritual miracle of total deliverance. Pharaoh represents chains, slavery, ancient covenants, spiritual oppression, debt, poverty, and servitude. When the sea closes, the enemy is swallowed up forever. That which pursued Israel dies in the sea. Hallelujah! This means that when the Holy Spirit opens a way for you, He also permanently closes the way for your enemies.

- The chains break.
- The blockages disappear.
- The satanic persecutions have ceased.
- The cycles of failure are broken.
- Disease genes disappear
- Sterility gives way to fertility
- Debts, oppressions, and curses lose their power.

After the Red Sea, Israel was no longer a people of slaves: it became a free people, marching toward its destiny. This too is the work of the Holy Spirit: He not only leads you out of prison, He sets you on the path to your promise. Hallelujah!

The Red Sea also represents financial blockages, impossible cases, stalled projects, invalid paperwork, closed economic situations, and blocked legal doors. But when the Holy Spirit blows, the sea parts! Where there was no way, a passage appears in the name of Jesus! Hallelujah!

Perhaps today you are facing your own Red Sea:

- An incurable disease,
- Prolonged unemployment,
- An overwhelming debt,
- A completely stalled project.
- A hopeless family situation...

Don't panic! Lift your eyes to God! Move forward by faith! The Holy Spirit is already working to open your way! Amen!

Declaration of faith:

“Every sea before my life now parts in the name of Jesus! Every Pharaoh who pursued me is swallowed up! I walk in my freedom, in my restoration, in my breakthrough, and in my destiny!”

The Holy Spirit opens the seas, breaks the chains, and leads God's people to total victory! Hallelujah!

**POWERFUL PRAYERS: RECEIVE YOUR ANSWERED PRAYER
WHILE YOU PRAY**

(Here's how to pray: take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if you have any, take authority over your surroundings, make the prayers not like a recitation, but persist... If you fall or your body feels hot and other things, don't stop, persist, don't neglect your dreams and visions.)

- 1- O Holy Spirit, Creator of heaven and earth, recreate now all that is destroyed in my life, in the name of Jesus,
- 2- Where there was darkness in my health, my finances, my family, and my destiny, let the light of the Holy Spirit now shine forth, in the name of Jesus.
- 3- All chaos in my life becomes divine order through the creative power of the Holy Spirit, in the name of Jesus.
- 4- O breath of God, enter into my withered bones, into my dead plans, into my ruined health, and let all things live again now, in the name of Jesus.
- 5- Everything that has died in my marriage, my work, my ministry, and my finances, I speak life over it by the Holy Spirit, in the name of Jesus.
- 6- Every incurable disease, every dead organ in my body, now receive resurrection through the Holy Spirit, in the name of Jesus.
- 7- O Holy Spirit, specialist of resurrections, resurrect my destiny, my business, my home, and my future, in the name of Jesus.

- 8- Through Naaman's obedience, I receive my complete healing today, whether gradually or instantly, in the name of Jesus.
- 9- Every spirit of resistance, pride, and disobedience that is blocking my healing, be broken now by the power of the Holy Spirit.
- 10- Through the seventh immersion of faith, all spiritual, physical, financial, and emotional leprosy disappears from my life now, in the name of Jesus.
- 11- O Holy Spirit, do not restore me halfway: fully restore my health, my faith, my finances, and my destiny, in the name of Jesus.
- 12- Fire of the Holy Spirit, now fall upon every impure altar in my life and consume every idol, ancestral pact, and occult alliance, in the name of Jesus.
- 13- Every broken altar of the Lord in my life is restored now, and the fire of God descends upon me, in the name of Jesus.
- 14- Fire of the Holy Spirit, burn away in my life the occult bonds, the spirits of the waters, of villages, of mountains and of darkness, in the name of Jesus,
- 15- After the fire of the Holy Spirit, let the rain of blessing, healing, and prosperity fall upon my life now, in the name of Jesus,
- 16- Every Red Sea before my destiny now parts by the power of the Holy Spirit, in the name of Jesus,
- 17- Every Pharaoh who pursued me through sickness, poverty, debt, and failure is now swallowed up, in the name of Jesus.
- 18- Every cycle of failures, delays, blockages, and hereditary diseases is broken forever by the Holy Spirit, in the name of Jesus.
- 19- Where there was no way for me, the Holy Spirit now opens a path of breakthrough, healing, and success, in the name of Jesus.
- 20- Today I pass from slavery to freedom, from stagnation to progress, from sickness to perfect health through the Holy Spirit, in the name of Jesus.
- 21- I declare by faith: what the Holy Spirit did in creation, in the dry bones, for Naaman, Elijah and Moses, He is now doing for me, in the mighty name of Jesus Christ.

Continue to pray, work on your personal topics, and the new topics that the Holy Spirit will reveal to you.

(Please bring your own bottle of oil today)

III- THE MIRACLES OF JESUS IN THE NEW TESTAMENT

6- THE HEALING OF THE BORN-BLIND MAN THROUGH THE POWER OF THE HOLY SPIRIT

The healing of the man born blind is one of the miracles of Jesus Christ's ministry that has a comic element, particularly the dialogue between the healed man and the Pharisees who want to contextualize the undeniable reality of the miracle. The man was blind from birth, and now he can see—what could be more true! This miracle also has a very special and rare character. It reveals the creative and restorative power of the Holy Spirit. The Bible recounts this miracle in John 9. This man, as described above, had not become blind by accident; he had been blind since birth. He had never seen the light, never seen a face, never seen the glory of creation. His condition was completely irreversible.

But Jesus approached him. And even before healing him, He declared, “The works of God must be displayed in him.” This means that your suffering can become a manifestation of the glory of the Holy Spirit! Hallelujah! Jesus then did something very profound: He spat on the ground, made mud with his saliva, and applied it to the blind man's eyes. Then He gave him a command : “ Go and wash in the Pool of Siloam.” Once again, God spoke, the man obeyed, and the Holy Spirit acted! Hallelujah!

Here, Jesus' actions demonstrate the work of the Holy Spirit in this instance of healing. He inspires Jesus to spit on the ground, fashion the eyes from the mud, and place them on the blind man's eye. This is, in effect, a return to creation, where God formed man from clay. As the Father worked , so the Son works, both through the Holy Spirit.

“The Lord God formed man from the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.” Genesis 2:7

God the Father breathed on the earth, the mud, and the Holy Spirit manifested to give life to the clay that God had patted. The Holy Spirit can reveal to you a non-compromising action to take to receive your evidence; obey. Hallelujah! Do as the blind man did. To better understand, the blind man went out in obedience, still blind, still without sight, walking by faith... and upon returning, he could already see! Hallelujah! The Holy Spirit did not simply repair what was broken: He recreated what had never existed. And where there had been no functioning eyes since birth, the Holy Spirit created new sight! I

love this dimension of God! This dimension that confounds science. Last year, we had a sister who gave birth without a uterus. The specialist, nearing retirement, was astonished and told her, "It's impossible, I've never seen or heard of anything like it." One of our daughters in Canada experienced this miracle again this year. Her uterus had been removed following a childhood illness, but once she was married, the Holy Spirit performed the unthinkable. I prophesy over someone; receive your share of the evidence now in the name of Jesus.

This reminds us of creation in Genesis: the same Spirit who created light recreated light in the eyes of this man, and recreated the womb in these two sisters. Glory to God!

But this miracle isn't just about physical eyes or the womb. It also speaks to spiritual, emotional, and even financial blindness. Many see with their eyes, but don't see their destiny. Many work, but don't see their breakthrough. Many pray, but don't yet see their victory. Like the person born blind, they need a touch of the Holy Spirit. Yes, yes, yes!

When the Holy Spirit opens your eyes:

- You see God's strategies,
- You see the hidden opportunities,
- You see the doors that God opens,
- You discern the enemy's traps,
- You are entering a new dimension of your destiny.

After his healing, the blind man was rejected by the religious leaders, questioned, threatened... but no one could deny his testimony. He declared with assurance, "I was blind, and now I see!" Glory to God, it's simple! That's all. I'm not into grand calculations; what I know is that Jesus healed me. Amen! End of story! That's the power of a genuine miracle: no one can contradict you when the Holy Spirit has worked in your life. I prophesy in someone's life, and what the Holy Spirit does will be undeniable in the name of Jesus. It will be visible. Even the most unbelieving will not be able to dispute your testimony in the name of Jesus.

Even today, the same Holy Spirit is able to open the eyes of the blind, restore nerves, retinas, and sight, but also to open the eyes of the mind, heal traumas, break through confusion, and herald a new season of clarity, direction, and breakthrough. This is your season in the name of Jesus!

7- THE HEALING OF THE DEAF AND MUTE THROUGH THE POWER OF THE HOLY SPIRIT

The healing of the deaf and mute man is a powerful demonstration of the liberating and restorative work of the Holy Spirit through Jesus Christ. The Bible recounts this miracle in Mark 7: 31-37. This man was imprisoned by two great limitations: he could not hear and he had difficulty speaking. He was cut off from the world of sounds, communication, and relationships. His life was marked by isolation, frustration, and humiliation.

But when Jesus enters a life, nothing remains closed! Hallelujah! People bring this deaf and mute man to Jesus. This teaches us a great truth: we must always bring souls bound to Jesus, for He alone sets completely free through the power of the Holy Spirit.

Jesus does something very profound. He leads him away from the crowd. Hallelujah! Before performing certain miracles, the Holy Spirit first separates the man from the noise, influences, and distractions. Then, Jesus puts His fingers in the man's ears, touches his tongue with saliva, looks up to heaven, and sighs. This sigh is not ordinary: it is the breath of the Holy Spirit in action! Then Jesus speaks a command: " Ephphatha !" — that is, "Be opened!"

At that very moment, his ears were opened, the bond of his tongue was loosed, and he spoke properly! Hallelujah! What years of suffering had chained, the Holy Spirit set free in a second. May this also be your portion in the name of Jesus!

This miracle is not just about physical healing. It also reveals spiritual and emotional healing. Many today are:

- deaf to the voice of God,
- silent in their testimony,
- stuck in prayer
- unable to declare victory,
- locked in fear and silence.

But when Jesus pronounces Ephphatha over a life, everything opens! Faith opens. The mouth opens. Destiny opens. Prayer opens. Communication with God is restored. Hallelujah!

The deaf and mute also represented a confined destiny, a blocked life, a hindered career, destroyed relationships, and paralyzed finances. But after being touched by Jesus, he enters a new season of freedom, expression, and restoration. Hallelujah!

Even today, the same Holy Spirit touches the spiritual ears of believers. He opens minds, loosens tongues, restores communication with God, and breaks the spirits of muteness, fear, rejection, and blockage. He brings forth the barren. Hallelujah!

8- THE HEALING OF THE MAN WITH A PARALYZED HAND BY THE POWER OF THE HOLY SPIRIT

The Bible reveals the miracle in Mark 3: 1-6, a striking demonstration of the restoring power of the Holy Spirit through Jesus Christ. It is the healing of the man with the paralyzed hand. This man was alive, present in the synagogue, participating in worship, going out to evangelize... but his hand was withered, paralyzed, useless. He had an outward spiritual life, but an essential part of his life was blocked. Many Christians find themselves in this situation, serving God publicly, but shedding tears in private. This paralyzed hand represents everything in a believer's life that no longer functions.

- a suspended activity
- a blocked career
- A paralyzed trade
- a stifled spiritual gift
- an inactive financial capacity,
- A destiny put on hold.

But Jesus enters the synagogue! Where Jesus enters, no paralysis can resist! The Holy Spirit is present to restore what is dry, dead, useless, and blocked.

Jesus calls the man to the center. Wow! The Holy Spirit always begins by bringing the hidden situation to the forefront, so that God's glory may be publicly revealed. Then Jesus gives him a simple yet powerful command: "Stretch out your hand!" Humanly speaking, it was absurd: how could one stretch out a paralyzed hand? But the miracle is not within the man's ability; the miracle lies in the power of the Holy Spirit that accompanies obedience! Hallelujah! Always do what the Holy Spirit asks you to do. If He tells you to leave the old ways, leave them. If He asks you to try walking after prayer, try. That is how your truth will come. Amen!

When the man obeys and tries to extend his hand, the Holy Spirit acts instantly. The hand is restored, healed, made completely normal. What was dry becomes alive. What was useless becomes useful. What was blocked is set in motion again. Hallelujah!

This miracle teaches us a great spiritual truth:

- God often heals what you dare to expose in obedience.
- What you hide remains connected. Don't say God knows everything, present your problem to Him.
- What you present to Jesus is restored.

The hand also represents the capacity to work, produce, give, sow, and receive. When the Holy Spirit heals the hand, He also restores financial capacity, productivity, and

dignity. Hallelujah! This means that Jesus not only heals the body, but He also restores destiny and resources.

After this miracle, the religious leaders were angered, but the joy of the miracle was stronger than their anger. When the Holy Spirit works in your life, even if some murmur, your restoration will be visible and undeniable! Many people who pretend to sympathize with your suffering don't actually want to see you free. My prayer is that the Holy Spirit will surround you with sincere and loving people in the name of Jesus.

Even today, the same Holy Spirit tells you: "Stretch out your hand!"

- Extend your faith!
- Extend your obedience!
- Expand your vision!
- Expand your project!
- Expand your service! Expand your vision!
- Expand your business!
- Expand your studies, get more training!

And when you obey, the power of healing, restoration, and breakthrough manifests. I advise you, dare!

9- THE DELIVERANCE OF THE MAN POSSESSED BY A "LEGION" OF IMPURE SPIRITS IN GADARA

Dear readers, the deliverance of the man possessed by a legion of unclean spirits in Gadara is one of the most powerful demonstrations of the absolute authority of Jesus Christ and the liberating power of the Holy Spirit. The Bible recounts this moving scene in Mark 5: 1-20.

This man was completely possessed by demons. He lived in tombs, symbols of death, exclusion, shame, and destruction. He no longer wore clothes; no one could restrain him, not even with chains. He constantly injured himself, screamed day and night, and his life was utterly ruined. This is what the power of darkness does: it steals dignity, reason, peace, and a future.

But one day, Jesus arrives in his territory! Hallelujah! What no one else could do, Jesus accomplishes in an instant. As soon as the man sees Jesus, the demons recognize the Master. They cry out, "What have you to do with me, Jesus, Son of the Most High God?" Even the demons know that where Jesus enters, their reign ends!

Jesus asks only one question:

“What is your name?” The answer is terrifying: “My name is Legion, for we are many.” This means that this man was not possessed by a single spirit, but by an army of demons. Even so, a single word from Jesus is enough to cast them all out!

By the authority of the Holy Spirit, Jesus commands the demons to come out. They plead, tremble, obey, and leave the man. In an instant, the power of darkness is broken. He who was a slave becomes free. He who lived among the dead returns to life. He who howled in the tombs now sits at Jesus' feet, clothed and in his right mind. Alleluia!

This miracle teaches us that:

- No oppression is too great for the Holy Spirit.
- No spell is too ancient for Jesus.
- No evil alliance is too deep for deliverance.
- No legion can resist the authority of Christ.

The man who had been set free wanted to follow Jesus, but Jesus sent him to bear witness in his own town. The one who had terrified an entire region now became a powerful evangelist. Hallelujah! This is what the Holy Spirit does: He liberates, He restores, He transforms shame into a testimony, He changes chains into a message of victory.

This deliverance also speaks of modern spiritual bonds: addictions, pornography, witchcraft, ancestral cults, family pacts, death dreams, chronic fears, repeated failures, unexplained financial blockages... But even today, the same Jesus delivers through the power of the Holy Spirit! Hallelujah!

If the enemy said of you, "He is lost," if the chains seemed unbreakable, if your past resembled a tomb... Jesus can still say, "Come out!" and everything stops! Amen!

Declaration of faith:

"In the name of Jesus, every legion operating against my life departs now! I reclaim my dignity, my peace, my health, my family, my job, and my destiny through the power of the Holy Spirit!"

9- CHANGE WATER INTO WINE BY THE POWER OF THE HOLY SPIRIT

The Bible tells us in John 2: 1-11 that the miracle where Jesus turns water into wine is the very first public miracle of Christ's ministry. This is no coincidence: God begins by showing that the Holy Spirit is the master of transformations.

There was a wedding, a moment of joy... but suddenly, the wine ran out. What a shame! What a crisis! The symbolism is powerful: joy fades, the celebration is threatened,

the rejoicing is about to end. This is what happens when human resources run out. But it is precisely at this point that the intervention of the Holy Spirit begins! Hallelujah! Mary said to the servants, “Do whatever he tells you.” This is the key to all miracles: total obedience to the word of Jesus. The Holy Spirit always works where there is simple obedience, even when we don't understand everything.

Jesus commanded, “Fill these jars with water.” They filled them to the brim. Then He said, “Now draw some out and take it to the master of the banquet.” When they drew it out... the water had become wine! Hallelujah! No one saw the exact moment of the change, but the result is undeniable. This is how the Holy Spirit works: silently, yet powerfully.

This miracle teaches us that:

- The Holy Spirit changes the nature of things.
- He transforms the ordinary into the extraordinary.
- He transforms poverty into abundance.
- He transforms shame into glory.
- He transforms weakness into strength.
- He transforms failure into a testimony.

The water was ordinary, without any festive value. But touched by the word of Jesus and the invisible work of the Holy Spirit, it becomes a superior wine. Hallelujah! In the same way, your life may seem ordinary today, but when the Holy Spirit intervenes, it becomes glorious!

This miracle also speaks of inner transformation:

- Water represents life without Christ.
- Wine represents new life in the Spirit, with water being the symbol of the Holy Spirit.
- Water represents human effort.
- Wine represents supernatural grace.

And even more, this miracle also heralds financial success and the restoration of dignity. Want is erased. Shame is covered. And the celebration continues in abundance. When the Holy Spirit turns your water into wine, He also turns your want into plenty! Hallelujah!

Perhaps today:

- Your joy is like tasteless water,
- Your finances are like worthless water,
- Your marriage is like passionless water.
- Your ministry is like water without fire...

But Jesus is still alive, and the Holy Spirit is still at work to turn your water into wine! Hallelujah!

Declarations of faith:

"Lord Jesus, turn my water into wine! Transform my ordinary life into an extraordinary destiny! Transform my lack into abundance, my shame into glory, my pain into joy, by the power of the Holy Spirit!"

As you read these miracles, you saw how the Holy Spirit worked in creation, in the dry bones, in healing, deliverance, fire, the opening of impossible paths... These are not just ancient stories; they are eternal proofs of what God is capable of. Even today, the same Holy Spirit wants to touch your life, your health, your family, your work, your plans, your destiny. Don't close this chapter like you would a simple storybook: lift up your faith, open your mouth, declare your miracles in the name of Jesus Christ. What the Holy Spirit did for them, He can do for you, and even more. Wait on Him, cooperate with Him, and you will see His works manifested in your own life. Hallelujah!

POWERFUL PRAYERS: RECEIVE YOUR ANSWERED PRAYER WHILE YOU PRAY

(Here's how to pray: take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if you have any, take authority over your surroundings, make the prayers not like a recitation, but persist... If you fall or your body feels hot and other things, don't stop, persist, don't neglect your dreams and visions.)

- 1- Holy Spirit, as You opened the eyes of the man born blind, open my physical eyes and heal every disease in my body (eyes, nerves, organs, blood, bones), in the name of Jesus,
- 2- Where doctors have said "it's irreversible," Holy Spirit, manifest Your creative power and recreate what is lacking or destroyed in my body, in the name of Jesus.
- 3- Every spirit of spiritual, emotional, financial, or professional blindness that prevents me from seeing my destiny, be broken now by the fire of the Holy Spirit, in the name of Jesus.
- 4- As You opened the ears of the deaf and loosened his tongue, Holy Spirit, open my spiritual ears, heal all deafness, all voice blockages, all speech problems, in the name of Jesus.
- 5- Holy Spirit, touch and restore everything that is paralyzed in my health: joints, nerves, spine, muscles, reproductive system, in the mighty name of Jesus,

- 6- Every spirit of chronic illness, repeated suffering, and recurring pain, leave my body now by the power of the Holy Spirit, in the name of Jesus.
- 7- Holy Spirit, heal my inner wounds: traumas, rejections, humiliations, abuse, failures, and give me a new heart filled with peace and joy, in the name of Jesus.
- 8- Just as the possessed man in Gadara regained his senses, I declare by the Holy Spirit the healing of all mental oppression, depression, confusion, anguish, and suicidal thoughts, in the name of Jesus.

Prayers for Work, Career, and Provisions

- 9- Holy Spirit, open my eyes to see the job opportunities, contracts, and career paths You have prepared for me, in the name of Jesus.
- 10- Any "paralyzed hand" in my professional life, unemployment, career blockage, business stalled, receive the restoration of the Holy Spirit now, in the name of Jesus!
- 11- Just as this man's hand has been restored, I declare that my ability to work, produce, undertake, and create wealth is restored by the Holy Spirit, in the name of Jesus.
- 12- Every spell, every evil word, every demonic legion blocking my work, my contracts, my business, and my finances, come out now by the power of the Holy Spirit, in the name of Jesus.
- 13- Holy Spirit, transform my professional "water" (low salary, stagnation, small contracts) into "wine" of excellence, promotion and abundance, in the name of Jesus.

Prayers for Soulmates, Marriage, and Family

- 14- Holy Spirit, open my eyes to discern the soulmate God has prepared for me, and close the doors to bad relationships, in the name of Jesus.
- 15- Every "legion" of romantic failures, disappointments, toxic relationships, and marital blockages, be driven out of my life by the power of the Holy Spirit, in the name of Jesus.
- 16- As You restored the dignity of the man of Gadara, Holy Spirit, restore my emotional, familial, and marital dignity; make me a husband/wife after God's own heart, in the name of Jesus.
- 17- Holy Spirit, in my family, replace arguments, hurt, and division with peace, love, and a new season of restoration, in the name of Jesus.

Prayers for Travel, Visas & International Openings

- 18- Holy Spirit, as You opened the mouth of the mute, open also the doors of the nations for me: travel, missions, training, opportunities abroad, in the name of Jesus,
- 19- Every administrative "Red Sea"—visa refusals, document blockages, closed files, hidden objections—is now opened by the power of the Holy Spirit, in the name of Jesus.
- 20- I declare that all-expenses-paid trips, scholarships, divine invitations, and supernatural support are localizing my life through the Holy Spirit, in the name of Jesus.
- 21- Holy Spirit, grant me a supernatural favor before embassies, universities, employers, institutions and international partners, in the name of Jesus.

Prayers for Houses, Land, and Other Possessions

- 22- Holy Spirit, open my eyes to see the land, houses, real estate opportunities, and investments that You have prepared for me, in the name of Jesus.
- 23- Every spirit of poverty, of eternal renting, of "I will never have my own home," I break you now by the power of the Holy Spirit, in the name of Jesus,
- 24- Just as water was transformed into fine wine, Holy Spirit, transform my material situation: from lack to abundance, from "nothing" to established properties, land, houses and projects, in the name of Jesus.

Continue to pray, work on your personal topics, and the new topics that the Holy Spirit will reveal to you.

CHAPTER 5: THE SPIRITUAL ACTION OF THE HOLY SPIRIT THROUGH THE SPIRITUAL MANTLE: The Power of the Spiritual Mantle

(Please plan your thanksgiving offering for the program's closing/ Also purchase a handkerchief or piece of fabric of your choice)

Dear brothers and sisters, we are entering a prophetic, sensitive and powerful chapter, one that touches on the mystery of the transmission of God's power through material objects, by the sovereign action of the Holy Spirit. This theme is not new; it is deeply biblical. From the Old Testament to the New Testament, God has used ordinary objects as channels of His power, not to be worshipped, but to activate the faith of humankind.

This chapter marks a major spiritual innovation, as it falls within the framework of the 7th year of the Healing University. The number 7, in the Bible, represents perfection, fulfilment, and the culmination of God's works. It is therefore no coincidence that, in this 7th year, we are addressing the spiritual mantle, which is the use of an object as a means of transmitting the anointing and power of the Holy Spirit. This is a season of maturation, challenge, and transition to another spiritual dimension. In this chapter, we will answer fundamental questions:

What is a spiritual mantle? Why did God use Moses' staff, Elijah's mantle, Jesus' garment, Paul's handkerchiefs, and Jonathan's cloak? How can a simple object become a channel for healing, deliverance, restoration, and the transfer of anointing? What are the spiritual dangers associated with misunderstanding these things? What are the conditions for sanctification for those who use these objects?

We state clearly from the outset: it is not the object that heals, delivers, or saves. Jesus Christ alone acts through the power of the Holy Spirit. Objects are merely points of contact and instruments of obedience used sovereignly by God.

At the end of this teaching, a prophetic time will be opened, during which participants will bring handkerchiefs they have purchased themselves. These handkerchiefs will be presented to God in prayer, as points of contact of faith, so that they may then be placed on the sick, on blocked situations, on places, documents, and objects, according to the guidance of the Holy Spirit. And Jesus will work, as He always has. Hallelujah!

I- BIBLICAL FOUNDATION OF THE SPIRITUAL MANTLE

Although God is Spirit, He very often chooses to act through matter to manifest His power to humanity. This is why you will see Him use water, wood, staffs, cloaks, clothing, and even handkerchiefs as objects of faith. These objects do not contain the power within themselves. They are merely points of contact, while true power comes solely from the Holy Spirit.

God uses them:

- to activate faith,
- to demonstrate obedience,
- and to confound human wisdom.

However, the Bible also warns against all forms of idolatry. An object that God has used can become dangerous if it is worshipped. That is why the bronze serpent was destroyed when the people began to worship it (2 Kings 18: 4). Therefore, it is important to remember these two things:

- The object is never the source, but Jesus is the only source.
- The Holy Spirit is the agent; the object is merely a temporary channel.

Used in faith, prayer, obedience, and sanctification, these objects become biblical aids to the manifestation of God's power, for healing, deliverance, and restoration. Hallelujah!

II- THE STAFF OF MOSES: THE SUPPORT OF AUTHORITY AND MIRACLES

Moses' staff is one of the first great biblical examples of an object used as a vessel for the power of the Holy Spirit. Originally, it was just an ordinary shepherd's crook. But consecrated by God in Moses' hands, it became an instrument of miracles. God said to Moses, " *What is in your hand?*" *He replied, "A staff..."* (Exodus 4:1-5). Indeed, once the Words are spoken over the object you hold, it becomes the consecrated staff, a conduit of power (this is what a mantle is). Therefore, by this same staff:

- The plagues struck Egypt (Exodus 7:20): He can strike your enemies
- The Red Sea parts (Exodus 14:16): parting seas or obstacles
- Water gushed from the rock (Exodus 17:5-6): Bringing forth solutions
- The people are led into deliverance: You are delivered from your enemies

It must be clarified that it was not the staff that performed the miracles, but rather Moses' obedience to God and the power of the Holy Spirit. The staff itself was merely a point of contact with Divine authority.

This teaches us that:

- God can use what you already have in your hand to act.
- Power is manifested in obedience.
- A simple object can become an instrument of miracles.
- But the glory always belongs to God alone.

Even today, it is not the object that acts, but the Holy Spirit through the object. However, the one who uses it must have faith and live in holiness and obedience to God. Amen!

III- Elijah's Cloak: The Veil for the Transmission of the Anointing

The mantle is one of the greatest biblical symbols of the transmission of the anointing by the Holy Spirit. This mantle was merely a garment, but consecrated by God, it became an instrument of power and spiritual transfer. Hallelujah!

Elijah struck the waters of the Jordan with his mantle, and the river parted, leaving them a dry passage:

"Then Elijah took his mantle, rolled it up, and struck the waters with it, and they divided to the right and to the left, and the two of them crossed over on dry ground." 2 Kings 2:8 .

If this cloak, this garment, parted the Jordan River, it was because it carried a special power of the Holy Spirit that rested upon Elijah. For the power of a cloak rests on the anointing of the one who blesses it. This is why, when Elisha asked for the double portion of Elijah's spirit, the cloak fell upon him at the moment of Elijah's ascension (2 Kings 2: 9-13). Elisha took the cloak, struck the Jordan River in turn, and cried out, "*Where is the Lord, the God of Elijah?*" And the waters parted again (2 Kings 2:14). Hallelujah! This shows that through the cloak, the same anointing worn by one of God's anointed can be transmitted to you. Elisha struck, took Elijah's cloak, and performed the same miracles as Elijah. I am convinced that after the blessing of your cloak, the fire of God will descend wherever you use it in the name of Jesus.

IV- Jonathan's Coat: The Support of the Alliance and the Transfer of Destiny

This passage is marked by a profound humility, the very quality required of any great leader. Through this gesture, Jonathan emerges as one of humanity's greatest leaders.

Indeed, Jonathan's mantle powerfully illustrates the spiritual transmission through the covenant, under the guidance of the Holy Spirit. Jonathan, son of King Saul, recognizes God's calling upon David and agrees to relinquish his own position to honour the destiny of God's chosen one. The Bible recounts that Jonathan took off the mantle he was wearing and gave it to David, along with his own garments, sword, bow, and belt (1 Samuel 18: 3-4).

Indeed, Jonathan was the one destined to inherit the throne from King Saul. But because he loved David as his own soul: *“When David had finished speaking to Saul, Jonathan’s soul was joined to David’s soul, and Jonathan loved him as his own soul.” (1 Samuel 18:1)*. Because of this love, he passed on his kingship to David. This gesture was not merely symbolic. It was a transfer of authority, protection, and royal favour. He thereby agreed to have the royal anointing he possessed passed on to David. It was a covenant between someone who possessed the royal anointing (Jonathan, the King’s son) and someone who did not (David). Through this act, the royal anointing was passed on to David, and he became King. With the mantle that will be blessed in this program, you will receive the royal anointing to govern the economy, politics, health, art, justice, and more. Hallelujah! I don't know if you understand what this is about.

V- THE GARMENT OF JESUS: THE SUPPORT FOR THE POINT OF CONTACT OF FAITH

Spiritual doctrine takes on a profound meaning with Jesus through this remarkable experience. His garment remains one of the most powerful examples of faith's support activating healing through the power of the Holy Spirit. A woman had suffered from a bleeding for twelve years. She had spent everything on doctors, without any results (Mark 5: 25-26). Unable to approach Jesus formally because of her bleeding, she developed an extraordinary faith stemming from an exceptional spiritual understanding: She said to herself, *" If I only touch his garment, I shall be healed. "* Mark 5:28 . Excellent!

Her healing began first in her faith, before manifesting in her body.

When she touched Jesus' garment, power came out from Him, and she was healed instantly (Mark 5: 29-30). She had understood what no one else had . If I approach Jesus with faith, the anointing He has on my life will impact me through His garment. And that is what happened.

One important point needs to be clarified here. When she touched his garment, power came from Jesus, not from the garment: *“At once Jesus knew that power had gone out from him, and turning around in the crowd, he asked, ‘Who touched my clothes?’” (Mark 5:30) .* It is not the garment that heals or impacts you; it is your faith in Jesus Christ

that allows the Holy Spirit to flow into your life through the sanctified and anointed garment.

A second important point is that many people rubbed themselves against Jesus' clothes, but received nothing:

“At once Jesus knew that power had gone out from him , and turning around in the crowd, he said, ‘ Who touched my clothes?’” His disciples said to him, “ Do you see the crowd pressing against you, and yet you say, ‘Who touched me?’ ” Mark 5:31

Why was it that these people touched her garment and received nothing, while only this woman received her miracle? Simply because of a lack of knowledge and a lack of faith. When your cloak is sanctified, act with faith; you need faith for your impact, whether you are in person or online.

VI- Paul's Handkerchiefs: The Power Transmitted Over Distance by the Holy Spirit

Here, then, is the fulfilment of this teaching, the unfolding of this wonder. Paul's handkerchiefs and cloths clearly demonstrate that the Holy Spirit can transmit God's power even remotely through a physical medium. The Bible declares:

“Now God worked unusual miracles by the hands of Paul, so that even handkerchiefs or aprons were brought from his body to the sick, and the diseases left them and the evil spirits went out of them.” Acts 19: 11-12.

Once in contact with this handkerchief or cloths (because even a garment can be a coat, the colour doesn't matter):

- The sick were cured.
- The demons were driven out.
- Lives were transformed,
and the name of Jesus was glorified. Hallelujah!

This passage teaches us that:

- The Holy Spirit acts beyond distances,
- An object can be a point of contact for faith.
- The power is transmitted without Paul being physically present; indeed, it is the anointing that the Holy Spirit released in Paul's life that extends and manifests itself in the lives of those touched by his handkerchiefs or cloths. Glory to Jesus!
- But let us remember that the source of the miracle remains God alone and not Paul.

I am convinced that your cloak, once sanctified, will lead you to experience miracles like the first Christians experienced in the name of Jesus.

VII- SPIRITUAL PRINCIPLES OF MINDS FUNCTIONING

For the mantle to be used correctly and produce biblical results, it must adhere to clear spiritual principles. Without these principles, it becomes merely an ineffective accessory.

1- Faith is the main key

Without faith, no object can produce a miracle. Jesus said to the healed woman, *“Your faith has healed you.”* Mark 5:34 . It is not the object that acts, but the faith activated by the object.

2- Obedience unleashes power

God acts when man obeys His word. *“Obedience is better than sacrifice.”* 1 Samuel 15:22. An object becomes effective when used in obedience.

3- The prayer consecrates the object

The mantle of faith must be presented to God in prayer: *“Therefore I tell you, whatever you ask for in prayer, believe that you have received it.”* Mark 11:24. Prayer places the mantle in God’s hands.

4- The guidance of the Holy Spirit is indispensable

Without the guidance of the Holy Spirit, the object becomes dangerous: *“ Those who are led by the Spirit of God are children of God.”* Romans 8:14

5- All the glory must go to Jesus alone

When glory is given to the mantle or the man of God, the miracle loses its spiritual value. *“ To the Lord be the glory!”* Psalm 115: 1

Faith + Obedience + Prayer + Guidance of the Holy Spirit + Glory to Jesus = Powerful Mantle .

The mantle is a point of contact, but the source remains Jesus Christ, and the agent remains the Holy Spirit. Hallelujah!

VIII- SPIRITUAL DANGERS AND Drifts to Avoid

Dear readers, the use of the mantle is biblical, but it also carries great dangers when it deviates from the Word and the guidance of the Holy Spirit. Therefore, great spiritual vigilance is necessary.

1- The danger of idolatry

An object that God has used can become an idol if it takes God's place. The bronze serpent, used for healing, later became an object of worship, and King Hezekiah destroyed it (2 Kings 18: 4). What God has used can become a snare if the heart turns away from God and toward the object.

2- The danger of spiritual fetishism

Just as anointing oil should not be used as a fetish, neither should the mantle. Faith remains in Jesus Christ, who is the author and finisher of our faith.

3- The danger of spiritual pride

Attributing miracles to the man or the cloak draws God's judgment. Herod received glory from men and was struck down (Acts 12: 22-23). When glory is no longer given to God, power ceases.

4- The danger of manipulation

Using objects to deceive, dominate, or enrich oneself is an abomination. Simon the magician wanted to buy God's power (Acts 8: 18-23). The objects of faith are not for sale. Neither oil nor a cloak should be a commodity, just as divine healing and spiritual assistance should not be. Freely you have received; freely give (Matthew 10:8).

5- The danger of unconfessed sin

An unsanctified servant becomes a dangerous channel: “ *Pursue peace with everyone, and holiness, without which no one will see the Lord.* ” Hebrews 12:14 .

Without sanctification, the mantle becomes a trap. Without humility, it becomes an idol. Without the guidance of the Holy Spirit, it becomes a danger.

IX- THE SANCTIFICATION OF THOSE WHO HANDLE THE SUPPORTS OF FAITH

The use of the mantle is not for just anyone. Only born-again believers, sanctified and set apart for God, can be reliable channels for the power of the Holy Spirit. The Bible has always shown this to be true believers. Therefore, here are the requirements to be qualified.

1- We must be born again

One must be saved by Jesus Christ to use the mantle: “ *Unless one is born again, he cannot see the kingdom of God.* ” John 3: 3. Without the new birth, there is no spiritual authority.

2- Idolatry and ancestral cults must be completely renounced.

God does not share His glory with idols: “ *You cannot drink the cup of the Lord and the cup of demons.* ” 1 Corinthians 10: 2. Anyone connected:

- to ancestral cults,
 - to talismans,
 - to fetishes,
 - to the cults of the dead...
- must publicly and definitively break with these alliances before using his mantle. God does not mix.

3- We must renounce immorality and all hidden sin.

God does not use a soiled vessel:

"Flee from sexual immorality. Every other sin a person commits is outside the body, but whoever sins sexually sins against their own body. 1 Corinthians 6:18

Adultery, fornication, pornography, corruption, lying, and any double life close the door to the power of the Holy Spirit.

4- We must live in humility.

“ *God opposes the proud, but gives grace to the humble.* ” James 4: 6. Pride transforms anointing into judgment.

5- We must lead a constant life of prayer

It is in constant and living prayer that the Holy Spirit manifests itself. Prayer keeps one sensitive to the Holy Spirit.

6- We must walk in total obedience to the Word

“ *Blessed are those who hear the word of God and keep it.* ” Luke 11:28 . God only confirms what is aligned with His will.

X- PROPHETIC APPLICATION TO THE UNIVERSITY OF HEALING

After the teaching on the power of the mind , which is a support for faith, now comes the time for prophetic application. The Word of God is not only taught, it is put into practice under the guidance of the Holy Spirit. Hallelujah!

1- Spiritual meaning of coming with a handkerchief

Like Paul's handkerchiefs (Acts 19: 11-12), the handkerchief here becomes a point of contact for faith, not a magical object. It represents:

- the personal act of faith,
- obedience to the given instruction,
- waiting for divine intervention.

2- A personal act of faith

Each participant brings their own handkerchief, purchased independently wherever they wish. We do not sell them. This demonstrates that:

- Faith is personal.
- one can believe in your place.
- Each person makes their own commitment to God.

" But Jesus said to her, “ Daughter, your faith has healed you; go in peace and be freed from your suffering.” Mark 5:34

3- Prayer of consecration

Be present at the altar during the dedication of the handkerchiefs to the Holy Spirit. Don't be reserved. Have expectations of the Lord in your heart. Respond, and believe. It is your faith that counts.

4- Use

The tissues could be:

- placed on the patients,
- presented in situations of deadlock,
- applied to documents, houses, places, projects.
- Praying in the face of certain situations (This is an element that activates your faith)

It can be used as many times as needed. Keep it like your anointing oil, but remember, your faith should never rest on the object, but on Jesus.

5- Spiritual attitude required

Each participant must attend:

- with repentance,

- with living faith,
- with sincere expectation,
- with a sanctified heart.

“ *Draw near to God, and he will draw near to you.* ” James 4: 8

6- Expected results for the glory of Jesus

We believe that, by the power of the Holy Spirit:

- The sick will be cured.
- Spiritual ties will be broken .
- Families will be restored,
- The financial obstacles will fall.
- And testimonies will abound.

But all the glory will belong to Jesus Christ alone, *"Not to us, O Lord, not to us, but to your name give glory, because of your goodness, because of your faithfulness!" Psalm 115:1.*

The University of Healing is not just an annual event, but a powerful program. It is a time of obedience, faith, and divine visitation. We believe the Lord will visit you powerfully as you go through this program. Expect the Lord powerfully, for : *"Jesus Christ is the same yesterday and today and forever."* Hebrews 13: 8.

POWERFUL PRAYERS: RECEIVE YOUR ANSWERED PRAYER WHILE YOU PRAY

(*Here's how to pray: take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if you have any, take authority over your surroundings, make the prayers not like a recitation, but persist... If you fall or your body feels hot and other things, don't stop, persist, don't neglect your dreams and visions.*)

- 1- Holy Spirit, may the mantle that your servant consecrates today become a powerful point of contact through which Your power is manifested for my complete healing, in the name of Jesus.
- 2- Lord Jesus, as You used Moses' staff, also use what I have in my hand (handkerchief) as a support of authority to strike down my illnesses, my invisible enemies, and my oppressions, in the name of Jesus.
- 3- Holy Spirit, through this mantle, open all my "Red Seas": financial blockages, closed files, debts, family conflicts, and stagnation, in the name of Jesus.

- 4- By the power of the Holy Spirit, may every "Pharaoh" who pursues me (family curses , hereditary diseases, debts, oppressions) be swallowed up and neutralized forever, in the name of Jesus.
- 5- Lord, may this sanctified mantle become an instrument of healing for the sick in my family, my church, and my community, so that Jesus alone may be glorified, in the name of Jesus.
- 6- Holy Spirit, through this point of contact, cause water to spring forth from the rock in my life: unexpected solutions, new ideas, financial resources, supernatural help, in the name of Jesus.
- 7- God of Elijah, may the fire of the Holy Spirit be attached to this cloak, to consume occult bonds, ancestral pacts, spells, and all forms of witchcraft directed against me, in the name of Jesus,
- 8- Lord, just as Elijah's mantle transferred the anointing to Elisha, may this mantle/handkerchief become a channel for transferring the anointing of healing, deliverance, wisdom, and favor into my life, in the name of Jesus.
- 9- Holy Spirit, through this mantle, open the doors of work, business, contracts, and promotions that are blocked in my life, in the name of Jesus.
- 10- By the power of the Holy Spirit, may this handkerchief placed on my documents (CV, application files, projects, contracts) trigger supernatural favor and positive responses, in the name of Jesus,
- 11- Lord Jesus, may this cloak become a support of faith for obtaining my visa, my divinely sponsored trips, and my international opportunities, in the name of Jesus.
- 12- Holy Spirit, may this handkerchief applied to my land, house, inheritance, or real estate project documents overturn all opposition and release the effective possession of what You have promised me, in the name of Jesus.
- 13- God of Jonathan and David, through this mantle, bring my life into a new royal dimension: influence, leadership, spiritual authority, and excellence in my field, in the name of Jesus.
- 14- Holy Spirit, use this mantle as a support to break all cycles of emotional failure and marital blockage, and open the door to God's soulmate for my life, in the name of Jesus.

- 15- Lord Jesus, may this handkerchief placed on the bed, the house, the room, or the clothes of my future spouse become a point of contact to attract a healthy, pure union according to Your will, in the name of Jesus.
- 16- Holy Spirit, through this mantle, break physical, emotional, financial, and ministerial barrenness, and release upon me a season of total fruitfulness, in the name of Jesus.
- 17- Lord, through this support of faith, restore my health, my physical strength, my immune system, and reverse every disease called "incurable," in the name of Jesus.
- 18- Holy Spirit, may every sick person on whom I place this handkerchief, according to Your direction, experience Your healing, Your deliverance and Your peace, in the name of Jesus!
- 19- Lord, keep my heart from all idolatry: I refuse to worship the mantle, I choose to depend only on Jesus Christ, the true source of power, in the name of Jesus.
- 20- Holy Spirit, purify my life; may the one who handles this cloak be a sanctified vessel: remove from me impurity, lies, corruption, and double living, and make me pleasing to You, in the name of Jesus.
- 21- Lord, may this mantle become a support for the restoration of families: peace in homes, reconciliation, end of disputes, return of rebellious children and healing of family wounds, in the name of Jesus.
- 22- Holy Spirit, use this handkerchief as a point of contact to break down financial blockages: delayed contracts, lost clients, unpaid invoices, frozen projects, and open a flow of provisions for Your glory, in the name of Jesus.
- 23- Lord, through this mantle, activate in me and in my home a new wave of testimonies: healings, promotions, protections, breakthroughs, so that many may come to Jesus, in the name of Jesus.
- 24- Holy Spirit, as I use this mantle with faith, obedience, and sanctification, may my life become a living testimony of God's power, and may all the glory go to Jesus Christ alone, in Jesus' name.

Continue to pray, work on your personal topics, and the new topics that the Holy Spirit will reveal to you.

CHAPTER 6: THE GIFTS OF THE HOLY SPIRIT: THE MANIFESTATION OF THE POWER OF GOD IN THE LIFE OF THE BELIEVER

(Here's how to pray: take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if you have any, take authority over your surroundings, make the prayers not like a recitation, but persist... If you fall or your body feels hot and other things, don't stop, persist, don't neglect your dreams and visions.)

Dear readers, dear friends, after discovering who the Holy Spirit is, how He works in salvation, in healing, through miracles and even through spiritual mantles, we now come to a key dimension of His work: the gifts of the Holy Spirit.

If we compare the Christian life to a house, the new birth is its foundation, the fruit of the Spirit is its character, but the gifts of the Spirit are its tools. Without tools, we remain saved, but limited. With the gifts, we become useful in God's hands to bless others, destroy the works of the devil, and manifest God's glory in our family, our work, our business, our ministry, our health, and our nation.

The time has come for you to understand that the gifts of the Holy Spirit are not reserved for an elite, nor for a few "great men of God." They are intended for all born-again believers who desire to serve God powerfully: *"Now to each one the manifestation of the Spirit is given for the common good." 1 Corinthians 12: 7*

Note well that it says: to each one, not only to pastors or prophets; and for the common good, not for personal glory. The gifts you have received from God are not for you.

I- WHAT IS A GIFT OF THE HOLY SPIRIT?

A gift of the Holy Spirit is **a supernatural ability given by the Holy Spirit to a believer**, to accomplish a work that his natural abilities could never produce.

- This is not a natural talent (singing, drawing, public speaking, etc.).
- It's not a diploma, nor is it human intelligence.
- It's not a character trait (being gentle, patient, kind).

A gift is **a manifestation of God Himself through a man or woman**, to bless, heal, deliver, guide, strengthen, and restore. Paul speaks of gifts in these terms:

"There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working,

but in all of them and in everyone it is the same God at work.” 1 Corinthians 12: 4-6

The donations therefore come from:

- of the same Spirit (the Holy Spirit),
- for different missions,
- But for one purpose only: to glorify Jesus Christ and manifest the Kingdom of God on earth. Hallelujah!

II- WHY DID GOD GIVEN THE GIFTS OF THE HOLY SPIRIT?

God never gives anything randomly. He gave the gifts of the Holy Spirit for at least five major reasons:

1- To confirm the Gospel

“The Lord worked with them and confirmed his word by the signs that accompanied it.” Mark 16:20 . Where the Word is preached with gifts, the Gospel becomes a demonstration, not just a discourse.

2- To heal the sick and break the chains

Where the gifts of healing and miracles operate, cancers bow down, sterility recedes, HIV, diabetes, incurable diseases are defeated .

3- To build up the Church

"Pursue excellence in spiritual gifts for the building up of the church." 1 Corinthians 14:12 . Gifts are not toys, but tools to build the faith of others.

4- To guide destinies

Through prophecy, the word of wisdom, the word of knowledge, the Holy Spirit:

- warned of the danger
- opens up job opportunities
- reveals opportunities
- shows where to invest, where to travel, who to partner with, who to marry.

5- To glorify Jesus Christ

Every true and authentic gift always leads hearts back to Jesus, never to man.

IV- THE THREE MAIN CATEGORIES OF DONATIONS

To better understand, we can classify the nine gifts into three main categories:

1. **The gifts of revelation** (what God shows):

- the word of wisdom
- the word of knowledge
- the discernment of spirits

2. **Gifts of power** (what God does):

- the gift of faith
- the gifts of healing
- the gift of miracle operations

3. **The gifts of inspiration** (what God says):

- the prophecy
- the gift of various kinds of languages
- the gift of interpreting languages

We will go through them one after the other.

V- THE GIFTS OF REVELATION: GOD WHO OPENS HIDDEN FILES

1- Words of wisdom

The Word of Wisdom is a supernatural revelation of God's solution to a present or future situation. It is not human wisdom (being cautious), but a strategy from God revealed at the right time to resolve a problem or bring about a breakthrough. For example, God can show a pastor exactly how to pray for a family in crisis, or tell an entrepreneur which partnership to refuse, or show someone when to travel, where to apply for a job, or what documents to submit to obtain a visa (1 Corinthians 12: 8). In Egypt, it was through the Word of Wisdom that God revealed Himself to Joseph to solve Egypt's problem (Genesis 41).

Words of wisdom can extricate you from a legal trap, save you from a bad marriage, show you the strategy to break a family curse, reveal the key to your financial breakthrough, show you how to move forward, gain the trust of your superiors, resolve your business problems, pay off your debts... When this gift manifests, you see in an instant what would have taken you years to understand. Isn't that wonderful? Joseph, through the Word of Wisdom, said to Pharaoh:

"... Now let Pharaoh choose a wise and intelligent man and put him in charge of the land of Egypt. Let Pharaoh appoint commissioners over the land to collect a fifth of the produce of Egypt during the seven years of abundance. Let them gather all the produce of these good years that are coming; let them store up grain under Pharaoh's authority, and let them store it in the cities and guard it." These

provisions will be stored up for the land during the seven years of famine that will come upon the land of Egypt, so that the land will not be consumed by famine.”
Isaiah 41:33-36

All businessmen, researchers, pastors, pupils, students, various workers... need this gift.

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

2- The word of knowledge

The word of knowledge is the revelation of a hidden fact from the past or present, which you cannot know on your own. For example: God shows someone that an illness comes from an ancient pact, God reveals that a blockage comes from a hidden abortion, a theft, an injustice, or a forgotten altar, God shows that a piece of land, a house, or a business is linked to a curse and that it must be purified.

It is often through this gift that, during prayers for healing and deliverance, we hear: “There is a woman here...”, “Someone has been suffering for 12 years from...”, “You had such and such a dream on such and such a date...” Glory to God. This gift shines light where the devil worked in the shadows, opens the door to repentance, forgiveness, and deliverance, and very often triggers healing, solutions, and reconciliation... This gift is essential for the body of Christ! An excellent example of the gift of the Word of Knowledge is the case of Jesus with the Samaritan woman in John 4. Jesus reveals his hidden life to the woman, and this led to the conversion of the town.

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

3- The discernment of spirits

The discernment of spirits is the ability given by the Holy Spirit to recognize the source of a manifestation:

- Is it the Holy Spirit?
- Is this the human mind?
- Is it an evil spirit?

Without this gift, one can mistake a herbalist for a prophet, one can accept a "prophecy" that comes from a demon, one can marry someone inspired by an evil spirit, one can enter into dangerous alliances (business, politics, family) without knowing it.

With this gift, God protects you from false prophets; you will no longer be easily manipulated, you will know where you stand and with whom to commit. Many problems

of bewitchment, broken marriages, bankruptcy, and administrative roadblocks could have been avoided if people had listened to the discernment of the Holy Spirit.

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

VI- THE GIFTS OF POWER: GOD WHO ACTS WITH STRENGTH

1- The gift of faith

This is not about everyday faith, but a supernatural level of faith that arises at a specific moment to accomplish the impossible. This is the case of Elijah stopping the rain and bringing it back (1 Kings 17:1; 1 Kings 18:41-45).

With this gift, you can remain calm in the face of a cancer or HIV diagnosis, you can start a project that everyone considers crazy, you can sow a great seed that no one would dare to sow, you can pray for a hopeless case without the slightest fear with perfect assurance of recovery.

You know, at that moment, that God has already acted, even before you see the result. That faith opens the doors to impossible visas, unlocks buried files, gets unexpected contracts signed, overturns death warrants, and makes you a billionaire as easy as playing.

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

2- Gifts of healing

These are the supernatural abilities to heal all kinds of illnesses. The Bible says , “...to another, gifts of healing by the same Spirit.” *1 Corinthians 12: 9* . Notice the plural: “gifts of healing.” This includes healings from cancers, tumors, diabetes, infertility, skin diseases, paralysis, mental disorders, genetic diseases, mysterious illnesses... It is not a gift to heal just one disease, but many.

The gifts of healing are heaven's medical library. Where doctors say, "There's nothing more we can do," the Holy Spirit says, "I haven't even begun." These gifts are activated:

- when the Gospel is preached with faith,
- when hands are laid on the sick,
- when the anointing oil is applied by faith,
- when using a sanctified cloak or handkerchief as a point of contact,
- when we obey an instruction from the Holy Spirit (fasting, prayer, forgiveness, restitution...).

Thanks to the gifts of healing, barren women conceive , men condemned by medicine are restored, and damaged organs are repaired. The Christian life is a supernatural life, where we work for a glorious Master who has placed unlimited power within us. Alleluia!

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

3- The gift of miracle operations

Listening to him, you understand that it's supernatural. The gift of miracles goes beyond healing. It involves the transformation of matter (water into wine), multiple healings, deliverances, and instantaneous miracles, the stopping of time, and changes in circumstances. Through this gift, God multiplies resources (food, finances, supplies). God expedites administrative procedures, God opens a career path where everything was closed, God raises the dying or dead, God gives houses, land, and opportunities you never imagined. A miracle is when God changes the laws of nature to accomplish His will. The multiplication of the loaves by Jesus (Matthew 14:19), the resurrection of Lazarus (John 11:43-44), the drachma in the mouth of the fish (Matthew 17:27).

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

VII- GIFTS OF INSPIRATION: GOD WHO SPEAKS THROUGH YOUR MOUTH

1- The prophecy

Prophecy is a word inspired by the Holy Spirit, to edify, exhort, and comfort (1 Corinthians 14: 3). It can announce a new season, confirm a calling, warn of danger, announce a breakthrough (marriage, work, travel, childbirth, home, ministry), and strengthen someone in times of trial.

Note that, a true prophecy:

- never contradicts the Bible
- leads back to Jesus.
- produces peace, conviction, and hope in the heart of the believer

In short, prophecy does not replace the Bible; it confirms God's work in the present. This gift is very useful for ministry and for the believer, as the Bible says : ***"Eagerly desire spiritual gifts, especially that you may prophesy." 1 Corinthians 14:7.***

If you wish to receive this gift now, say to the Holy Spirit, “I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence...”.

2- The gift of various kinds of languages

This is a spiritual language inspired by the Holy Spirit. Through this gift, you speak to God, you edify yourself, and you sometimes deliver a public message that God then interprets for the Church. Speaking in tongues strengthens your prayer life, builds your inner self, and prepares you to receive and exercise other spiritual gifts. It is a central gift because it highlights the baptism of the Holy Spirit. It is found in 1 Corinthians 13:1. Acts 2:1-4 also mentions the gift of interpreting intelligible tongues.

If you wish to receive this gift now, say to the Holy Spirit, "I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence..."

3- The gift of interpretation of tongues

The interpretation of tongues allows us to translate into a known language a message that God has given in tongues, so that the entire congregation understands what the Spirit is saying. Without interpretation, a public message in tongues does not benefit the Church (1 Corinthians 14:27). With interpretation, it becomes equivalent to a prophecy for everyone. This gift seems to me to be central to all the other gifts, because speaking in tongues activates the other eight gifts. It is like the number 10 position on a football field. It organizes the game and sets up those forward. You must regularly speak in tongues for yourself to activate the gifts of the Spirit within you, to activate the presence of God within you.

However, let us clarify that the gift of speaking in tongues is not a condition for salvation, because false doctrines will tell you that if you do not speak in tongues, you are not born again. This is false, for the Spirit gives you gifts as He wills. He may give you the gift of prophecy, but not the gift of healing. He may give you the gift of tongues a month later, and the gift of miracles six months later, just as He may give you everything on the same day. Hallelujah!

If you wish to receive this gift now, say to the Holy Spirit, "I thirst, Father, I earnestly desire this gift. Take a moment to pray and ask with faith and persistence..."

VIII- THE DANGERS RELATED TO THE GIFTS OF THE HOLY SPIRIT

Where there is power, there are also dangers to avoid:

1- Pride

Believing that one is "superior" because one prophesies or because one heals the sick leads to downfall.

2- Manipulation

Using gifts to dominate people, to frighten them, to extort money, to control their minds, is an abomination. Many people fall into this trap.

3- **Spiritual commerce**

Selling prayers, prophecies, oils, handkerchiefs, and prayers for deliverance is contrary to the Word of God: *"Freely you have received, freely give."* Matthew 10: 8

4- **The double life**

Having gifts but living in hidden sin ultimately destroys the one who possesses them. Many have had gifts and have begun to live in immorality. This is the beginning of the fall.

5- **Confusing talent and maturity**

Having a gift doesn't mean you're mature. Maturity is seen in the fruit of the Spirit (love, joy, peace, patience, kindness...). Many leaders in the Church fall into the trap of being led by a child or a brother or sister in the church because that person prophesies. This is how the devil, and even divination, has infiltrated, and families, ministries, and businesses have been destroyed. Be careful. You must always discern.

"Do not despise prophecies." But examine everything; hold fast to what is good; "Abstain from every kind of evil." 1 Thessalonians 5: 20-22

You must examine, and above all, avoid doing evil, because if you are not careful, you will be destroyed around you by those who manifest the gifts, or you may destroy others if you manifest the gifts.

IX- CONDITIONS TO OPERATE IN THE GIFTS OF THE HOLY SPIRIT

To operate sustainably in the gifts, it is necessary to:

- 1- to be born again,
- 2- to be filled with the Holy Spirit,
- 3- to live in sanctification,
- 4- to walk in humility,
- 5- to live a life of prayer
- 6- to love souls deeply,
- 7- obey the Word.

The Bible declares, "Eagerly desire the spiritual gifts." 1 Corinthians 14: 1. The gifts of the Holy Spirit are **God's visible arms in an invisible world**. Through them, God speaks, reveals, heals, delivers, guides, uplifts, and restores. The Holy Spirit doesn't just want you to be a saved Christian sitting in the back of a pew at church. He wants to make

you an instrument of healing, a channel of deliverance, a bearer of solutions, and a witness to the power of Jesus Christ. Open your heart, yearn, desire, seek, and pray. Tell Him:

“Holy Spirit, I long for your gifts, not for my own glory, but to serve others, heal the sick, break chains, and glorify Jesus Christ. Use me. Make me an instrument of healing and power.”

X- HOW TO RECEIVE AND ACTIVATE THE GIFTS OF THE HOLY SPIRIT?

Gifts are not reserved for a select few. The Bible says:

"Aspire to the greater gifts." 1 Corinthians 12:31 .

"Pursue love. Desire spiritual gifts, especially that you may prophesy."

1 Corinthians 14: 1

Here you see that everyone has the right to receive gifts; one simply needs to aspire, desire, ask, plead, and the Master will grant it. In a structured way, to receive and activate gifts, one must:

1- To desire ardently

God does not give His treasures to those who mock them, but to those who thirst for them.

2- Living in sanctification

The Holy Spirit does not manifest itself powerfully in a vessel that loves sin, lies, impurity, and corruption.

3- Persevere in prayer and fasting

The more you pray, the more sensitive you become to His voice. The more you fast, the more your flesh diminishes, the clearer His action becomes.

4- To receive the baptism of the Holy Spirit

He will come into your life without warning. The baptism of the Holy Spirit opens your life to a new dimension where gifts become more frequent.

5- Being faithful in the little things

When God gives you a small word, obey. When He asks you to pray for someone, do it. When a gift begins to manifest, don't stifle it with fear.

6- **Accepting training:**

Gifts need to be guided, taught, and corrected. One must remain submissive, humble, and ready to learn. Hallelujah!

In conclusion, dear friends, this book is about **healing through the Holy Spirit** .
Know that the gifts are directly linked to:

- Your health: gifts of healing, miracles, faith, the word of knowledge are channels of your physical restoration.
- Your fertility: through a prophetic word, an act of faith, a sanctified mantle, God breaks barrenness.
- Your work and your business: the word of wisdom, prophecy, the discernment of spirits, can show you the right choices, the right partnerships, the right times.
- Your travels and visas: God can warn you about a dangerous country, tell you the right time to submit your application, show you the right door.
- Your future, your marriage, your plans: these gifts reveal God's plan and thwart the devil's traps...

Gifts are not a spiritual luxury; they are a necessity for living a victorious Christian life in a world filled with darkness and battles.

POWERFUL PRAYERS: RECEIVE YOUR ANSWERED PRAYER WHILE YOU PRAY

(Here's how to pray: take a moment of praise and worship, invoke the Holy Spirit to take control, confess your sins if you have any, take authority over your surroundings, make the prayers not like a recitation, but persist... If you fall or your body feels hot and other things, don't stop, persist, don't neglect your dreams and visions.)

- 1- Lord, in the name of Jesus, I ask You for a renewed thirst for the gifts of the Holy Spirit. Awaken in me a burning desire to serve You powerfully, for the edification of Your people.
- 2- Father, purify my heart from all pride, jealousy, hypocrisy, and hidden sin, so that I may be a pure and sanctified vessel, able to bear Your gifts without corrupting them (make a sincere repentance).

- 3- Holy Spirit, grant me the gift of wise speech to know what to do in times of crisis: for my health, my business, my travel decisions, my work, and my family. May Your strategies replace my human calculations. Do this also for the good of others, in the name of Jesus.
- 4- Lord, give me the word of knowledge to discern the origin of illnesses, blockages, infertility, failures and delays, so that I may correctly direct prayer and deliverance (insist)
- 5- Father, give me the discernment of spirits to recognize the source of prophecies, covenants, marriage proposals, business deals, partnerships, so that I may no longer fall into the traps of the devil.
- 6- Lord, grant my spirit the gift of faith, that supernatural assurance which makes me believe in the healing of cancers, HIV, diabetes, hopeless cases, impossible visas and blocked human situations.
- 7- Holy Spirit, I ask You for the gifts of healing. Use my hands, my voice, my prayers, my cloak, my handkerchiefs, to heal the sick, break chronic pain, genetic diseases, incurable wounds and mental oppression.
- 8- Father, grant me the gift of performing miracles: that I may see miracles in bodies, in finances, in administrative matters, in projects involving houses, land, work, and travel. May Your supernatural intervention become the norm in my life.
- 9- Lord, give me the gift of prophecy to speak according to Your heart: to comfort, to warn, to strengthen, to announce marriages, births, new seasons, opportunities, and not to manipulate or flatter.
- 10- Holy Spirit, increase in me the gift of speaking in tongues. May my prayer life in tongues be deep, constant, and powerful, so that it may activate all my other gifts and strengthen me inwardly each day.
- 11- Father, grant me the gift of interpreting tongues, so that I may understand what You say through the Spirit, and build up the Church through the spiritual messages You give.
- 12- Lord, give me gifts of healing especially to combat infertility: that through prayers, anointings, prophecies and mantles, barren women and men may become parents in the name of Jesus.
- 13- Holy Spirit, manifest through me targeted gifts of healing for chronic diseases (diabetes, hypertension, kidney failure, blood diseases, hepatitis, etc.), so that doctors may recognize Your hand.
- 14- Father, grant me the grace to pray for cases the world calls "impossible": cancers, HIV/AIDS, tumors, paralysis, and to see Your power manifested for Your glory. Make me an instrument of medical miracles.

- 15- Lord, through the gifts of wisdom, prophecy, and knowledge, guide me and use me to resolve professional situations: prolonged unemployment, stalled contracts, bankrupt companies, delayed promotions. Make me a channel for breakthroughs in the economic sphere.
- 16- Holy Spirit, use the spiritual gifts within me to guide my travels, visa applications, studies abroad, and missions. Provide clear guidance on countries, seasons, and procedures, so that I may avoid pitfalls and open the right doors.
- 17- Father, through the word of wisdom, the word of knowledge, and the discernment of spirits, reveals the right people for marriage, the right alliances, the right partners, and exposes the wrong intentions, toxic alliances, and emotional traps.
- 18- Lord, grant me powerful gifts for deliverance: that through prophecy, knowledge, miracles and faith, legions, ancestral bonds, pacts, spirits of death, poverty and witchcraft be broken in the name of Jesus.
- 19- Holy Spirit, grant me Your gifts to guide projects (churches, businesses, social works, ministries, schools, associations). May I not build through human intelligence, but through Your revelations and Your power.
- 20- Father, give me a humble, broken, and submissive heart, so that the gifts You place within me may never become a snare of pride, manipulation, or spiritual commerce. Keep me in the fear of God.
- 21- Lord, fill me with Your love, for without love, gifts are useless. May every prophecy, every prayer, every deliverance, every miracle be motivated by love for souls and not by the pursuit of my own glory.
- 22- Holy Spirit, give me perseverance in prayer, fasting, and sanctification, so that Your gifts may not be just a seasonal fire, but a river that flows steadily in my life, day after day.
- 23- Father, may the gifts that manifest in me always remain aligned with Scripture. Protect me from deviations, exaggerations, false revelations, and carnal emotions. Grant me balance between passion and truth.
- 24- Lord Jesus, I dedicate myself to You. Make me an instrument of healing, miracles, revelations, comfort, and breakthrough for my generation. May the gifts of the Holy Spirit within me serve to heal the sick, restore families, open doors, guide destinies, and glorify Your name alone. Amen!

CHAPTER 7: RECEIVE THE BAPTISM OF THE HOLY SPIRIT

Dear readers, dear friends, having discovered who the Holy Spirit is, His work in salvation, healing, sanctification, deliverance, and spiritual gifts, we now turn to one of the most decisive experiences of the Christian life: the baptism of the Holy Spirit. The baptism of the Holy Spirit is not an option for weak believers, nor a luxury reserved for a spiritual elite. It is an absolute necessity for anyone who wants to live a powerful, victorious, and effective Christian life. Without the baptism of the Holy Spirit, one remains saved, but often weak in the battle. With the baptism of the Holy Spirit, one becomes a powerful instrument in God's hands. Jesus Himself declared to His already saved disciples, *"But you will receive power when the Holy Spirit comes upon you; and you will be my witnesses..." (Acts 1: 8)*. Let us note this clearly: they were already believers, already disciples, already called, but they did not yet have the power. It was the coming of the Holy Spirit that would make all the difference.

I- THE BAPTISM OF THE HOLY SPIRIT: A PROMISE OF JESUS

The baptism of the Holy Spirit is not a church invention, nor a modern doctrine. It is **a direct promise from Jesus Christ Himself**. He said, *"for John truly baptized with water, but you shall be baptized with the Holy Spirit not many days from now."* (Acts 1:5) Before ascending to heaven, Jesus gave this clear command to His disciples: *"Do not leave Jerusalem, but wait for the gift my Father has promised..."* (Acts 1:4). This means that even the disciples who had witnessed miracles, cast out demons, and healed the sick were not yet qualified for ministry without the baptism of the Holy Spirit. If they needed it, how much more do we today!

II- WHAT IS THE BAPTISM OF THE HOLY SPIRIT?

The baptism of the Holy Spirit is a supernatural immersion of the believer in the power of God. It is not simply receiving the Holy Spirit to be saved (which every Christian receives at conversion), but receiving the Holy Spirit to be clothed with power.

- The new birth gives you the life of God within you.
- The baptism of the Holy Spirit gives you the power of God over you.

It is a distinct experience of salvation, an outpouring of power, a spiritual covering, an anointing that transforms a timid believer into a bold witness, a weak Christian into a spiritual soldier, a simple believer into an instrument of miracles. The word "baptism" means to immerse, plunge, submerge. The believer is literally immersed in the fire, the presence, and the power of the Holy Spirit. Hallelujah!

III- THE DIFFERENCE BETWEEN THE NEW BIRTH AND THE BAPTISM OF THE HOLY SPIRIT

Let me repeat myself. Many people confuse conversion and the baptism of the Holy Spirit. Yet, they are two distinct experiences.

1- The new birth

This is the moment when the Spirit comes to dwell within you to save you: *"Unless one is born again, he cannot see the kingdom of God."* John 3: 3. If you do this by renouncing idols and ancestral gods, you are a child of God, which means that:

- You are saved.
- Your sins are forgiven.
- You become a child of God.

2- The Baptism of the Holy Spirit

This is the moment when the Spirit comes upon you to clothe you with power. *"He will baptize you with the Holy Spirit and fire."* Matthew 3:11 . The new birth gives you life. The baptism of the Holy Spirit gives you power. You can be alive without being powerful. But God wants you to be both alive and powerful.

IV- PENTECOST DAY: THE BIRTH OF POWER

The great biblical model for the baptism of the Holy Spirit is **Pentecost**:

"When the day of Pentecost came, they were all together in one place... Suddenly a sound like the blowing of a violent wind came from heaven... Tongues of fire appeared... They were all filled with the Holy Spirit and began to speak in other tongues..." Acts 2: 1-4

Before that day: Peter had denied Jesus, the disciples were fearful, they hid. After Pentecost:

- Peter preaches with authority,
- 3,000 people convert,
- The sick are cured.
- The demons are driven out.

- The Church is becoming a power.

It wasn't Peter who changed. It was the power of the Holy Spirit that descended upon him. You too, long for the baptism of the Holy Spirit; His descent upon you will transform you into a new person.

V- EVIDENCE OF THE BAPTISM OF THE HOLY SPIRIT

When a person is truly baptized in the Holy Spirit, certain spiritual signs appear.

1- Speaking in tongues

This is the first visible evidence. "They were all filled with the Holy Spirit and began to speak in other tongues..." Acts 2: 4. Speaking in tongues:

- builds the mind,
- activates intercession,
- unleash supernatural prayer
- confounds the powers of darkness.

2- A new boldness

The believer becomes courageous, steadfast, and fearless: "They were all filled with the Holy Spirit and spoke the word boldly." Acts 4:31 . You will burn with zeal for the Lord Jesus and even for life itself.

3- A deep thirst for God

After the baptism of the Holy Spirit: prayer becomes a pleasure, the Word becomes alive, sin becomes bitter.

4- The manifestation of spiritual gifts

The gifts begin to activate gradually: prophecy, healings, words of wisdom, discernment, etc.

VI- WHAT IS THE PURPOSE OF THE BAPTISM OF THE HOLY SPIRIT?

The baptism of the Holy Spirit is not just a spiritual thrill. It produces concrete, visible, and powerful effects in the life of the believer:

1- It gives the power to bear witness

Before Pentecost, the disciples were afraid. After Pentecost, they boldly proclaimed Jesus, even in the face of death. The Holy Spirit transforms a silent Christian into a fiery preacher.

2- He gives victory over sin

The baptism of the Holy Spirit gives a supernatural inner strength to live in sanctification.

3- It activates spiritual gifts.

Without the baptism of the Holy Spirit, gifts are often limited. With it, gifts become commonplace, powerful, and effective.

4- It strengthens the prayer life

The baptism of the Holy Spirit introduces the believer into speaking in tongues, which builds up the inner man and strengthens the spiritual life.

5- It makes the Christian dangerous to the devil

A Christian baptized in the Holy Spirit becomes a constant threat to the works of darkness. Witchcraft, spiritual sickness, and oppression yield only to the power of the Holy Spirit.

6- To activate the supernatural dimension

The baptism of the Holy Spirit brings you into:

- dreams,
- the visions,
- the revelations,
- discernment ...

VII- OBSTACLES TO THE BAPTISM OF THE HOLY SPIRIT

Many Christians desire the baptism of the Holy Spirit, but certain obstacles prevent its manifestation:

- unconfessed sin,
- pride,
- disbelief,
- the fear of speaking in tongues
- attachment to religious traditions,
- cults and occult compromises.

As long as these things are not abandoned, the flow of the Spirit is blocked. But remember that even involuntarily, the Holy Spirit can fill you. Hmmm !

VIII- CONDITIONS FOR RECEIVING THE BAPTISM OF THE HOLY SPIRIT

7- To be born again

One does not receive power without having received life.

8- Thirsting for God

On the last day, that great day of the feast, Jesus stood and cried out, saying, "If anyone thirsts, let him come to Me and drink. "He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water." But this He spoke concerning the Spirit, whom those believing in Him would receive; for the Holy Spirit was not yet given, because Jesus was not yet glorified. (John 7:37-39)

9- Pray with faith

"... how much more will your heavenly Father give the Holy Spirit to those who ask Him!" (Luke 11:13). Yes, however bad we may be, we give good things to our children; how much more will our Heavenly Father give the Holy Spirit to those who ask Him.

10- To rid oneself of sin

"Peter replied, 'Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit.'" Acts 2:38

To repent means to change direction, to change lifestyle, to accept living according to Jesus and for Him.

11- To receive by faith

"Therefore, I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours." Mark 11:24

The baptism of the Holy Spirit is **received**, not analysed. That's what makes you a superman. Hallelujah!

IX- WHO CAN RECEIVE THE BAPTISM OF THE HOLY SPIRIT?

The Bible is clear:

for all whom the Lord our God will call." Acts 2:39

The baptism of the Holy Spirit is for:

- the new converts,
- the early Christians,
- young people,
- the old people,
- the pastors,
- the evangelists,
- businessmen,
- the students,
- the sick,
- the poor as well as the rich.

It is not reserved for a special category, for pastors, prophets, apostles, high priors... Any child of God can be baptized in the Holy Spirit, if they sincerely desire it.

X- SPIRITUAL TESTIMONY

Throughout biblical and church history, we have seen weak, sick, and fearful believers transformed in moments into men and women of faith after the baptism of the Holy Spirit. The timid become preachers. The sick becomes instruments of healing. The poor become channels of blessing. This is not a ritual; it is a divine visitation. Hallelujah!

XI- Prayer to Receive the Baptism of the Holy Spirit

Say this prayer with faith:

“Lord Jesus, I confess You as my Savior and Lord. I renounce all sin, every covenant of darkness. I now ask You for the baptism of the Holy Spirit as You have promised. Father, fill me with Your Spirit. Clothe me with Your power. Activate supernatural life within me. I now receive the baptism of the Holy Spirit by faith, in the name of Jesus Christ. Amen!”

Open your mouth in praise and let the Holy Spirit fill you. The flow of the Spirit often begins with speaking in tongues, joy, tears, spiritual warmth, deep peace...

Ultimately, we say that without the baptism of the Holy Spirit, the Christian life is difficult, the struggle is arduous, and growth is slow. With the baptism of the Holy Spirit, power is activated, gifts are manifested, victory becomes lasting, and the mission becomes effective. The baptism of the Holy Spirit is not optional; it is a necessity for living the Christian life to its fullest. It will make everything easier for you, for, as the Lord Almighty says, *“Not by might nor by power, but by my Spirit . ”* (Zechariah 4: 6)

CHAPTER 8: THE FRUIT OF THE HOLY SPIRIT: THE VISIBLE PROOF OF THE LIFE OF GOD IN YOU

Beloved, after studying the gifts of the Holy Spirit, which are manifestations of God's power, it is now essential to address another equally fundamental dimension: the fruit of the Holy Spirit, which is the manifestation of God's character within us. The gifts show what God does through us. The fruit shows what God does in us. We can have the gifts without the fruit, but we cannot walk with God consistently without the fruit. The gifts impress people; the fruit glorifies God. The gifts can be withdrawn, but the fruit remains. The gifts are used in ministry; the fruit is used in daily life, in the home, in marriage, in character, in relationships, in business, and in destiny. The Holy Spirit wants not only to make you a powerful Christian, but above all, a transformed Christian.

I- IT'S NOT "THE FRUITS", BUT "THE FRUIT"

But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. (Galatians 5:22-23)

This verse is one of the most profound in the entire Bible, for it reveals the moral portrait of Jesus Christ living in the heart of the believer. The Bible does not say: *the fruits of the Spirit*, but the fruit of the Spirit. This means that this fruit is unique, yet it manifests itself in many facets. It is like a single diamond with many facets. We cannot say:

- “I have love, but I don’t have patience.”
- “I have joy, but I don’t have self-control.”

No. It is one fruit, with many expressions. When the Holy Spirit works fully in a life, all these dimensions grow together. This fruit is not the result of human effort, but the progressive work of the Holy Spirit in the heart of the believer who walks with God.

II- WHY GOD ASKS FOR FRUIT BEFORE GIFTS

Many Christians seek power, miracles, revelations... but neglect character. Yet, God seeks first and foremost likeness to Christ. Jesus never said, “By this everyone will know that you are my disciples, if you prophesy, heal the sick, perform miracles...” But rather, he said:

By this everyone will know that you are my disciples, if you love one another.” John 13:35

Fruit is the visible proof that the Holy Spirit truly dwells within someone. A Christian without fruit is like a tree without harvest: they occupy the space, but produce nothing for the Kingdom. Gifts can be imitated. Fruit can never be imitated. The devil can

imitate miracles, but he cannot imitate love, holiness, gentleness, faithfulness, or self-control. If he tries, it is with malice to destroy you. But Jesus is faithful.

III- LOVE: THE ROOT OF ALL OTHER FRUITS

the Spirit is love..." Galatians 5:22

Love comes first because it is **the root of all other fruits**. Without love, there is no true joy, no true peace, no true patience. Love according to the Holy Spirit is not selfish love, hypocritical love, or conditional love. It is divine love (agape), the kind that loves even when one is mistreated, forgives even without excuse, and does good even to one's enemies.

When the love of the Holy Spirit is in you: you no longer rejoice in the misfortune of others, you no longer harbour resentment, you no longer plot, you free your heart from hatred, envy, and jealousy. Where love reigns: healing flows, families are restored, marriages are protected, and prosperity is stable.

IV- JOY: THE INNER STRENGTH OF THE BELIEVER

the Spirit is... joy..." Galatians 5:22

The joy of the Holy Spirit is not merely an outward smile. It is an **inner strength**, independent of circumstances. It depends neither on money, nor on people, nor on events, nor on healing, nor on success, but on the Lord: *"The joy of the Lord will be your strength."* *Nehemiah 8:10.*

When the joy of the Holy Spirit is in you:

- Even in illness, your heart remains steadfast.
- Even in times of trial, your soul retains hope,
- Even while waiting, you don't despair.

The devil fights against joy, because he knows that:

- He who loses joy loses strength.
- He who loses his strength becomes vulnerable to attack.

Moreover, the Bible declares: *"A man's spirit sustains him in sickness, but a crushed spirit who can bear?" Proverbs 18:14.*

Joy protects your health, your mind, your immune system, and your emotional balance. Many chronic illnesses are linked to a prolonged loss of joy.

V- PEACE: DIVINE CALM IN THE MIDST OF STORMS

the Spirit is... peace... ” Galatians 5:22

The peace of the Holy Spirit is not the absence of problems, it is the presence of God within the problem. It is an inner rest that nothing can buy. When the peace of the Holy Spirit is within you:

- You 're not panicking anymore.
- You 're no longer getting worked up unnecessarily.
- You no longer make hasty decisions.

Peace:

- protect your heart
- protect your relationships
- Protect your decisions.
- Keep your miracle

Many people fail in life not for lack of intelligence, but for lack of inner peace.

VI- PATIENCE: THE ART OF WAITING FOR GOD WITHOUT COMPLAINING

the Spirit is... patience... ” Galatians 5:22

Patience is the ability to endure, wait, and persevere without becoming discouraged or complaining. God always works in time. The devil always works in haste. When the patience of the Holy Spirit is in you:

- You no longer force the doors.
- You no longer steal God's timing,
- You no longer compare yourself to others.

Many marriages are destroyed by a lack of patience. Many projects fail because of impatience. Many Christians miss their opportunity because of haste. Many stray from their destiny because of haste.

VII- KINDNESS AND BENEVOLENCE: GOD'S HEART TOWARDS OTHERS

the Spirit is... kindness, goodness... ” Galatians 5:22

Kindness is doing good even when no one is watching. Compassion is having a compassionate, humane heart, attentive to others. When these qualities are within you, you help unconditionally, you forgive unconditionally, you give without expecting anything in return. It is through these qualities that God elevates you, God grants you grace, God opens

doors in businesses, government offices, and nations. A hard heart attracts obstacles. A kind heart attracts blessings.

VIII- FAITHFULNESS: THE BELIEVER'S STABILITY

the Spirit is... faithfulness..." Galatians 5:22

Loyalty is:

- to remain consistent in what we have promised to God,
- to remain faithful in marriage,
- to remain loyal in the ministry
- to remain honest in business,
- to remain true to secrecy.
- Faithfulness to God, never returning to idols and skulls.

God does not bless instability. God blesses faithfulness. Many lose their blessings not because of serious sin, but because of hidden unfaithfulness.

- broken promises
- commitments broken.
- double lives
- low blow
- destabilization

IX- GENTLENESS: STRENGTH UNDER CONTROL

the Spirit is... gentleness..." Galatians 5:22

Gentleness is not weakness. It is power in control. Gentleness protects relationships, defuses conflicts, and heals emotional wounds.

X- TEMPERANCE: SELF-CONTROL

"The fruit of the Spirit is... self-control." Galatians 5:22.

Temperance is self-control, victory over impulses, the dominion of the flesh by the Spirit. It touches upon: sexuality, food, money, anger, and speech. He who lacks temperance destroys his health, destroys his marriage, destroys his destiny.

XI- THE FRUIT OF THE HOLY SPIRIT AND HEALING

The fruit of the Holy Spirit acts directly on health, the immune system, emotional balance, and longevity. Bitterness, anger, hatred, guilt, and prolonged anxiety are direct

gateways to illness. When the fruit grows, healing remains, relapse disappears, and peace stabilizes the body.

XII- HOW TO GROW THE FRUIT OF THE HOLY SPIRIT?

Fruit does not grow in haste. It grows by:

- 1- Daily communion with God
- 2- Meditation on the Word
- 3- Regular prayer
- 4- Participation in worship and the application of the Word
- 5- Practical obedience
- 6- Spiritual discipline
- 7- The conscious rejection of sin
- 8- Dependence on the Holy Spirit

The more you walk with the Holy Spirit, the more His character becomes visible in you.

Gifts impress. Fruit transforms. Gifts uplift a person, fruit sustains them. Gifts bring healing, fruit glorifies God. The greatest miracle of your life is not just healing or blessing, but the change of heart to the image of Jesus Christ.

GENERAL CONCLUSION

Dear readers, after this journey through the revelation of the Holy Spirit, healing, deliverance, gifts, baptism, and the manifestations of God's power, one truth remains above all others: everything God does in our lives has the primary purpose of leading us to a faithful and lasting relationship with Jesus Christ. Miracles are precious, healing is glorious, and gifts are powerful. But the greatest miracle remains a transformed life that walks in holiness. For power without faithfulness becomes a danger. Gifts without sanctification become a snare. Miracles without obedience can lead to destruction. That is why the final call of this book is clear: abandon sin, renounce idolatry, break every compromise with darkness, leave behind the double life, and walk in the light. You cannot serve Jesus and idols at the same time. Yes, Jesus heals, yes, Jesus delivers, yes, Jesus blesses, but above all, Jesus saves and sanctifies.

The Holy Spirit was not given to you merely to bless you, but to transform you. He wants to make you new men and women, faithful witnesses, instruments of justice. Therefore, remain faithful to Jesus Christ until the end. Love holiness. Flee from sin. Walk in humility. And on the last day, the greatest reward will be to hear these words: "Good and faithful servant, enter into the joy of your Master." To Jesus Christ alone be glory and honor for eternity.

Amen!
